- *691 Adams Street, near Town Line.
- 71 Granite Avenue and Squantum Street.
- 72 Antwerp Street and Emerson Road.
- 73 Granite Avenue, near Railroad Crossing.
- 74 Squantum and Pine Grove Streets.
- *75 Hope Avenue and Cedar Terrace.
- 91 Canton and Blue Hill Avenue.
- 92 Harland Street, entrance to Reservation.
- 93 Park Headquarters, Hillside Street.
- 94 Forest Street, Quincy Line.
- 95 Randolph Avenue, Quincy Line.
- 96 Randolph Avenue and Highland Street.

{Special
Signals
for Fires
in the
Blue Hills
Reserv'n

*Special Signals.

Directions for Sounding an Alarm

Open outside door of Fire Alarm Box, then pull the hook down ONCE and let go.
Remain at Box until arrival of Firemen and direct them to the Fire.

Signals

- 1 One blow, 7.30 a.m., 12m., 5.45 p.m. Fire Alarm Tests.
- 1-1 Two blows, Recall.
- 1-1-1 Three blows followed by four rounds of box number, general alarm.

Signal for No School

The signal 2-2 sounded four times on the fire alarm at

7.15 o'clock means no school sessions for all schools for entire day.

7.30 o'clock means no sessions for all schools below the Junior High School for the entire day.

11.40 o'clock means no afternoon session for all schools below the Junior High School—this signal will not be sounded if the 7.15 signal has been sounded.

The 7.15 signal will rarely be sounded as it includes the closing of the High and Junior High Schools.

If the 7.15 signal is given, the 7.30 signal will be unnecessary.

J. HARRY HOLMES, Chief of Department.

**Emergency call for Fire Department should be
"Milton Fire Department—Emergency"**

March 12, 1927, March 10, 1928, June 13, 1928, May 28, 1932, were approved by
the Attorney-General, December 10, 1914, May 8 and September 22, 1915,
April 6 and July 19, 1922, March 26, 1925, March 18, 1926, April 20,
June 21, 1927, June 11, 1928, September 24, 1928, June 1, 1929,
June 29, 1932*

*Chapters 12 and 13, adopted by the Town July 10, 1922, were approved
July 11 and 21, 1922*

*The amendment to Chapter 12, adopted by the Town March 13, 1926, was
approved March 17, 1926*

CHAPTER 1

GENERAL PROVISIONS

SECTION 1. These By-Laws, contained in this and the succeeding chapters, being thirteen chapters in all, may be designated as the Revised By-Laws, adding the number of the chapter and section when necessary.

SECT. 2. So far as the provisions of these By-Laws are the same in effect as those of previously existing By-Laws, they shall be construed as a continuation of such By-Laws, but, subject to said limitations and the provisions of the next section, all By-Laws of the Town heretofore in force are hereby repealed; provided that this repeal shall not apply to or affect any By-Law, order, or article heretofore adopted, accepting or adopting the provisions of any statute of the Commonwealth.

SECT. 3. These By-Laws and the repeal of all By-Laws heretofore in force shall not effect any act done, any right accrued, any penalty or liability incurred, or any suit, prosecution, or proceeding, pending at the time when they take effect; nor shall the repeal of any By-Law thereby have the effect of reviving any By-Law theretofore repealed or suspended.

SECT. 4. When in a By-Law anything is prohibited from being done without the license or permission of a certain officer, officers, or board, such officer, officers, or board, shall have the power to license or permit such thing to be done.

SECT. 5. In all the By-Laws of the Town the following words and expressions shall, unless inconsistent with the manifest intent, be severally construed as follows:—

The word public way shall include any highway, town way, road, bridge, street, avenue, boulevard, roadway, parkway, lane, sidewalk or square; the owner or occupant of a building or land shall include any sole owner or occupant, and any joint tenant and tenant in common of the whole or of any part of a building or lot of land; words purporting to give a joint authority to three or more officers or other persons shall give such authority to a majority of such officers or persons; the word person may include corporations; words importing the singular number may apply to the plural number, and words importing the masculine gender may apply to the feminine gender.

SECT. 6. All fines and penalties for the violation of any By-Laws shall, when received, inure to the use of the Town, and be paid into the Town treasury, unless it be otherwise directed by the laws of the Commonwealth or the By-Laws of the Town.

SECT. 7. Whoever violates any of the provisions of the By-Laws of the Town, whether included in these By-Laws or any hereafter enacted, whereby any act or thing is enjoined or prohibited, shall, unless other provision is expressly made, forfeit and pay a fine not exceeding twenty dollars for each offence.

SECT. 8. Whoever shall refuse or neglect to obey any order of any Town officer or board of Town officers, issued under any of the By-Laws of the Town, directed to

him and properly served upon him, shall, in cases not otherwise provided for, forfeit and pay for such offence a fine not exceeding twenty dollars.

SECT. 9. Prosecutions for the breach of any of the provisions of the By-Laws of the Town shall be commenced within six months from such breach.

SECT. 10. Any or all of the By-Laws of the Town may be repealed or amended, or other By-Laws may be adopted, at any Town meeting, annual or special, an article containing the subject-matter of the proposed change having been inserted in the warrant for such meeting.

CHAPTER 2

TOWN MEETINGS

SECTION 1. The warrants for all Town meetings shall be directed to the constables of the Town, and the meetings shall be notified by posting attested copies of the warrant in each of the post-offices of the Town at least fourteen days, and by leaving printed copies thereof at the dwelling-houses in the Town at least four days, before the day of such meeting.

SECT. 2. The annual meeting for the election of Town officers shall be held upon the first Saturday of March, the polls to be open at fifteen minutes before six o'clock in the forenoon, and they shall remain open until four o'clock in the afternoon for the election of such other Town officers as are required by law to be elected by ballot, all said officers to be voted for on official ballots. At any time after said four o'clock a vote may be passed to close the polls in not less than ten minutes.

SECT. 3. All business except the election of such officers and the determination of such matters as by law are required to be elected or determined by ballot shall be considered at an adjournment of said meeting to the following Saturday at one-thirty o'clock in the afternoon.

SECT. 4. All motions shall, if required by the Moderator, be reduced to writing before being submitted to the meeting.

SECT. 5. Upon taking the question, the sense of the meeting shall be taken by the voices of the town meeting members and the Moderator shall first announce the vote as it appears to him by the sound.

If the Moderator is unable to decide by the sound of the voices or if his announcement made thereupon is doubted by seven town meeting members arising in their places for that purpose, the Moderator shall request the town meeting members to be seated, and shall appoint tellers; the question then shall be distinctly stated, and those in the affirmative and negative respectively shall be requested to rise and stand in their places until they are counted by the tellers, who shall report their count to the Moderator.

If the vote is further doubted and twenty-five town meeting members arise in their places and ask for a division of the meeting by the taking of the yeas and nays, then the roll of the meeting shall be called in alphabetical order and no town meeting member shall be allowed to vote after the vote is declared.

SECT. 6. No vote shall be reconsidered at the same meeting, except upon a motion made within one hour of the adoption of such vote, unless ordered by two-thirds of the voters present and voting thereon.

SECT. 7. When a question is before the meeting, the following motions, viz.:—

- to adjourn,
- to lay on the table,
- for the previous question,
- to postpone to a certain time,
- to commit (or recommit) or refer,
- to amend or substitute,

shall have precedence in the order in which they are placed in this section; provided however, no article in the warrant shall be finally disposed of by a vote to lay upon table, to indefinitely postpone, or to take no action thereunder.

In proposed amendments involving amounts or dates, the smallest amount and the shortest time shall be put first.

SECT. 8. After the declaration of the vote for Town officers, fifteen legal voters shall be appointed by the Moderator, who shall constitute a committee to be known as the Warrant Committee. The persons so appointed shall continue as members of said committee until the Town meeting of the ensuing year.

CHAPTER 3

THE WARRANT COMMITTEE

SECTION 1. The Warrant Committee shall, within two weeks after their appointment, meet, at the call of the member thereof first named, for organization by the choice of a chairman and secretary. And they shall meet thereafter from time to time as they may deem advisable.

They shall have power to fill vacancies in their number by vote, attested copy of which shall be sent by the secretary to the Town Clerk.

SECT. 2. It shall be the duty of the Warrant Committee to inform themselves concerning those affairs and interests of the Town, the subject-matter of which is generally included in the warrants for its Town meetings; and the officers of the Town shall, upon their request, furnish them with facts, figures, and any other information pertaining to their several departments; provided, however, that any such information may be withheld when, in the opinion of the officer or board of officers so requested, the communication thereof might injuriously affect the interests of the Town or its citizens.

SECT. 3. The Warrant Committee shall consider the various articles in the warrants for all the Town Meetings held during the period for which they were appointed including the various articles in the warrant for the annual Town Meeting next after their appointment; they shall also consider all questions submitted to the voters of the Town at any meeting, including State elections under any act or resolve of the Legislature and proposed amendments to the Constitution; and they shall report in print before all such meetings their estimates and recommendations for the action of the Town.

On or before January first of each year each board, committee or officer of the Town shall file with the Selectmen, who shall transmit the same to the Warrant Committee, a statement in detail of the appropriation or appropriations recommended by such board, committee or officer for the work under its or his charge for the ensuing year.

The Warrant Committee shall include in its report of recommendations for the annual Town Meeting a statement setting forth the total appropriations so requested, the appropriations recommended, and the totals of such appropriations requested and recommended, and an estimate of the tax rate for the ensuing year if such recommendations are adopted.

CHAPTER 4

THE TOWN'S FINANCES AND PROPERTY

SECTION 1. The financial year shall begin with the first day of March.

SECT. 2. The Selectmen shall annually, not less than seven days before the annual meeting, cause to be printed and distributed among the tax-payers of the Town, a detailed report of all moneys received into and paid out of the Town treasury during the preceding calendar year, with such information and recommendations as they may deem proper, and with detailed estimates of the amounts of money that will be required for the ensuing financial year. With this report shall be printed the records of all meetings of the Town held since the last annual report was printed, the reports of the Auditors, of the Surveyors of Highways, and of the Engineers of the Fire Department, the Collector's account of receipts, payments, and abatements, a list of all taxes assessed, except the poll tax list, an abstract of the births, marriages, and deaths to be furnished by the Town Clerk, a statement concerning the condition and fund of the public library and the cemetery to be furnished by the Trustees respectively, and a statement of all other funds belonging to the Town or held for the benefit of its inhabitants; also statements of the liabilities of the Town on bonds, notes, certificates of indebtedness, or otherwise, and of the total money paid the Town, the income of which is to be applied to the care of lots in the cemetery. The annual report shall also contain such other matters as may be required by the By-Laws of the Town.

SECT. 3. The assessment of taxes shall be completed and the tax list and warrant shall be delivered to the Collector on or before the first day of August in each year.

SECT. 4. Poll taxes shall be payable on demand, and all other taxes assessed in each year shall be payable on or before the first day of November in the same year; and on all such taxes as are not paid on or before the said first day of November, interest shall be charged at a rate to be fixed annually by the Town, pursuant to Section 71 of Chapter 490 of the Acts of the year 1909, Part I, and the Collector shall use all the means and processes provided by law for the collection of all taxes remaining unpaid after the first day of November in the same year.

SECT. 5. No person being an officer of the Town shall in his official capacity make or pass upon, or participate in making or passing upon, any sale, contract or agreement, or the terms or amount of any payment, in which the Town is interested and in which such officer has any personal interest at variance with that of the Town.

SECT. 6. The Selectmen, being duly authorized by vote of the Town under the limitations imposed by statute, may authorize the Treasurer to borrow money temporarily in anticipation of the collection of taxes, or upon loans authorized by vote of the Town, and to give promissory notes therefor in behalf of the Town, the same to be signed by the Treasurer and countersigned by a majority of the Selectmen.

SECT. 7. No money granted for special purposes shall be applied to any other use unless by a vote of the Town, and all unexpended balances of such grants shall be stated in the annual report.

SECT. 8. The Selectmen shall keep full accounts in respect to the several separate appropriations and the drafts made against each and shall not approve any draft which does not state specifically the appropriation against which it is drawn, whether general or special.

SECT. 9. The Warrant Committee shall send to the Selectmen and to the Auditors certified copies of all votes whereby transfers are made out of the Reserve Fund for extraordinary or unforeseen expenditures.

SECT. 10. No board, committee, or officer of the Town shall commit the Town to any expenditure or liability which would, in the ordinary course of business, be chargeable to the appropriation of which such board, committee or officer is or has been in charge, after such appropriation has been exhausted, or after the satisfaction of all liabilities against it would exhaust it, until either the Warrant Committee shall have transferred additional sums to such appropriation, or until the Town at a meeting of the voters, shall have acted in the matter.

SECT. 11. No grant of a sum of money exceeding five hundred dollars shall be made until the subject-matter thereof has been considered and the estimates reported to the Town, either by the Selectmen or other Town officers, or by the Warrant Committee or some committee chosen for that purpose in pursuance of a vote of the Town.

SECT. 12. The Selectmen shall have full authority as agents of the Town to institute and prosecute suits in the name of the Town, and to appear and defend suits brought against it, unless it is otherwise specially ordered by a vote of the Town.

SECT. 13. Whenever it shall be necessary to execute any deed conveying land or other instrument required to carry into effect any vote of the Town, the same shall be executed by the Selectmen, or a majority thereof, in behalf of the Town, unless the Town shall otherwise vote in any special case.

SECT. 14. The Selectmen shall appoint a Town Accountant, who shall perform the duties prescribed by law. At the close of each fiscal year he shall cause an audit of the accounts of the Town to be made under the supervision of the Director of Accounts, as provided by Section 35 of Chapter 44 of the General Laws.

SECT. 15. Whenever damages may be recovered against the Town under General Laws, Chapter 79, entitled "Eminent Domain" and acts in amendment thereof and in addition thereto, the Board of Selectmen, unless otherwise provided by vote of the Town, may exercise in the name and behalf of the Town all the powers granted in Section 39 of said Chapter relative to settlement of damages, assumption of betterments, offers of settlement, and other matters in said section contained.

SECT. 16. (a) The collector of taxes shall collect, under the title of Town Collector, all accounts due the Town, excepting interest on investments of sinking or trust funds.

(b) If it shall seem advisable to the Town Collector that suit, or suits, should be instituted and prosecuted in the name of the Town, in connection with the collection of an account, or accounts, due to the Town, he shall so advise the Board of Selectmen who shall have authority as agents of the Town to institute and prosecute the same.

(c) All accounts due the Town when this section takes effect and all accounts coming due thereafter shall forthwith be committed by the several boards and officials of the Town to the Town Collector for collection hereunder.

(d) This section shall take effect on March 6, 1933.

CHAPTER 5 THE CEMETERY

SECTION 1. The sole care, superintendence, management, and control of the Cemetery shall be intrusted to a Board of five Trustees to serve for the period of five years; one of said Board shall retire and a new member be elected at each annual meeting of the Town.

In case of vacancies in the Board of Trustees the remaining members may fill the same, but any member so chosen shall hold office only until the next annual Town meeting, when a Trustee shall be elected for the unexpired term.

SECT. 2. Citizens of Milton who are heads of families and have been residents of the Town not less than five years shall be entitled to lots in the Cemetery, allowing one lot to a family, subject to the regulations adopted by the Town, upon payment of the charges for putting the lot in order; but by unanimous consent of the Trustees the five years' residence requirement may be waived.

SECT. 3. The Trustees, when in their judgment it shall be deemed advisable, may sell lots at the rate of not less than fifty cents a square foot, but only to those who are in some way connected with Milton people.

SECT. 4. The proprietor of each lot shall cause to be erected, at his own expense, corner-stones, and a step with his name and the number of the lot inscribed on the same, and shall cause his lot to be kept in proper order; and if the proprietor shall omit for thirty days after notice to erect such land marks and to keep the lot in order, the Trustees shall have authority to have the same done at the expense of said proprietor.

SECT. 5. No lot shall be used for any other purpose than as a place of burial for the dead, and no proprietor shall suffer the remains of any person to be deposited within the bounds of his lot for hire; nor shall any proprietor sell or transfer the whole or any part of his lot without the consent of the Trustees.

SECT. 6. If in the judgment of the Trustees any trees or shrubs in any lot shall become detrimental to the adjacent lots or avenues, or dangerous or inconvenient, it shall be the duty of the Trustees to enter upon said lot and to remove said trees and shrubs, or such parts thereof as are thus detrimental, dangerous or inconvenient.

SECT. 7. There shall be no structure or inscription placed in, upon or around any lot which the Trustees shall deem offensive or improper; and it shall be the duty of the Trustees to remove all offensive or improper objects.

SECT. 8. The Trustees shall have authority to purchase any tomb in the Cemetery offered for sale, paying for the same such sums as, in their judgment, may be fair and reasonable. They shall also have authority to give for any tomb a lot to be constructed on the land occupied by the tomb, or to be selected at some other point in the Cemetery grounds, as they may agree with the proprietor of the tomb. Should there be no living proprietors, or legal representatives of deceased proprietors, the Trustees may take possession of such Tomb, carefully remove its contents to a lot prepared for the purpose and erect over the remains a suitable memorial stone.

SECT. 9. The following regulations shall be posted within the Cemetery:—

1. All persons are prohibited from driving on the borders.
2. No horse shall be left upon the grounds without a keeper, unless fastened to posts provided for the purpose.
3. All persons are prohibited from discharging firearms within the grounds of the Cemetery, except in connection with military memorial services.
4. All persons are prohibited from writing upon or otherwise defacing any sign, monument, fence, or other structure.
5. All persons are prohibited from gathering flowers, or breaking any tree, plant or shrub.
6. Dogs are not allowed within the Cemetery grounds.

CHAPTER 6

POLICE REGULATIONS

SECTION 1. No person shall move or assist in moving any building, over any way which the Town is obliged to keep in repair, without the written permit of the Selectmen being first obtained; nor, having obtained such permit, without complying with the restrictions and provisions thereof.

SECT. 2. Whoever, without a written license from the Selectmen, shall cause or suffer any cart or wagon to remain within the limits of any public way so as in any manner to obstruct travel thereon, or for more than twenty-four hours, shall forfeit and pay a sum not less than one dollar and not more than ten dollars for each offence; and he shall be subject to a like penalty if he neglects to remove the same within the time ordered by such officers, who may revoke such license at any time.

SECT. 3. No person shall place or cause to be placed, upon any public way or sidewalk, any lumber, iron, wood, coal, trunk, bale, box, crate, cask, barrel, package or other thing, and allow the same to remain for more than one hour, or more than ten minutes after being notified by a constable, police officer or the Selectmen.

SECT. 4. Any person who intends to erect, repair or take down any building on land abutting on any way which this Town is obliged to keep in repair, and desires to make use of any portion of said way for the purpose of placing thereon building materials or rubbish, shall give notice thereof to the Selectmen. And thereupon the Selectmen may grant a permit in writing to occupy such a portion of said way to be used for such purpose as in their judgment the necessity of the case demands and the security of the public allows; such permit in no case to be in force longer than ninety days, and to be on such conditions as the Selectmen may require; and especially in every case, upon condition that during the whole of every night, from twilight in the evening until sunrise in the morning, lighted lanterns shall be so placed as effectually to secure all travellers from liability to come in contact with such building materials or rubbish.

SECT. 5. No person shall throw or place, or cause to be thrown or placed, any ice or snow into or upon any public way unless the same be broken into small pieces and spread evenly.

SECT. 6. Whoever, without the written permission of the Selectmen, shall place or cause to be placed in or upon any public way, or sidewalk, any ashes, dirt, rubbish or filth of any kind, or any animal or vegetable substance, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECT. 7. Whoever shall suffer any horse or grazing beast, or swine, to run at large in the Town, or to feed in any public way either with or without a keeper, and whoever shall drive any such animal upon any sidewalk, or suffer any horse to remain hitched across any sidewalk, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECT. 8. Three or more persons shall not continue to stand or remain in a group, or near to each other, on any sidewalk or in any public place in such a manner as to obstruct a free passage for foot passengers, after having been requested by a constable or police officer to move on. Any person who shall violate the provisions of this section shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECT. 9. No person shall dig up or obstruct any portion of any way which the Town is obliged to keep in repair without the permit, in writing, of the Selectmen, nor, having obtained such permit, shall fail to comply with the conditions thereof; and in addition to any penalty to which he may be subjected under these By-Laws for such failure, he shall reimburse the Town for all expenses and damages which, or for which, the Town may be compelled to pay by reason of such unauthorized use, or any failure to comply with said conditions.

SECT. 10. No person shall ride or drive any beast of burden, carriage or draught, or shall propel or cause to be propelled any bicycle, tricycle, automobile or any vehicle whatsoever, at a rate of speed exceeding ten miles an hour, in or over any crossing in any public way.

SECT. 11. No person shall permit any team under his care or control to stand across any public way in such a manner as to obstruct the travel over the same for an unnecessary length of time; no person shall stop with any team in any public way so near to another team as to obstruct public travel; and no person shall stop with any team or carriage upon or across any crossing in any public way.

SECT. 12. No person shall drive or take charge of at the same time in any public way two or more vehicles drawn by horses or other beasts; or shall allow any vehicle belonging to him to be driven in any public way without some competent person in charge thereof.

SECT. 13. Whoever shall coast upon ice or snow on Adams Street, between Churchill's Lane and the line of the City of Boston, or upon any public way on which the Selectmen or Superintendent of Police shall by public notice have forbidden such coasting, and whoever shall drive, wheel or draw any coach, cart, wheelbarrow, handcart, velocipede, bicycle or any carriage of burden or pleasure, except children's carriages, or coast upon any sidewalk in the Town, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECT. 14. Whoever shall behave in an indecent or disorderly manner, or use profane, indecent, or insulting language in or upon any sidewalk, public way, or other public place, to the annoyance or disturbance of any other person there being or passing in a peaceable manner, shall forfeit and pay a sum not less than one dollar nor more than twenty dollars for each offence.

SECT. 15. Any person or persons who shall play or perform on any musical instruments, or sing, parade, march, or congregate in any public way or public place, except

in connection with a funeral, without the written permit of the Selectmen, shall forfeit and pay a sum not less than one dollar nor more than twenty dollars for each offence.

SECT. 16. Whoever shall be or remain on any doorstep, portico, or other projection from any house or building, or upon any wall or fence on or near any public way or public place, after being requested by the occupant of the premises or by any constable or police officer to remove therefrom, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECT. 17. No person shall throw stones, snowballs, sticks, or other missiles, or kick a football or play at any game in which a ball is used, or fly any kites or balloons, in any public way.

SECT. 18. Whoever shall affix, by paste or otherwise, any handbill, placard, notice, or advertisement, or paint, draw or stamp the same, or any marks or figures, to or upon any sign board of the Town, or to or upon any building, fence, wall, tree or structure, without the permission of the owner of such building, fence, wall, tree or structure, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence; and if such handbill, placard, notice, advertisement, mark, or figure be obscene or indecent, the penalty shall not be less than twenty dollars for each offence.

SECT. 19. Whoever shall undertake to enter a particular drain into a common sewer without a permit in writing from the Sewer Commissioners or without complying with the conditions and directions of such permit, shall forfeit and pay a sum not exceeding ten dollars.

SECT. 20. Whoever shall lead or cause to be led into any public way, or running stream, any drain or pipe from any house or other buildings whereby filthy water or other unclean matter may be emptied into or upon any such public way or running stream; and whoever shall throw, lead or discharge or cause to be thrown, led or discharged, into any public way, or running stream, any noxious or poisonous matter or substance, or any matter or substance which shall cause an offensive smell or odor, or which shall be destructive of, or injurious to, animal life, shall forfeit and pay a sum not less than five dollars nor more than twenty dollars.

SECT. 21. The Selectmen may grant licenses to use a certain portion of any public way as a carriage-stand, under such terms and conditions as they may prescribe; and no person shall use any portion of any public way as a carriage-stand for the solicitation of passengers for hire without a license from the Selectmen. But licenses shall not be confined to one person to the exclusion of other applicants, and shall be granted so as to allow competition and promote public convenience.

SECT. 22. No person shall distribute papers, circulars or advertisements through the Town or any portion thereof in such a manner as to make a litter or otherwise cause public annoyance.

SECT. 23. No person shall fire, discharge, explode or set off any gun, firearm, torpedo, fire-cracker or fire-works in such manner as to frighten any horse, or to disturb the peace or quiet of any neighborhood.

SECT. 24. No person shall wilfully deface or injure any public playground, planting space, flower bed, tree, shrub or grass border.

SECT. 25. No person shall own or keep a dog which by barking, biting, howling or in any other manner is disturbing the peace or quiet of any neighborhood.

SECT. 26. The Selectmen may license suitable persons to be dealers in and keepers of shops for the purchase, sale, or barter of junk, old metals, or second-hand articles, in the Town. They may also license suitable persons as junk collectors, to collect, by purchase or otherwise, junk, old metals, and second-hand articles from place to place in the Town; and they may provide that such collectors shall display badges upon their persons, or upon their vehicles, or upon both, when engaged in collecting, transporting, or dealing in junk, old metals, or second-hand articles; and may prescribe the design thereof. They may also provide that such shops and all articles of merchandise therein, and any place, vehicle or receptacle used for the collection or keeping of the articles aforesaid, may be examined at all times by the Selectmen or by any person by them authorized thereto. The aforesaid licenses may be revoked at pleasure, and shall be subjected to the provisions of Section 186 to 189 inclusive of Chapter 102 of the Revised Laws.

Whoever violates any provisions of Section 26 and 27 shall in cases not otherwise provided for, forfeit and pay for each offence a fine not exceeding twenty dollars.

SECT. 27. The Selectmen may order numbers to be affixed to or painted on the buildings on any street in their discretion. The owner of every house shall comply with such order within thirty days thereafter.

PROSECUTIONS AND PENALTIES

Except when otherwise provided by law, prosecutions for offences under the By-Laws of the Town may be made by any constable or police officer of the Town.

CHAPTER 7 AND 8

REVISED BY-LAWS

At the Annual Town Meeting in March 1932 it was voted:

"To amend Chapter 7 of the Revised By-Laws, entitled 'Construction and Inspection of Buildings', known as the Building Code, and Chapter 8 of the Revised By-Laws, entitled 'Regulation and Inspection of Plumbing', by striking out the entire chapters and inserting in place thereof the 'Proposed Building and Plumbing Laws'." The Building and Plumbing Laws thus adopted were approved by the Attorney General June 9, 1932 as shown in "Building and Plumbing Laws of the Town of Milton" now available in pamphlet form in the Selectmen's Office, and included in these By-Laws by reference thereto. The Building and Plumbing Laws became effective on October 15, 1932 by publication.

CHAPTER 9

STREET RAILWAYS

SECTION 1. The annual report shall contain the following concerning the street railways in the Town and the street railway companies owning or operating the same, viz:—

Copies or full statements of all locations granted to street railways during the preceding calendar year, with all the terms, conditions and modifications thereof, and the terms of any modifications granted during the year of locations previously granted.

A copy of all regulations in force as to the rate of speed, the mode, manner and extent of use of tracks, and the number and routes of cars of any and all such companies made by the Selectmen under the provisions of Sections 40 and 42 of Chapter 112 of the Revised Laws.

A statement of all taxes paid in the Town by street railway companies during the preceding calendar year, which by the terms of Section 47 of Chapter 14 of the Revised Laws are to be applied toward the construction, repair and maintenance of the public ways and removal of snow therefrom within the Town.

SECT. 2. Whenever the Selectmen are of the opinion that additional accommodations for the traveling public are required upon any street railway in the Town, and the company neglects or refuses to furnish the same at their request, it shall be their duty to petition the Board of Railroad Commissioners to order such additional accommodations to be provided under the terms of Section 70 of Chapter 112 of the Revised Laws.

CHAPTER 10

TOWN WAYS

SECTION 1. Every way that shall be laid out for the acceptance of the Town as a town way shall be not less than fifty feet in width, provided, however, that this section shall not prevent the layout of any way, which, prior to the time this amendment takes effect, shall have been duly approved by the Board of Survey. Provided, however, that upon written certification by the Board of Survey, in respect to the layout of a particular way, that the requirement of a width of fifty feet will cause practical difficulty or unnecessary hardship, such way, or ways, may be laid out less than fifty feet but not less than forty feet in width.

SECT. 2. If an existing private way the fee of which is in the abutters shall be laid out for the acceptance of the Town as a town way, such way shall not be accepted unless and until the Selectmen shall have certified in writing that such way is well built, and as constructed it is equal to the average construction of existing highways of the Town; provided, however, that this section shall not apply to ways laid out subject to the provisions of law relating to the assessment of betterments.

SECT. 3. Whenever any way shall have been laid out or altered by the Selectmen, and accepted and allowed by the Town, no entry for the purpose of constructing any part of such laying out or alteration shall be made until all claims for damages by reason thereof shall have been finally adjusted or determined, unless such entry shall be authorized by special vote of the Town.

CHAPTER 11

BILLBOARDS

SECTION 1. No person or corporation shall erect or maintain a billboard sign or other outdoor advertising device, except as provided in Section 32 of Chapter 93 of General Laws, on any location within three hundred feet of any public park or playground or Metropolitan Park or Parkway, if within public view from any portion of such parks, playgrounds, or parkways; or within three hundred feet of any other public way and within public view from any portion of the same, if such billboard, sign or device exceeds five feet in height or eight feet in length, and no billboard, sign or device placed within three hundred feet of any such public way and within public view shall be nearer than fifty feet to any other such billboard, sign or device; or at the corner of any public ways and within the radius of one hundred fifty feet from the point where the center lines of such ways intersect; or in any place unless the lowest portion of such billboard, sign or device is at least three feet from the ground, and the entire structure, including its braces and supports, is maintained in good repair, painted, and free from accumulation of rubbish and filth and from the pupae, eggs and caterpillars of gypsy and brown-tail moths and other tree and shrub destroying pests; provided that this section shall not apply to signs or other devices which advertise or indicate either the person occupying the premises in question or the business transacted thereon, or advertise the property itself or any part thereof if for sale or to let.

CHAPTER 12

USE OF BUILDINGS

SECTION 1. *Districts.*—A residence district is hereby created in the Town of Milton to be known as District A, the bounds of which shall be as set forth in the Zoning Map hereinafter in this By-Law referred to, the said district comprising all territory within the corporate limits of the Town of Milton, excepting the districts marked B and C on said Zoning Map, which are bounded and described as follows:

District B.—Beginning at a point in the boundary line between Milton and Quincy at the junction of the northeasterly side line of Bryant Avenue, and said boundary line: thence running northwesterly along said northeasterly boundary of Bryant Avenue to a point where the northwesterly side line of Martin Terrace extended northeasterly would intersect said line of Bryant Avenue: thence turning and running southwesterly along said extension of the northwesterly side line of Martin Terrace and said northwesterly side line itself to the end of said Martin Terrace at the land of L. A. Dame: thence turning to the right and running northwesterly along said land of L. A. Dame to the southeasterly side line of Boulevard Street: thence continuing in a northwesterly direction across said Boulevard Street to the intersection of the northwesterly side line of Boulevard Street with the southeasterly side line of Edge Hill Road: thence turning and running northeasterly and northerly along said southeasterly side line of Edge Hill Road and continuing northerly in the same line across Adams Street to the easterly boundary line of land of the New York, New Haven and Hartford Railroad Company: thence turning and running northwesterly along said easterly boundary line to a point where the southeasterly side line of Wood Street extended southwesterly would intersect said easterly boundary line: thence turning and running northeasterly along said southeasterly side line of Wood Street to a point distant 200 feet northeasterly from the northeasterly side line of Granite Avenue: thence turning at right angles and running southeasterly in line parallel with the northeasterly side line of Granite Avenue and 200 feet distant therefrom to a point distant 200 feet northerly from the northerly line of Adams Street: thence turning and running easterly in a line parallel with said northerly side line of Adams Street and distant 200 feet therefrom to the westerly side line of Church Street: thence turning and running southerly along the westerly side line of Church Street to a point where the westerly side line extended intersects the southerly side line of Adams Street: thence turning and running westerly to the westerly side line of Mechanic Street: thence turning and running southerly along the westerly side line of Mechanic Street 100 feet: thence turning to the right and running westerly on line parallel with the southerly side line of Adams Street and 100 feet distant therefrom to a point 100 feet northeasterly from the northeasterly side line of Granite Avenue: thence turning and running southeasterly in a line parallel with the northeasterly side line of Granite Avenue and 100 feet distant therefrom to the boundary line between Milton and Quincy: thence turning and running southwesterly along said boundary line to the point of beginning.

District C.—Beginning at a point in the boundary line between Milton and Boston at the Neponset River, said point being at the intersection of the southerly boundary of land of the New England Telephone and Telegraph Company extended easterly and said boundary line between Milton and Boston: thence running westerly along said extension of the southerly boundary line of the New England Telephone and Telegraph Company and said southerly boundary line itself, to the easterly side line of Adams Street; thence continuing in the same general westerly direction across Adams Street and Canton Avenue to a point 100 feet distant westerly from the westerly side of High Street extended: thence turning and running northerly parallel with the westerly side line of High Street and distant westerly 100 feet therefrom to the northerly side line of Eliot Street: thence turning and running westerly along said northerly side line of Eliot Street to Pine Tree Brook: thence turning and running along the center line of said Brook southerly and southwesterly to the southwesterly boundary of land of the Town of Milton used for a Police Station: thence turning and running northwesterly along the southwesterly boundary and southwesterly line extended across Central Avenue to land of Octavia L. Horne: thence turning and running in a general northerly direction along the westerly boundary line of land of said Octavia L. Horne, and said westerly boundary line extended to the northerly side line of Eliot Street: thence turning and running westerly along said northerly side line of Eliot Street to the westerly boundary of land now or formerly of the National Biscuit Company: thence turning and running along said westerly boundary and said westerly boundary produced across land of the New York, New Haven and Hartford Railroad Company to boundary line between Boston and Milton at the Neponset River: thence turning and running in a general easterly and southerly direction along said boundary between Boston and Milton to the point of the beginning.

SECT. 2. *Zoning Map.*—(a) The Zoning Map prepared by C. Frederick Joy, Jr. Civil Engineer, dated June 23, 1922, bearing the signatures of the Board of Selectmen and showing the boundaries of Districts A, B, and C, is declared to be a part of this By-Law.

(b) Where a boundary line divides a lot in a single ownership at the time of the adoption of this By-Law, the regulations as to District A shall not apply provided the lot does not extend more than twenty-five feet within the boundary line of said District A.

SECT. 3. *Residence Purposes.*—In District A, except as herein otherwise provided, no building shall be used, and no building shall be erected or altered which is intended or designed to be used for a store or shop, or for manufacturing or commercial purposes, or any other purpose except for one or more of the following:

- (a) A dwelling for one or more families.
- (b) A hotel or a lodging or boarding house.
- (c) A club other than a club the chief activity of which is a service customarily carried on as a business.
- (d) A church, school or academy.
- (e) Other purposes which are not particular industries, trades, manufacturing or commercial purposes.
- (f) A railroad passenger station.
- (g) A farm, truck garden, nursery or greenhouse.
- (h) An accessory purpose customarily incident to the above purposes and not detrimental to the use of other property in the district for the above purposes, including a private garage for not more than two automobiles. An accessory purpose shall not include an advertising sign except a real estate sign advertising for sale or rent the property on which it is placed, but may include a sign not over one square foot in area, bearing a name and the designation of any authorized occupation, and being such a sign as is customary on any building used for the purposes permitted by this section of this By-Law.
- (i) A garage for more than two automobiles, or a telephone exchange or transforming station, provided in each case that after a public hearing, fourteen days' notice of which shall be given, in such manner as the *Selectmen shall rule that such use in a building or buildings located, designed and constructed as described by them in their ruling, will not be seriously detrimental to the use of other property in the district for the purpose specified in the preceding paragraphs of the section, and provided that the use is confined to a building or buildings conforming to the description of said ruling.

SECT. 3A. *Location of Buildings in District A.*—After this section shall be duly adopted by the Town and become effective pursuant to law, in District A,

1. Set-back: No part of a building except steps, and eaves not exceeding 18" wide, shall be built within 15 feet of the sideline of the street on which it fronts, provided that no building need be set back more than the average of the set-back of the buildings on the lot next thereto on either side, a vacant lot or a lot occupied by a building set back more than 15 feet being considered as occupied by a building set back 15 feet and provided further that on a lot less than 100 feet deep of record in the Registry of Deeds at the time this section becomes effective no building need be set back more than 15 per cent of the depth of the lot, and provided that in such cases exceptions shall be permissible as in the case of buildings to which the 15 foot set-back applies.

2. Rear Yards: No part of the building except steps, and eaves not exceeding 18" wide shall be built within 25 feet or a distance equal to one-quarter of the mean depth of the lot, whichever is the less, from the rear lot line, provided that for each foot that the building sets back from the front line in addition to the requirements in the preceding paragraph its distance from the rear lot line may be reduced one foot, but in no case under this provision to less than 20 feet, excepting that buildings of accessory use as defined in Section 3, paragraph (h) may be built within said twenty-five foot or lesser strip.

3. Side Yards: No part of the building except steps, chimneys, and eaves not exceeding 18" wide, and buildings of accessory use as defined in Section 3, paragraph (h) shall be built within 8 feet of a side line on a lot or street, provided that the width of one side yard may be reduced one foot for each foot that the width of the other side yard is increased, but no side yard shall be reduced to less than six feet, and provided further that on no lot of record in Registry of Deeds at the time this section becomes effective, shall the buildable width, with the same permissible exceptions, be reduced to less than 25 feet.

4. Garages: No part of a garage, unless contained within the body of the house, shall be built within 40 feet, or a distance equal to 40 per cent of the mean depth of the lot, whichever is the less, from the front line of the lot, or within 15 feet of a street line forming the side line of a corner lot.

5. Area: No dwelling, exclusive of piazzas, eaves, and steps, shall occupy more than one-third of the lot on which it is placed, and no building other than a dwelling shall occupy more than one-half of the lot on which it is placed, except that on corner lot an additional area of 400 square feet may be occupied, however, subject to the requirements contained in all other paragraphs of this section.

6. No lot shall be so reduced in area that the dimensions of the open spaces thereon shall be smaller than herein prescribed.

7. No building shall be built within 16 feet of any other building on the same lot excepting buildings of accessory use as defined in Section 3, paragraph (h).

SECT. 3B. *Single Family Dwellings.*—After this section shall be duly adopted by the Town and shall become effective pursuant to law, no dwelling shall be erected in District A which is intended or designed to be other than a single family detached dwelling, and no building shall be altered so as to be or become a dwelling other than a single family detached dwelling, and no building erected or altered in violation hereof, shall be used as a dwelling provided, however, that a building may be used, erected or altered which is intended or designed to be used as a dwelling for not more than two families on any lot if, at the time this section becomes effective—

1. It is between two lots on which are buildings designed for occupation by two or more families each, located on the same side of the street and less than 100 feet apart, or if

2. The majority of all the frontage on the same street as the lot on a street or streets in substantially direct continuation thereof and within 300 feet of the site of the proposed building is occupied by buildings designed for two or more families each or side yard adjacent thereto, no such side yard to exceed 10 feet width, all frontage between buildings designed for two or more families and less than 100 feet apart being considered as occupied by dwellings for two families.

SECT. 3C. *Validity.*—The invalidity of Section 3A or Section 3B, or any provision of said Sections, shall not affect the validity of any other Section or provision of said Sections, and said Sections shall affect the provisions of Chapter 12 in force when this amendment becomes effective only so far as said Sections are inconsistent therewith and valid.

SECT. 3D. So much of this amendment as is approved by the Attorney General shall go into effect upon its publication, or notice by delivery, as required by law.

SECT. 4. *Existing Buildings.*—Any building or part of a building in District A which at the time of adoption of this By-Law is being used for a purpose forbidden in said District may continue to be used for the same purpose or for a purpose not substantially different in character. Any such building or part of a building and any addition thereto made by permission of the *Selectmen as hereinafter provided may be structurally altered or added to at any time provided the alterations or additions do not substantially enlarge the part of the building used for such purpose; and any such building or part of a building or such addition which is partially or wholly destroyed by fire or other casualty may be repaired or replaced by a structure of substantially the same size and character and used for the purpose for which it was formerly used or for a purpose not substantially different in character.

Any such building may be added to or enlarged at any time and such addition or enlargement used for the purpose for which the original building may lawfully be used under the provisions of the foregoing paragraph of this section provided in each case that after a public hearing, of which fourteen days' notice shall be given in such manner as the *Selectmen may decide, the *Selectmen shall determine that such addition or enlargement and the use to be made thereof will not to any substantial extent be more detrimental to the use of other property in the district for the purposes permitted in Section 3 than the building to which such addition or enlargement is to be made or the use then lawfully made thereof, and shall issue a permit therefor. Each such permit issued by the *Selectmen shall specify the size and character of the addition or enlargement and no such addition or enlargement shall be constructed or used for any purpose forbidden in District A which is not constructed in accordance with the terms of such permit.

SECT. 5. *Incidental Use of Residential Buildings.*—Any building in District A designed solely for residential purposes, and used primarily and principally for residential purposes, may be used incidentally for a purpose forbidden in said District, provided, in each case, that after a public hearing, of which fourteen days' notice shall be given in such manner as the *Selectmen may decide, the *Selectmen shall determine that the use of such building is incidental only, within the meaning hereof, and that such incidental use will not be detrimental to the use of other property in the district for the purposes permitted in Section 3, and shall issue a permit therefor.

SECT. 6. *Enforcement.*—Whoever violates any of the provisions of this By-Law shall be punished by a fine of not more than twenty dollars for each violation. Upon any well founded information from any citizen that this By-Law is being violated or upon his own initiative, the Inspector of Buildings shall take immediate steps to enforce the By-Law.

SECT. 7. *Validity.*—The invalidity of any section or provision of this By-Law shall not invalidate any other section or provision hereof.

SECT. 8. The provisions of this By-Law shall be construed as being additional to and not as limiting or lessening to any extent whatsoever the requirements of Chapters 7 and 8 of the Revised By-Laws of the Town.

SECT. 9. So much of this By-Law as is approved by the Attorney-General shall go into effect upon its publication, or notice by delivery, as required by law.

***Note: Amendment in March 1933 Town Meeting Warrant proposes substituting Board of Appeal for Selectmen.**

CHAPTER 13 PLANNING BOARD

1988517

A Board consisting of five members is hereby created and established, to be known as the Planning Board. At the annual town meeting to be held in March, 1923, there shall be elected one member of such Board to serve for one year, two members to serve for two years, and two members to serve for three years, and thereafter there shall be elected at the annual meeting in each year one or two members to such Board to fill the places of members whose terms of office expire in such year. The members of such Board shall serve without pay.

The Board shall perform the duties prescribed by Sections 70 and 71 of Chapter 41 of the General Laws. It shall be the duty of the Board also to consider and advise upon municipal improvements in regard to which the advice of the Board, at any time, may be asked by any officials of the Town. The Board may upon its own initiative make to any official or officials of the Town such recommendations in regard to municipal improvements as the Board may from time to time think proper or expedient.

LEGISLATIVE ACTS ACCEPTED BY THE TOWN OF MILTON

MARCH 19, 1866. *Voted*, To establish a high school, according to the provisions of Section 2 of Chapter 38 of the General Statutes. (Repealed, 1898, Chapter 496, Section 36.)

MARCH 2, 1874. *Voted*, To accept the provisions of Chapter 265 of the Acts of 1873, relative to public landing places in the town of Milton. (Special Act.)

MARCH 4, 1878. *Voted*, To accept the provisions of Sections 23 to 32 of Chapter 24 of the General Statutes, relative to the establishment of a board of fire engineers. (General Laws, Chapter 48, Section 45.)

MARCH 3, 1879. *Voted*, To accept the provisions of Section 21 of Chapter 38 of the General Statutes, relative to the election of School Committee. (General Laws, Chapter 41, Section 1.)

DECEMBER 8, 1879. *Voted*, To accept the provisions of Section 1 of Chapter 234 of the Acts of 1878, relative to truants and neglected children. (Repealed, 1919, Chapter 363, Section 16.)

MARCH 7, 1881. *Voted*, To accept the act of the Legislature, Chapter 158 of the Laws of 1871, entitled, "An Act to Provide for the Election of Road Commissioners." (General Laws, Chapter 41, Section 1.)

MARCH 5, 1883. *Voted*, To accept the provisions of Section 10 of Chapter 48 of the General Statutes, relative to truants and neglected children. (Repealed, 1898, Chapter 496, Section 36.)

MARCH 3, 1890. *Voted*, To accept the first nine sections of Chapter 51 of the Public Statutes, said Chapter being entitled, "Of Betterments and other Assessments on Account of the Cost of Public Improvements." (General Laws, Chapter 80.)

FEBRUARY 12, 1891. *Voted*, To accept the act authorizing towns and cities to lay out public parks within their limits; being Chapter 154 of the Acts of 1882. (General Laws, Chapter 45, Sections 1 to 11.)

MARCH 2, 1891. *Voted*, To accept the provisions of Chapter 386 of the Acts of 1890, relative to the election of town officers. (Repealed 1893, Chapter 417, Section 345.)

FEBRUARY 3, 1894. *Voted*, That the town does hereby accept the provisions of Section 268 of Chapter 417 of the Acts of 1893, relative to the election of a separate Board of Assessors. (General Laws, Chapter 41, Section 1.)

NOVEMBER 28, 1894. *Voted*, To accept the provisions of Chapter 324 of the Acts of 1894, entitled an "Act Relative to the Reservation of Spaces in Public Ways." (General Laws, Chapter 82, Section 34.)

MARCH 4, 1895. *Voted*, That the town hereby accepts the provisions of Chapter 309 of the Acts of 1885, authorizing towns to license groves to be used for picnics and other lawful amusements. (General Laws, Chapter 140, Sections 188 to 190.)

MARCH 4, 1895. *Voted*, To accept the provisions of Section 272 of Chapter 417 of the Acts of 1893, relative to the election of Sewer Commissioners. (General Laws, Chapter 41, Section 1.)

MARCH 4, 1895. *Voted*, To accept the provisions of Chapter 462 of the Acts of 1893, relative to the establishment of a building line on Public Ways. (Repealed, Acts of 1917, Chapter 344, Part 8, Section 1.)

MARCH 4, 1895. *Voted*, To accept the provisions of Chapter 218 of the Acts of 1894 as amended by Chapter 473 of that same year, relative to the election of Boards of Health in towns. (General Laws, Chapter 41, Section 1.)

MARCH 4, 1895. *Voted*, To accept the provisions of Sections 20 and 21 of Chapter 50 of the Public Statutes, relative to the establishment and grading of sidewalks by the Selectmen. (General Laws, Chapter 83, Section 25.)

MARCH 4, 1895. *Voted*, To accept the provisions of Chapter 304 of the Acts of 1895, authorizing the town of Milton to construct one or more systems of sewerage. (Special Act.)

MARCH 1, 1897. *Voted*, To accept the provisions of Chapter 101 of the Public Statutes relative to the suppression of common nuisances. (General Laws, Chapter 139.)

MARCH 7, 1898. *Voted*, To accept the provisions of Section 11 of Chapter 481 of the Acts of 1894, relative to the regulation and inspection of buildings. (General Laws, Chapter 143, Section 3.)

MARCH 5, 1900. *Voted*, To accept the provisions of Chapter 344 of the Acts of 1899, relative to eight-hour day for town employees. (General Laws, Chapter 149, Section 31.)

MARCH 3, 1902. *Voted*, To accept the provisions of Section 18 of Chapter 122 of the Revised Laws (General Laws, Chapter 166, Section 32), relative to the appointment of an Inspector of Wires by the Selectmen.

JULY 14, 1902. *Voted*, To accept the provisions of Chapter 307 of the Acts of 1902, relative to water supply. (General Laws, Chapter 92, Section 10.)

AUGUST 16, 1902. *Voted*, To accept the provisions of Sections 58 to 64, inclusive, of Chapter 48 of the Revised Laws, relative to the jurisdiction of towns over highways and county bridges. (General Laws, Chapter 82, Sections 17 to 20.)

MARCH 2, 1903. *Voted*, To accept the provisions of Sections 20 and 21 of Chapter 25 of the Revised Laws, relative to public baths. (General Laws, Chapter 40, Section 12.)

MARCH 2, 1903. *Voted*, To accept the provisions of Section 339 of Chapter 11 of the Revised Laws, relative to the election of Overseers of the Poor. (General Laws, Chapter 41, Section 1.)

MARCH 7, 1904. *Voted*, To accept the provisions of Section 70 of Chapter 75 of the Revised Laws, relative to privy vaults. (General Laws, Chapter 111, Section 126.)

MARCH 6, 1905. *Voted*, To accept the provisions of Chapter 103 of the Revised Laws, relative to the supervision of plumbing. (General Laws, Chapter 142.)

JULY 21, 1905. *Voted*, To accept the provisions of Chapter 381 of the Acts of 1905, relative to the suppression of gypsy and brown-tail moths. (General Laws, Chapter 132.)

MARCH 1, 1909. *Voted*, To accept the provisions of Chapter 476 of the Acts of 1908, relative to vacations for members of the Police Department. (General Laws, Chapter 92, Section 62, and Chapter 147, Sections 14 and 17.)

MARCH 8, 1910. *Voted*, To accept the provisions of Section 43 of Chapter 49 of the Revised Laws, relative to the grading and construction of sidewalks. (General Laws, Chapter 83, Section 25.)

MARCH 6, 1911. *Voted*, To accept the provisions of Section 359 of Chapter 560 of the Acts of 1907, relative to the election of Moderators. (General Laws, Chapter 41, Section 1.)

MARCH 6, 1911. *Voted*, To accept the provisions of Section 362 of Chapter 560 of the Acts of 1907, relative to the election of four constables. (General Laws, Chapter 41, Section 1.)

NOVEMBER 7, 1911. *Voted*, To accept the provisions of Chapter 634 of the Acts of 1911, relative to the establishment by counties of the retirement system for employees. (General Laws, Chapter 32.)

MARCH 4, 1912. *Voted*, To accept the provisions of Chapter 146 of the Acts of 1911, relative to the establishment of an Art Commission. (General Laws, Chapter 41, Sections 82 to 84.)

MARCH 4, 1912. *Voted*, To accept the provisions of Chapter 468 of the Acts of 1911, relative to the extension of Civil Service Acts to Chiefs of Police. (General Laws, Chapter 31, Section 49.)

MARCH 4, 1912. *Voted*, To accept the provisions of Chapter 314 of the Acts of 1911, relative to the expending of money by the School Committee for the supervision of sports. (General Laws, Chapter 71, Section 47.)

MARCH 4, 1912. *Voted*, To accept the provisions of Chapter 367 of the Acts of 1911, relative to the use of school halls for other than school purposes. (General Laws, Chapter 71, Section 71.)

NOVEMBER 5, 1912. *Voted*, To accept the provisions of Chapter 503 of the Acts of 1912, relative to the pensioning of laborers in the employ of the town. (General Laws, Chapter 32, Section 77.)

MARCH 3, 1913. *Voted*, To accept the provisions of Chapter 327 of the Acts of 1904, relative to the pensioning of permanent members of the Police and Fire Departments. (General Laws, Chapter 32, Section 85.)

MARCH 3, 1913. *Voted*, To accept the provisions of Chapter 498 of the Acts of 1908, relative to the pension funds for teachers in the public schools. (General Laws, Chapter 32, Section 42.)

MARCH 3, 1913. *Voted*, To accept the provisions of Chapter 635 of the Acts of 1912, relative to tenement house regulation. (General Laws, Chapter 145.)

MARCH 3, 1913. *Voted*, To accept the provisions of Chapter 191 of the Acts of 1907, relative to the establishment of a Board of Survey. (General Laws, Chapter 41, Sections 73 to 81.)

NOVEMBER 4, 1913. *Voted*, To accept the provisions of Chapter 807 of the Acts of 1913, relative to the compensation of certain employees for injuries sustained in the course of their employment. (General Laws, Chapter 152, Section 69.)

MARCH 2, 1914. *Voted*, To accept the provisions of Chapter 807 of the Acts of 1913, relative to workmen's compensation. (General Laws, Chapter 152, Section 69.)

MARCH 2, 1914. *Voted*, To accept the provisions of Section 42 of Chapter 514 of the Acts of 1909 as amended by the provisions of Chapter 494 of the Acts of 1911, relative to the eight-hour day for city and town employees. (General Laws, Chapter 149, Sections 30 to 33.)

NOVEMBER 3, 1914. *Voted*, To accept the provisions of Chapter 217 of the Acts of 1914, relative to vacations for town laborers. (General Laws, Chapter 41, Section 111.)

MARCH 13, 1915. *Voted*, To accept the provisions of Chapter 296 of the Acts of 1913, relative to the appointment of a Bird Warden. (General Laws, Chapter 131, Section 76.)

MARCH 10, 1917. *Voted*, To accept the provisions of Chapter 15 of the Special Acts of 1917, revoking the reservation of space for use of street railway on Blue Hill Avenue. (Special Act.)

MARCH 2, 1918. *Voted*, To accept the provisions of Chapter 140 of the Acts of 1917, amending Chapter 291 of the Acts of 1916, relative to the tenure of office of Chiefs of Fire Departments in the Metropolitan Fire Prevention District. (General Laws, Chapter 48, Section 58.)

MARCH 2, 1918. *Voted*, To accept the provisions of Chapter 575 of the Acts of 1913, relative to the furnishing of lunches for school children. (General Laws, Chapter 71, Section 72.)

MARCH 9, 1918. *Voted*, To accept the provisions of Chapter 305 of the Special Acts of 1917, relative to the management of the property received under the terms of the will of Edwin W. Wadsworth. (Special Act.)

MARCH 8, 1919. *Voted*, To accept the provisions of Chapter 293 of the Acts of 1916, relative to the licensing of motor vehicles carrying passengers for hire. (General Laws, Chapter 159, Sections 45 and 46.)

MARCH 8, 1919. *Voted*, To accept the provisions of Chapter 17 of the Special Acts of 1919, relative to the payment of an annuity to Catherine M. Moran. (Special Act.)

MARCH 8, 1919. *Voted*, To accept the provisions of Chapter 16 of the Special Acts of 1919, relative to the payment of an annuity to Katherine K. McDermott.

MARCH 13, 1920. *Voted*, To accept the provisions of Chapter 186 of the Acts of 1907, relative to the pensioning of widows and children of members of the Police and Fire Departments. (General Laws, Chapter 32, Section 88.)

MAY 3, 1920. *Voted*, To accept the provisions of Chapter 240 of the Acts of 1920, relative to sports and games on the Lord's Day. (General Laws, Chapter 136, Sections 21 to 28.)

NOVEMBER 2, 1920. *Voted*, To accept the provisions of Chapter 166 of the Acts of 1920, relative to the granting of one day off in every eight days to police officers without loss of pay. (General Laws, Chapter 147, Sections 16 and 17.)

MARCH 12, 1921. *Voted*, To accept the provisions of Section 25A of Chapter 41 of the General Laws, relative to the appointment and renewal of Assistant Assessors by the Assessors.

MARCH 3, 1923. *Voted*, To accept the provisions of Chapter 516 of the Acts of 1922 relative to the adoption of the State accounting system.

JUNE 12, 1923. *Voted*, To accept the provisions of Section 20 of Chapter 39 of the General Laws, relative to precinct voting.

MARCH 8, 1924. *Voted*, To accept the provisions of Chapter 26 of the Acts of 1923, relative to Boards of Public Welfare.

MARCH 8, 1924. *Voted*, To accept the provisions of Chapter 337 of the Acts of 1921, relative to the pensioning of call men.

MARCH 8, 1924. *Voted*, To accept the provisions of Chapter 391 of the Acts of 1923, relative to the collection of water rates.

MARCH 14, 1925. *Voted*, To accept Chapter 9 of the Acts of 1925, authorizing the retirement and pensioning of John H. Higgins of the Police Department.

MARCH 5, 1927. *Voted*, To accept Chapter 27 of the Acts of 1927, an act to erect and constitute in the Town of Milton representative town government by limited town meetings.

MARCH 10, 1928. *Voted*, To accept the provisions of Sections 42, 43 and 44 of Chapter 48 of the General Laws to establish a Fire Department to be under the control of an officer to be known as the Chief of the Fire Department.

MILTON TOWN RECORDS IN THE MUNICIPAL YEAR 1932

1932

MARCH MEETING WARRANT

COMMONWEALTH OF MASSACHUSETTS

NORFOLK, SS.

*To any Constable of the Town of Milton, in said County,
Greetings:*

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Milton, qualified to vote in Elections and in Town affairs, to meet at the several designated Polling Places in their respective Precincts in said Milton, to wit:

In Precinct 1—Polling Place, Town Hall, Canton Avenue,
In Precinct 2—Polling Place, Tucker School Hall, Blue Hills Parkway,
In Precinct 3—Polling Place, Police Station, Central Avenue,
In Precinct 4—Polling Place, Belcher School, Church Street.

on Saturday, March fifth next, at fifteen minutes before six o'clock in the forenoon, then and there to bring in to the Precinct Officers of their respective Precincts their votes on one ballot respectively for the following named Town Officers, to wit:

A Moderator for the term of one year.
A Town Clerk for the term of one year.
A Town Treasurer for the term of one year.
A Collector of Taxes for the term of one year.
Three Selectmen and Surveyors of Highways for one year term.
One Assessor for the term of three years.
Two members of the Board of Public Welfare for the term of three years.
One Sewer Commissioner for the term of three years.
A Tree Warden for the term of one year.
Two Members of the School Committee for the term of three years.
One Member of the Board of Health for the term of three years.
One Trustee of the Cemetery for the term of five years.
Three Library Trustees for the term of three years.
One Library Trustee for the term of two years to fill vacancy.
One Park Commissioner for the term of three years.
One Water Commissioner for the term of three years.
One Trustee of the Wadsworth Fund for the term of three years.
Two Members of the Planning Board for the term of three years.
Four Constables for the term of one year.
Eighty-six Town Meeting Members as follows:

Precinct 1—Sixteen for three years. One for two years to fill vacancy.
Precinct 2—Thirty for three years. Two for two years to fill vacancy. One for one year to fill vacancy.
Precinct 3.—Ten for three years.
Precinct 4.—Twenty-five for three years. One for one year to fill vacancy.

For these purposes the polls will be open at each and all of said Precincts at fifteen minutes before six o'clock in the forenoon and will be closed at four o'clock in the afternoon.

And thereupon, by adjournment of said meeting, to meet on the following Saturday, to wit, March twelfth next, at thirty minutes past one o'clock in the afternoon at the Town Hall in said Milton, then and there to act upon the following articles, to wit:

Adjourned Meeting, March 12, 1932

Town Meeting Members Present 228; Town Meeting Members Absent 22.

Upon calling the meeting to order Moderator Pierce asked that all stand for a brief interval in memory of four Town Meeting members—Louis V. Gosselin, Horace F. Nason, Peleg Bronsdon, James J. English—also Clerk of the Selectmen, Joseph H. Duffy, and former Chief of Police Maurice Pierce, who had died since the last annual meeting. He spoke a few words of eulogy.

ARTICLE 1. To choose all such Town Officers as are not required by law to be chosen by ballot.

The following officers were elected *viva voce*, namely:

Ralph E. Forbes	Bird Warden
George E. Burt	Measurer of Lumber
Carl R. Horne	Measurer of Lumber

ARTICLE 2. To hear and act upon the report of the Town Accountant and reports of other Town Officers and Committees.

Voted, That the report of the Town Accountant be accepted and placed on file.

The following statement was read by the Moderator:

Milton, Mass., March 12, 1932.

STATEMENT ISSUED BY DIRECTORS OF THE BLUE HILL BANK & TRUST COMPANY

Irregularities in the handling of seven accounts at the Blue Hill Bank & Trust Company were discovered a short time ago. An audit of the bank was immediately commenced by expert accountants retained by the Directors. Apparently there is a shortage of about \$18,000 as to which the bank is amply covered by insurance. The bank will make good the deficiency in these accounts. The Treasurer of the bank has resigned.

STATEMENT ISSUED BY TOWN TREASURER

As this is the article under which reports are submitted to the Town, I should like to make a statement at this time, as a matter of clearness, in regard to one item in the treasurer's report, on page 192 of the Town Report.

The Treasurer's report is made up in the form approved by the State Accountants. The item about the middle of the page, dated December, 1931, "cash on hand, \$16,945.25, includes a deposit of \$10,265.99 in the Federal National Bank, so that the whole of that item is not available to the town as cash. Other matters concerning the administration of the Treasurer's office will be taken up under Article 4.

(Signed) MAURICE A. DUFFY,
Treasurer.

REPORT OF THE LEGISLATIVE COMMITTEE

March 1, 1932.

The Legislative Committee has examined all bills submitted to the 1931 Legislature, and has referred to the Board of Selectmen such bills as seemed to need action with the recommendation of your committee.

The Town has been represented at hearings by the Legislative Counsel.

Respectfully submitted,
LINCOLN BRYANT,
Chairman of the Committee.

Voted, That the above report of the Legislative Committee be accepted and placed on file.

ADDITIONAL REPORT FOR THE YEAR 1931, OF SAMUEL H. WOLCOTT, THEODORE T. WHITNEY, JR. AND LINCOLN BRYANT, TRUSTEES OF THE WADSWORTH FUND

The Trustees were authorized at the Town Meeting for 1931, to take proceedings in court to determine whether, under the provisions of the Edwin D. Wadsworth will, the Town would be authorized to deliver the funds to the Milton Hospital and Convalescent Home under an arrangement which contemplated that this corporation would add a certain amount of its funds to the Wadsworth Fund, and would raise \$75,000 by subscription, for the purpose of building a hospital.

The Trustees made some preparations for bringing the suit contemplated. In the fall of 1931, however, they were advised by the Hospital corporation that its officers did not think it at all wise to attempt to raise money at the present time.

As the raising of funds was a necessary part of the plan which was to be presented to the Supreme Court for its consideration, the Trustees decided that proceedings had better not be taken this year.

Respectfully submitted,
LINCOLN BRYANT,
THEODORE T. WHITNEY, JR.,
S. H. WOLCOTT,
Trustees of the Wadsworth Fund.

Voted, That the above report on the Wadsworth Fund be accepted and placed on file.

REPORT OF THE COMMITTEE ON "BUILDING LAWS"

January 11, 1932.

The Committee, after study, reached the conclusion that the Town's present Building Law was inadequate for existing and future needs. The existing By-Law was passed in 1902 and has had no thorough revision since that date.

Existing and anticipated advances in engineering and manufacturing science, new methods of building construction, and the greatly increased growth of the Town in the past twenty years, has led the Committee to believe that a more modern By-Law was desirable.

The Committee has therefore prepared a proposed new By-Law and has caused it to be inserted in the March, 1932, Warrant for the Town's consideration. The committee recommends the repeal of the existing By-Law and the enactment of this proposed new one. It feels that by so doing the Town will be in a better position to prevent undesirable construction methods and to promote modern, sanitary and safe building without unduly restricting the rights of individual builders, or materially affecting the present cost of construction.

Respectfully submitted,
JOSEPH D. LELAND,
Chairman.

Voted, That the above report on the Building Laws be accepted and placed on file.

Voted, That the report of the School Survey Committee, as printed in pamphlet, be accepted and the committee discharged.

COMMITTEE ON SCHOOL HOUSE ACCOMMODATIONS

The Committee on School House Accommodations in the Mattapan District, believing that no useful purpose will be served by its continued existence, requests that it be discharged.

(Signed) CHARLES M. ROGERSON,
Chairman.

Voted, That the above report on School House Accommodations be accepted and the committee discharged.

COMMITTEE'S REPORT ON PLAYGROUND REQUIREMENTS

November 12, 1931.

*To the Honorable Board of Selectmen
and Warrant Committee of Milton,
Gentlemen:*

At the March, 1931, Town Meeting it was voted under Article 61 that a committee consisting of the Park Commission and the Planning Board should study the Playground requirements in the East Milton section of the Town and report to the Board of Selectmen and Warrant Committee not later than December 1, 1931.

The Committee respectfully present the following report:

The 64,900 square feet of land described in Article 61 is not in the market, having been divided into house lots, sold, and partially built upon.

It was the unanimous opinion that the Town now owns land in the East Milton section adequate for playground purposes. Also that the East Milton Playground lying between Adams Street and Squantum Street, now owned by the Town, as requirement-develop could and should be improved. This playground at the present is so far out-rivalled by the Cunningham Park facilities that it is very little used.

The parcel of land comprising 11.2 acres lying within the boundaries of Granite Place, Bates Road and Belcher Circle, being a park known as Crane Field, was acquired by the Town in 1913 for \$13,000 and had betterment charges of approximately \$2,000 collected from owners of the adjoining properties. Other than as an open plot little use of this holding has been made for the past nineteen years. If demand for Playground opportunities for little children under ten years becomes necessary in future years, we believe that authority could be obtained to provide a Playground in the center of this Park. Properly screened by shrubbery and enclosed by wire fence, supplied with sand boxes and appropriate utilities and sanitary conveniences together with attractive landscaped grounds the somewhat bleak spot could be converted into an attractive plot. As an alternative to the most ideal of Play Places, namely the home yard, we hope that Crane Field may serve the Town more noticeably in years hence than in the past.

We are impressed by the suggestion of utilizing the Belcher School yard for July and August, under a paid supervisor, with a small equipment, such as sand box covered with awnings, etc., and access to the drinking water and toilet in the basement of Belcher School.

This use of school yards would permit Milton to furnish the coming generations with the opportunities for outdoor activities which the older generations enjoyed in years gone by when building was less intensive and we feel merits an interested co-operation from the School Department and the citizens at large.

No appropriation is recommended in this report.

Signed:

WILLIAM G. RODD, *Chairman*,
GEORGE OWEN, JR.,
JOHN F. KERRIGAN,
Park Commission.

JAMES S. RUSSELL, *Chairman*,
DAVID A. HEFFERNAN,
FRED N. RUSSELL,
ALFRED J. ELLSWORTH,
JAMES F. BALLARD,
Planning Board.

Voted, That the above report on Playground Requirements be accepted and the committee discharged.

ARTICLE 3. To see if the Town will vote to instruct the Moderator to appoint a committee of seven citizens which shall study the wages and salaries paid in all departments of the Town and report its findings and recommendations regarding such wages and salaries at the next Annual Meeting or at a special meeting called for the purpose, and appropriate money for the use of said committee, and act upon anything relating thereto.

Voted, To authorize the Moderator to appoint a committee of seven citizens to study the wages and salaries paid in all departments and that the Committee be requested to report at a special meeting called for the purpose, not later than June 1st, 1932, and that the sum of \$100 be appropriated for the purposes of said committee.

(Voted by Roll Call, 114 Voting Yes, and 113 Voting No)

COMMITTEE

Frank E. Wheatley
William Chesworth

Frank M. Curtis
Joseph R. Goostray
Frank Ross

John J. Regan
Reginald L. Robbins

GENERAL GOVERNMENT

ARTICLE 4. To see what sum of money the Town will vote to appropriate for General Government for salaries and expenses of the following departments, and other purposes the present year, and for unpaid bills of 1931.

Voted, That the following amounts be so appropriated;

1. Warrant Committee	\$600.00
2. Selectmen	5,000.00
Including salaries of \$500 for each Selectman.	
3. Accountant	2,600.00
4. Town Engineer	18,302.00
5. Assessors	9,350.00
Including \$2,800 salaries: Chairman \$1,200, 2nd and 3rd members \$800 each.	
6. Treasurer	3,500.00
Including \$2,200 salary.	
7. Collector	4,800.00
Including \$2,500 salary.	
8. Town Clerk	1,830.00
Including \$500 salary.	
9. Election and Registration.	6,700.00
10. Law	6,050.00
Of this amount \$50 is for unpaid bills.	
11. Town Hall and Lot	4,200.00
12. Thacher Building	2,800.00
13. Insurance	11,924.50
14. Town Reports	2,500.00
15. Licensing Commission for one and two-car garages	150.00
16. Planning Board	200.00
Total Appropriation Voted under this Article	\$80,506.50

ARTICLE 5. To see what sum of money the Town will vote to appropriate for the Reserve Fund for extraordinary or unforeseen expenditures during the current year.

Voted, To appropriate the sum of \$24,000 for the Reserve Fund for extraordinary or unforeseen expenditures during the current year, it being understood that of this amount the sum of \$15,000 is appropriated to cover extraordinary expenses which may be incurred by Town Departments in the effort to lessen unemployment in the Town; and it is further *Voted* to request the heads of departments to pay a maximum wage of not over \$3.20 per day for eight hours when any part of this sum of \$15,000 is used for relieving unemployment in the Town.

ARTICLE 6. To see what sum of money the Town will vote to authorize the Assessors to use out of the Excess and Deficiency Account in fixing the tax rate for 1932.

Voted, No authorization to the Assessors to use money from the Excess and Deficiency Account, in fixing the tax rate for 1932.

ARTICLE 7. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money in anticipation of the revenue of the financial year ending December 31, 1932.

Voted, That the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow to an amount not to exceed \$650,000 in anticipation of the revenue of the financial year ending December 31, 1932, and to issue a note or notes therefor payable within one year from the date thereof, and that any debt or debts incurred under this vote be paid from the revenue of the financial year ending December 31, 1932.

(Unanimous Vote)

ARTICLE 8. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow on and after January 1, 1933, in anticipation of the revenue of the financial year ending December 31, 1933.

Voted, That the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow on and after January 1, 1933, to an amount not to exceed \$200,000 in anticipation of the revenue of the financial year ending December 31, 1933, and to issue a note or notes therefor, and that any debt or debts incurred under this vote be paid from the revenue of the financial year ending December 31, 1933.

(Unanimous Vote)

ARTICLE 9. To see if the Town will vote to authorize the Collector of Taxes to use all means of collecting taxes which a Town Treasurer when appointed Collector, may use.

Voted, To authorize the Collector of Taxes to use all means of collecting taxes which a Town Treasurer when appointed Collector, may use.

ARTICLE 10. To see if the Town will vote to authorize the Selectmen to employ counsel to represent the Town at hearings before committees of the General Court.

Voted, To authorize the Selectmen to employ counsel to represent the Town at hearings before Committees of the General Court.

(Unanimous Vote)

ARTICLE 11. To see if the Town will vote to authorize the Moderator to appoint a committee of five citizens to consider such proceedings of the Legislature and State Boards, and Commissions as may affect the interests of the Town, and confer as they may think expedient with the Selectmen in regard to the employment of counsel to represent the Town in any such proceedings; such committee to hold office for the calendar year next following its appointment, to have full power to fill vacancies in its own number, and to report to the Town at the Town Meeting next following the close of its term of office.

Voted, That the Moderator be authorized to appoint a committee of five citizens to consider such proceedings of the Legislature and State Boards and Commissions as may affect the interests of the Town, and confer as they may think expedient with the Selectmen in regard to the employment of counsel to represent the Town in any such proceedings; such committee to hold office for the calendar year next following its appointment, to have full power to fill vacancies in its own number, and to report to the Town at the Town Meeting next following the close of its term of office.

COMMITTEE

Lincoln Bryant

John J. Moore

Felix Rackemann

Kenneth D. Johnson

George F. Moulton

PROTECTION OF PERSONS AND PROPERTY

ARTICLE 12. To see what sum of money the Town will vote to appropriate for the Protection of Persons and Property the present year.

Voted, To appropriate the following sums:

1. Police Department	\$83,284.00
Of which \$1,160 is for replacement and new equipment, and \$200 for the necessary expenses of officers and employees of the Department incurred outside the Commonwealth in securing information on matters in which the Town is interested, or which may tend to improve the service of the Department.	
2. Fire Department	57,000.00
3. Hydrant Service	21,595.00
4. Wire Department	8,825.00
5. Tree Warden Department:	
For Public Work	8,700.00
For Private Work	3,000.00
6. Moth Department:	
For Public Work	4,700.00
For Private Work	2,500.00
7. Street Lighting	29,907.80
8. Additional Street Lights	750.00
9. Building Inspector	3,542.00
10. Sealer of Weights and Measures	500.00
\$224,303.80, Total amount voted under this article.	

HEALTH AND SANITATION

ARTICLE 13. To see what sum of money the Town will vote to appropriate for Health and Sanitation the present year, and for unpaid bills of 1930.

Voted, To appropriate the following sums:

1. Health—General	\$7,900.00
(Inspector of Slaughtering, no salary.)	
2. Dental Dispensary for Schools	500.00
3. Inspection of Animals	300.00
4. Vital Statistics	750.00
5. Sewer Maintenance	4,000.00
Unpaid Bill, 1930	434.84
<i>Voted</i> , To request the Sewer Commissioner and the Selectmen to co-operate in an endeavor to consolidate all Sewer Engineering work under the direction of the Town Engineer.	
6. Maintenance and Repairs of Norfolk County Hospital.	9,948.59
7. Tuberculosis Clinic	700.00
Total Amount voted under this Article	\$24,533.43

ARTICLE 14. To see what sum of money the Town will appropriate for the disposal of garbage, ashes and other refuse and offal, for the present year.

Voted, To appropriate the sum of \$23,520 for the disposal of garbage, ashes and other refuse and offal, for the present year.

ARTICLE 15. To see what sum of money the Town will vote to appropriate for the Water Department for the present year, to be expended by the Board of Water Commissioners and act on anything relating thereto.

Voted, To appropriate the sum of \$53,398.39 to be taken from balance of water receipts accumulated as of December 31, 1931, and the further sum of \$115,000 for the use of the Water Department the current year, to be expended by the Water Commissioners pursuant to the provisions of the Acts of 1902, Chapter 307, and Acts in amendment thereof and in addition thereto, said expenditures to include payment of the Metropolitan water assessment, the retirement of Bonds due in 1932, the interest on bonds and notes outstanding in Town of Milton water loans, \$2,500 for new equipment, and other expenditures authorized under this Act.

ARTICLE 16. To see what sum of money not exceeding \$100,000, the Town will vote to raise and appropriate under the provisions of Section 8 of Chapter 44 of the General Laws for the installation of water mains of not less than six inches but less than sixteen inches in diameter, and act upon anything relating thereto.

Voted, That the Treasurer be and he hereby is authorized in the name and behalf of the Town and under authority granted in, and in compliance with, the provisions of Section 8 of Chapter 44 of the General Laws and other acts applicable thereto to borrow a sum not exceeding \$50,000, the same to be expended by the Board of Water Commissioners for the extension of water mains of not less than six inches in diameter but less than sixteen inches in diameter, and to issue bonds of the Town not exceeding said sum. Said bonds shall bear on their face the words "Town of Milton Water Loan," and shall be payable as required by said Section 8 of Chapter 44 of the General Laws, so that the whole loan shall be paid in not more than fifteen years from their date, or at such earlier dates as the Treasurer and the Water Commissioners may determine. They shall be sold at not less than par value thereof, from time to time, by the Treasurer. Each bond shall be subject to registration as to principal, and may be exchanged in compliance with the statutory provisions for a registered certificate representing an equivalent obligation for principal and interest. The coupon bonds shall not be obligatory without the authenticated certificate of the First National Bank of Boston thereon.

(Unanimous Vote)

ARTICLE 17. To see what sum of money the Town will vote to expend for the construction of sewers for sanitary purposes and for sewage disposal and to raise and appropriate money for the same.

Voted, To appropriate the sum of \$17,500 for the construction of sewers for sanitary purposes and for sewage disposal; and that to meet said appropriation there be raised in the tax levy of the current year the sum of \$8,500 and that the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the sum of \$9,000 and to issue bonds or notes of the Town therefor, said bonds or notes to bear on their face the words "Town of Milton Sewer Loan, 1932" and to be payable in accordance with the provisions of Section 19 of Chapter 44 of the General Laws, so that the whole loan shall be paid in not more than twelve years from the date of the first bond or note, or such earlier dates as the Treasurer or Selectmen may determine. Each bond shall be in coupon form and shall be subject to registration as to principal and may be exchanged in compliance with the statutory provision for a registered certificate representing an equivalent obligation for principal and interest. The coupon bonds shall not be obligatory without the authenticated certificate of the First National Bank of Boston thereon.

(Unanimous Vote)

HIGHWAYS

ARTICLE 18. To see what sum of money the Town will vote to appropriate for the Street Department the present year.

Voted, To appropriate the following sums:

- | | |
|---|--|
| 1. General Expense | \$90,000.00 |
| Of which \$2,700 is for replacement of equipment. | |
| 2. Permanent Construction | 20,565.00 |
| 3. Sidewalks | 8,000.00 |
| 4. Private Work | 3,000.00 |
| 5. New Equipment | <i>Voted</i> , To make no appropriation. |

\$121,565.00 Total Amount voted under this article.

ARTICLE 19. To see what sum of money the Town will vote to appropriate for the drainage of public streets the ensuing year.

Voted, That the sum of \$35,489 be appropriated for the drainage of public streets the ensuing year.

ARTICLE 20. To see if the Town will vote to adopt Parkway Crescent and its extensions from Audubon Road to Blue Hills Parkway as a Town way as laid out by the Selectmen under laws authorizing the assessment of betterments, and to raise and appropriate money for the same, and act upon anything relating thereto.

See Vote under Article 25.

ARTICLE 21. To see if the Town will vote to accept a part of Audubon Road running from the west line of Harold Street to the west line of Grove Street as a Town way, as laid out by the Selectmen under the laws authorizing the assessment of betterments, and to raise and appropriate money for the same, and to act upon anything relating thereto.

See Vote under Article 25.

ARTICLE 22. To see if the Town will vote to accept Pilgrim Road as a Town way as laid out by the Selectmen under the laws authorizing the assessment of betterments, and to raise and appropriate money for the same, and to act upon anything relating thereto.

See Vote under Article 25.

ARTICLE 23. To see if the Town will vote to accept Milton Street as a Town way as laid out by the Selectmen under the laws authorizing the assessment of betterments, and to raise and appropriate money for the same, and to act upon anything relating thereto.

See Vote under Article 25.

ARTICLE 24. To see if the Town will vote to accept Johnson Street as a Town way as laid out by the Selectmen under the laws authorizing the assessment of betterments, and to raise and appropriate money for the same, and to act upon anything relating thereto.

See Vote under Article 25.

ARTICLE 25. To see if the Town will vote to accept Bradford Road as a Town way as laid out by the Selectmen under the laws authorizing the assessment of betterments, and to raise and appropriate money for the same, and to act upon anything relating thereto.

Voted, Under Articles 20, 21, 22, 23, 24 and 25 to accept the following streets as Town ways as laid out by the Selectmen under the law authorizing the Assessment of Betterments, and that appropriations for said streets be made as follows:

Parkway Crescent	\$11,456.60

Cary Avenue Construction	492.65
Cedar Terrace Construction	772.00
Hillcrest Road Construction	1,730.40
Meagher Avenue Construction	1,865.05
Petersburg Avenue Construction	1,777.51
Pond Street Construction	47.09
West Street Construction	877.48
Windsor Road Construction	337.71
						<hr/>
						\$11,702.95

At 6.06 P.M. the Meeting adjourned until the following Saturday, March 19, 1932, at 1.30 P.M.

Second Adjourned Meeting, Saturday, March 19, 1932, 1.30 p.m.

Town Meeting Members Present 208, Town Meeting Members Absent 43.

ARTICLE 26. To see if the Town will vote to accept the relocation and alteration of Granite Place and Adams Street at their junction, as laid out by the Selectmen, and to raise and appropriate money therefor, and to act upon anything relating thereto.

Voted, To accept the re-location and alteration of Granite Place and Adams Street at their junction, as laid out by the Selectmen, and to raise and appropriate \$1,400 therefor.

ARTICLE 27. To see if the Town will vote to accept the re-location and alteration of Centre Street near the junction of Gun Hill Street, as laid out by the Selectmen, and to raise and appropriate money therefor, and act upon anything relating thereto.

Voted, That the Town do not so vote.

ARTICLE 28. To see if the Town will vote to accept the relocation and alteration of Brook Road and Adams Street at their junction, as laid out by the Selectmen, and to raise and appropriate money therefor, and to act upon anything relating thereto.

Voted, To accept the relocation and alteration of Brook Road and Adams Street at their junction, as laid out by the Selectmen, and raise and appropriate the sum of \$282.00 for land damages.

ARTICLE 29. To see if the Town will vote to construct a granolithic sidewalk on the northerly side of Brook Road from Blue Hills Parkway to Central Avenue and to raise and appropriate money therefor.

Voted, That the Town do not so vote.

ARTICLE 30. To see if the Town will vote to accept Thompson Lane, running from Brook Road to Reedsdale Road, as a Town way as laid out by the Selectmen, and act upon anything relating thereto.

Voted, To accept Thompson Lane, running from Brook Road to Reedsdale Road, as a Town way as laid out by the Selectmen.

ARTICLE 31. To see if the Town will vote to discontinue as a Town way, a certain parcel of land at the junction of Brush Hill Road and Blue Hill Avenue, bounded and described as follows:

Beginning at a point in the northwesterly side line of Blue Hill Avenue, said point being distant 138.20 feet northeasterly from a stone bound in said northwesterly side line at land now or formerly of Sarah P. O'Connell, thence running northwesterly and bearing westerly on a curve having a radius of 10.73 feet, 30.35 feet to the southeasterly side line of Brush Hill Road; thence running north 51° 30' east, 68 feet to a point; thence running south 33° 33' 40" west, 68 feet to the point of beginning. Containing 584 square feet.

Said premises are shown on a plan entitled "Copy of Plan by W. W. Churchill—January, 1925—titled: 'Plan Showing Alteration and Widening of the Southeasterly side line of Brush Hill Road near its Intersection with the Northwest Side Line of Blue Hill Avenue, in the Mattapan Section of Milton, Mass., as Received for Record, January 26, 1925, by G. Frank Kemp, Town Clerk,'" made by Forrest J. Maynard, Town Engineer, dated December 24, 1931, and on file in the Office of the Town Clerk. and act on anything relating thereto.

See Vote under Article 32.

ARTICLE 32. To see if the Town will vote to accept as a Town way, the relocation and alteration of Brush Hill Road and Blue Hill Avenue, at the junction thereof, as relocated and altered by the Board of Selectmen, and to appropriate money therefor, and act on anything relating thereto.

Voted, That the subject matter under Articles 31 and 32 be referred back to the Selectmen for report at a subsequent Town Meeting.

ARTICLE 33. To see what sum of money the Town will vote to appropriate for the care and maintenance of Granite Avenue Bridge over the Neponset River, under Chapter 58, General Acts of 1915.

Voted, That the sum of \$4,898.69 be appropriated for the care and maintenance of Granite Avenue Bridge over the Neponset River, under Chapter 58, General Acts of 1915.

PUBLIC WELFARE

ENTERPRISES AND CEMETERIES

ARTICLE 46. To see what sum of money the Town will vote to appropriate for the improvement of the Cemetery the present year.

Voted, to appropriate the sum of \$18,500 for the improvement of the Cemetery the present year.

INTEREST AND MATURING DEBT

ARTICLE 47. To see what sum of money the Town will vote to appropriate for Interest and Maturing Debt the present year.

Voted, To appropriate the following sums:

1. Interest	\$45,447.50
2. Maturing debt appropriation from Tax Levy	82,948.33
By transfer from Bond Premium account	1,051.67

ARTICLE 48. To see if the Town will vote to transfer the following unexpended balances to the Excess and Deficiency Account, and act upon anything relating thereto:

Blue Hills Parkway Special Drainage	\$223.36
Granite Avenue—State Land Damage Awards.	54.95
Bassett Street Construction and Damages	289.42
Adams Street Bridge Repairs.	1,894.00
Relocation and alteration of Pleasant Street at Brook Road.	1,051.38
Alteration of Washington Street at junction of Adams Street	6.10

Voted, To transfer the following unexpended balances to the Excess and Deficiency Account.

Blue Hills Parkway Special Drainage	\$223.36
Granite Avenue—State Land Damage Awards.	54.95
Bassett Street Construction and Damages	289.42
Adams Street Bridge Repairs.	\$1,894.00
Relocation and alteration of Pleasant Street at Brook Road.	1,051.38
Alteration of Washington Street at junction of Adams Street	6.10

ARTICLE 49. To see what sum of money the Town will appropriate for office and administration expenses for the Unemployment Committee appointed by the Selectmen in 1931, for the present year.

Voted, To appropriate the sum of \$100 for office and administration expenses for the Unemployment Committee appointed by the Selectmen in 1931, for the present year.

ARTICLE 50. To see if the Town will vote to authorize the appointment of a committee which shall have authority to consider the need for additional schoolhouse accommodations, and to appropriate the sum of Three Thousand Dollars (\$3000) to defray the expenses of such Committee, said Committee to report to the Selectmen in writing not later than December 1, 1932, and act upon anything relating thereto.

Voted, That the Moderator appoint a Committee of five to study the need for additional schoolhouse accommodations, and that the sum of \$100 be appropriated for the expenses of said Committee; the Committee to report its recommendations to the Selectmen and Warrant Committee not later than December 1, 1932, or to make a preliminary report at the Special Meeting to be called not later than June 1, 1932 as voted under Article 3 of this Warrant.

COMMITTEE

Howard E. Murphy
Arthur W. Vose

Thomas M. Gibbons

Jessica M. Scammell
Donald C. Watson

ARTICLE 51. To see if the Town will vote to increase the number of members of the School Committee from six to seven, so that there shall be elected at the Annual Meeting to be held in March, 1933, three members of said Committee to hold office for three years, and thereafter members of the School Committee shall be elected as the terms of members expire.

Voted, That the Town do not so vote.

ARTICLE 52. To see if the Town will accept the legacy under the will of Mary E. Lamson, late of Boston, Massachusetts, as follows:

"6. All my books to the Town of Milton, Massachusetts, for its Public Library in memory of my father, Joseph E. Whitcher, and my mother, Barbara A. Whitcher and my sister, Olive A. Whitcher."

and act on anything relating thereto.

Voted, To accept the legacy under the will of Mary E. Lamson, late of Boston, Massachusetts, as follows:

"6. All my books to the Town of Milton, Massachusetts, for its Public Library in memory of my father, Joseph E. Whitcher, and my mother, Barbara A. Whitcher and my sister, Olive A. Whitcher."

ARTICLE 53. To see if the Town will vote to instruct the Moderator to appoint a committee of three citizens to study and report upon the provisions of Chapter 307 of the Acts of 1902, relative to water supply, said committee to report in writing to the Water Commissioners and the Board of Selectmen a summary of its findings and recommendations not later than January 2, 1933, and appropriate money for the use of the committee.

Voted, That the Moderator appoint a committee of three citizens to study and report upon the provisions of Chapter 307 of the Acts of 1902, relative to water supply, said committee to report in writing to the Water Commissioners and the Board of Selectmen a summary of its findings and recommendations not later than January 2, 1933.

*Marcy L. Sperry

William B. Crosby

Felix Rackemann

ARTICLE 54. To see if the Town will vote to revoke in whole or in part, any or all of the reserved spaces established under Acts of 1895, Chapter 121, in the following streets:

Adams Street, Eliot Street, Central Avenue, Reedsdale Road, (formerly White Street) Reedsdale Road, Reedsdale Road (formerly Quarry Street) Pleasant Street, Edge Hill Road, Boulevard Street, Bryant Avenue, Brook Road and Randolph Avenue; and act on anything relating thereto.

*Resigned. John P. Ilsley appointed to fill vacancy.

Voted, To revoke the reserved spaces established under Acts of 1895, Chapter 121, in the following streets:

Adams Street, Eliot Street, Central Avenue, Reedsdale Road, (formerly White Street) Reedsdale Road, Reedsdale Road (formerly Quarry Street) Pleasant Street, Edge Hill Road, Boulevard Street, Bryant Avenue, Brook Road and Randolph Avenue.

ARTICLE 55. To see if the Town will vote to revoke or discontinue the trolley car reservations in Central Avenue and Edge Hill Road and to designate or establish portions thereof as reserved spaces, and to act upon anything in relation to said trolley car reservations.

Voted, That the Town do not so vote.

ARTICLE 56. To see what action the Town will take toward reconstructing Central Avenue, Pleasant Street and Edge Hill Road and appropriate money for the same.

Voted, That the Town take no action.

ARTICLE 57. To see if the Town will vote to amend Chapter 6 of the Revised By-Laws in section 23 thereof by adding thereto substantially the following:

Nor shall any person fire, discharge, explode or set off any fireworks between sunset on any day and the hour of 9.00 A.M. on the succeeding day, specifically including said hours on the Fourth of July, the 17th of June and all other holidays, except common illuminating fireworks which produce light or color without detonation and do not contain picric acids, picrates, phosphorous, fulminates or any highly explosive substance or compound.

Voted, That the Town do not so vote.

ARTICLE 58. To see what sum the Town will vote to appropriate for the purchase of knock-down bleachers for the Brook Road playground.

Voted, That no appropriation be made for the purchase of knock-down bleachers for the Brook Road playground.

ARTICLE 59. To see if the Town will vote to have Article No. 14 in the 1931 Warrant changed in wording so as to include in its interpretation of the words, refuse and offal, to include grass and other garden combings and Christmas trees.

Voted, That the Town do not so vote.

ARTICLE 60. To see if the Town will vote to prescribe terms, conditions and regulations relative to the connection of private drains with the south metropolitan sewerage system in the following form, or in such form as the Town may decide, and act on anything relating thereto, to wit:

Terms, conditions and regulations relative to the connection of private drains with the metropolitan sewer, under General Laws, Chapter 92, Section 2.

1. No building or structure shall be directly or indirectly connected with the south metropolitan sewer by a private drain except upon payment of the following charges:

For buildings having a fair market value when completed of \$5,000 or less \$50.00

Of more than \$ 5,000 and not more than \$10,000	60.00
Of more than 10,000 and not more than 15,000	75.00
Of more than 15,000 and not more than 20,000	100.00
Of more than 20,000 and not more than 30,000	125.00
Of more than 30,000 and not more than 45,000	150.00
Of more than 45,000 and not more than 60,000	200.00
Of more than 60,000 and not more than 75,000	250.00
Of more than 75,000	300.00

The fair market value shall be determined by the Board of Sewer Commissioners.

2. Any person who desires to connect a private drain with the main sewer of the south metropolitan sewer, within the Town, or to connect a building or structure with a private drain already connected with such sewer, shall make written application to the Board of Sewer Commissioners, stating the location of the private drain, the size

and description thereof, and a description of the property intended to be served by such private drain.

3. The Board of Sewer Commissioners may from time to time adopt and establish such other regulations not inconsistent herewith, relating to the connection of private drains with said metropolitan sewer, as to such Board shall seem advisable.

4. Amounts payable hereunder may be divided into not more than ten annual installments, provided that the applicant shall, in writing, request division of the same before the issuance of the permit, as hereinafter provided, said installments to be payable as follows: First installment upon issuance of the permit hereunder, and thereafter one installment on or before October first in each calendar year following the year in which the first installment was paid.

5. The Board of Sewer Commissioners may issue permits for the connection of private drains with the metropolitan sewer as aforesaid, and no person shall connect a private drain with such sewer, or shall connect a building or structure with a private drain already connected with such sewer, until after such permit has been issued to him, and after compliance with the terms herein set forth, and with any regulations made hereunder by the Board of Sewer Commissioners.

6. After issuance of a permit, no private drain connected with said metropolitan sewer thereunder, shall be used to serve any property other than the property described in the permit, except upon further application and a new permit issued thereunder.

7. Permits hereunder shall be issued conditional on the compliance with the provisions hereof and with the regulations from time to time adopted and established by the Sewer Commissioners, and conditional on the payment of installments when due, and upon any failure to comply with the provisions hereof or with the said regulations of the Board of Sewer Commissioners, or upon failure to pay any installment when due, the Board of Sewer Commissioners may revoke such permit and cause the private drain to be disconnected from the said metropolitan sewer, and may enter any land upon which such private drain is constructed, for the purpose of discontinuing the same.

8. Persons to whom permits are issued shall agree in writing upon said permit, to comply with the aforesaid terms, conditions and regulations, and regulations adopted from time to time by the Board of Sewer Commissioners.

9. These terms, conditions and regulations shall stay in effect until revoked, altered or amended by the Town.

Voted, That the Town do not so vote.

ARTICLE 61. To see what sum of money the Town will appropriate for the payment of damages to Lavina Magee in connection with land taken and construction in connection with Bassett Street as laid out by the Selectmen and accepted by vote of the Town at the Annual Meeting in March, 1928.

Voted, That the Town make no appropriation.

ARTICLE 62. To see what sum of money the Town will appropriate for the payment of damages to Flora M. Babcock and Martha E. Babcock, *et als*, in connection with Bassett Street, as laid out by the Selectmen and accepted by the vote of the Town at the Annual Meeting in March, 1928, and act upon anything relating thereto.

Voted, To appropriate \$1,000 for the payment of damages to Flora M. Babcock and Martha E. Babcock, et als, as laid out by the Selectmen and accepted by the vote of the Town at the Annual Meeting in March, 1928.

ARTICLE 63. To see what sum of money the Town will appropriate for the payment of damages to Flora M. Babcock and Martha E. Babcock in connection with the easement taken by the Board of Sewage Commissioners for sewage disposal and sanitary and surface drainage purposes under authority of a vote at the Special Town Meeting, June 30, 1928, and act upon anything relating thereto.

Voted, That the Town make no appropriation.

ARTICLE 64. To see if the Town will vote to amend Chapter 7 of the Revised By-Laws, entitled "Construction and Inspection of Buildings," known as the Building Code, and Chapter 8 of the Revised By-Laws, entitled "Regulation and Inspection of Plumbing,"

by striking out the entire chapters and inserting in place thereof the "Proposed Building and Plumbing Laws" recommended by the Committee appointed under Article 80 of the Warrant of the March Town Meeting of 1930, printed copies of which are distributed to the citizens of the Town with this Warrant as part hereof, subject to such amendments as the Town may make.

Voted, To amend Chapter 7 of the Revised By-Laws, entitled "Construction and Inspection of Buildings," known as the Building Code, and Chapter 8 of the Revised By-Laws, entitled "Regulation and Inspection of Plumbing," by striking out the entire chapters and inserting in place thereof the "Proposed building and Plumbing Laws" recommended by the committee appointed under Article 30 of the Warrant of the March Town Meeting of 1930, with the following amendments:

1. Page 6. Change Section III (A) (g) now reading houses four (4) stories, so that it shall read "Houses two and one-half ($2\frac{1}{2}$) stories.

2. Insert on page 7 as Section III. A 5 (b): The Building Inspector shall have power in his discretion to waive any or all requirements of this code (other than those also contained in any statute of the Commonwealth) in the case of small dairy rooms, root cellars, poultry houses, farm and storage sheds, and other similar small structures to be so located on the owner's property as not to menace the property of another.

3. Page 19, Paragraph 15—Continuous Beams: Change the formula third line from the bottom from $\frac{w1^3}{8}$ to $\frac{w1^3}{8}$ so that it will read . . .

"that the negative moments specified above bear to $w1^2$.

4. Page 20, first line: Change the formula $w1^3$ to $w1^2$ so that this shall read ". . . shall be designed for bending moments at the ends equal to $\frac{w1^2}{12}$.

5. Page 23, first line: Omit the words "seven-eighths" so that this line will read: ". . . and a depth equal to the depth of footing from top to center of reinforcing steel."

6. Page 23, paragraph 12: Dropped Panel: Next to the last sentence: Omit the sentence now reading, "The allowable unit shear to be used shall be that specified for punching shear elsewhere in those regulations" and insert "The allowable punching shear over edge of capital shall not exceed six (6%) per cent and at the edge of the drop panel shall not exceed three (3%) per cent of the compressive strength fixed by these regulations."

(Unanimous Vote)

Boston, Mass., June 9, 1932.

The foregoing building and plumbing laws are hereby approved with the exception of:

Section I (C),
 " XV (A) 1, as indicated,
 " XVI (A) 2, " "
 " XVII (A) 7, " "

which are hereby disapproved,

JOSEPH E. WARNER,
Attorney General.

October 27, 1932.

Acting under the new By-Laws of the Town, the Moderator appoints the following as a Board of Appeal:

George S. Murray, to serve until the March Meeting of 1933.

Fred N. Russell, to serve until the March Meeting of 1934.

Oscar W. Haussermann, to serve until the March Meeting of 1935.

ARTICLE 65. To see if the Town will vote to instruct the Moderator to appoint a committee of three citizens to study the general question of fire protection in the Town particularly with respect to the necessity for a new fire house in East Milton and additional fire fighting equipment, the installation of sprinkler systems in Town buildings

and other details, said committee to report its findings to the Board of Selectmen and the Warrant Committee not later than December 1, 1932, and appropriate money for the use of the committee.

Voted, That the Moderator appoint a committee of three citizens to study the general question of fire protection in the Town particularly with respect to the necessity for a new fire house in East Milton and additional fire fighting equipment, the installation of sprinkler systems in Town buildings, and other details, said committee to report its findings to the Board of Selectmen and the Warrant Committee not later than December 1, 1932, and to appropriate the sum of \$100 for the uses of this committee.

COMMITTEE

Frank M. Eshleman

Ernest E. Erickson

Howard S. Patterson

ARTICLE 66. To see if the Town will purchase a ladder truck equipped with a five hundred gallon pump and a booster tank to be stationed in East Milton, and appropriate the sum of Ten Thousand Dollars (\$10,000) for the purpose.

Voted, That the Town do not so vote.

ARTICLE 67. To see if the Town will vote to increase the Fire Department by two new members of each platoon.

Voted, That the Town do not so vote.

ARTICLE 68. To see if the Town will vote to accept Section 100-A of Chapter 41 of the General Laws, as contained in Acts of 1931, Chapter 458, Section 4, for the indemnification of officers or employees of the Town for expenses or damages incurred in defence or settlement of claims on account of the operation of motor vehicles owned by the Town.

Voted, That the Town do not so vote.

ARTICLE 69. To see what sum of money the Town will appropriate for effecting insurance for municipal officers and employees against loss by reason of liability to pay damages for bodily injuries caused by the operation of motor vehicles owned by the Town, under the provisions of Clause 1 of Section 5, of Chapter 40 of the General Laws as amended by Statutes of 1931, Chapter 458, Section 3.

Voted, That the Town make no appropriation.

ARTICLE 70. To see if the Town will vote to accept Chapter 41, Section 103, of the General Laws; authorizing the establishment of a Purchasing Department in the Town, and to appropriate money for the same.

Voted, That the Town do not so vote.

ARTICLE 71. To see if the Town will vote to require all Town Departments to advertise in the public press for bids on proposed expenditures of Ten Hundred Dollars, (\$1000) or over, said bids to be publicly opened subsequently, and the award made to the lowest bidder demonstrating responsibility to fill the contract.

Voted, That the Town do not so vote.

ARTICLE 72. To see what action the Town will take toward acquiring Turner's Pond and the adjacent land in the Turner Estate and raise and appropriate money for the same.

Voted, That the Town looks with favor on the acquisition of Turner's Pond and the adjacent land in the Turner Estate if such acquisition can be accomplished without expense to the Town, but not otherwise; and that with this understanding the subject matter of this Article is referred to the Planning Board for investigation and report to the Selectmen and the Warrant Committee, not later than January 1, 1933.

ARTICLE 73. To see what action the Town will take with respect to proposals for the the formation of a Greater Boston as described in the Beale Plan or any other plan presented to the General Court this year.

Voted, as follows: Resolved that the inhabitants of the Town of Milton are unalterably opposed to the surrender of their municipal independence as guaranteed by the Constitution of the Commonwealth, and are equally opposed to the so-called "Beale Plan," (House Bill 564) or to any other legislation which would or might be construed or accepted as a first step in the direction of merging the Town in any manner or to any extent in the City of Boston, or any plan of an enlarged metropolitan Boston which would include the Town of Milton.

ARTICLE 74. To see if the Town will vote to rescind the authorization of Water Loan Bonds as follows:

1931 Authorization—\$25,000.

Voted, To rescind the authorization of Water Loan Bonds as follows:

1931 Authorization—\$25,000.

At the close of the meeting the following resolution was offered by Mr. Felix Rackemann—that a Vote of thanks be extended to an excellent Warrant Committee.

And you are directed to warn said inhabitants qualified as aforesaid to meet at the times and places and for the purposes herein mentioned, by posting attested copies of this Warrant in each of the post offices of said Town fourteen days at least, before said fifth of March, and leaving printed copies thereof at the dwelling houses of said Town at least four days before said date.

Hereof fail not, and make due return of this Warrant with your doings thereon to the Town Clerk, on or before said fifth of March, next.

Given under our hands at Milton, the sixteenth day of February, nineteen hundred and thirty-two.

(Signed) LAURENCE B. FLINT,
GEORGE S. MURRAY,
JOSIAH BABCOCK,
Selectmen of Milton.

Commonwealth of Massachusetts

Norfolk ss.

February 25, 1932. 5 P.M.

Pursuant to the within warrant I have notified the inhabitants of the Town of Milton as within directed to meet at the time and places and for the purposes therein mentioned by posting attested copies of the same in the post offices of the Town and leaving copies at the dwellings of the inhabitants.

(Signed) JAMES R. TRAVERS,
Constable of Milton.

March 19, 1932, at 5.45 P.M.

Voted, That the Meeting be dissolved.

The foregoing meeting was opened March 5, 1932, at 5.45 A.M., by the Wardens in the several precincts.

ATTEST,

G. FRANK KEMP,
Town Clerk.

WARRANT COMMITTEE

The following citizens were appointed by the Moderator as a Warrant Committee for the ensuing year in accordance with Chapter 2 of the Revised By-Laws, viz.:

Kenneth D. Johnson
Alfred Beck, Jr.
Elizabeth H. Cox
Philip S. Dalton
William R. Driver

William F. Dugan
James S. Gallagher
John F. Gould
James T. Keating
Cornelia L. Lunt

Howard E. Murphy
Percy E. Sheldon
J. Arthur Spencer
Elmer E. Wadsworth
Thomas F. White

APRIL PRIMARIES

1932

WARRANT

Commonwealth of Massachusetts:

To any of the Constables of the Town of Milton in said County,

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton qualified to vote in elections and in town affairs, to meet at the several designated polling places in their respective precincts in said Milton, to wit:

- In Precinct 1—Polling Place, Town Hall, Canton Avenue,
- In Precinct 2—Polling Place, Tucker School, Blue Hills Parkway,
- In Precinct 3—Polling Place, Milton Police Station, Central Avenue,
- In Precinct 4—Polling Place, Belcher School, Church Street,

on Tuesday, the Twenty-sixth day of April, 1932, at 4 o'clock in the afternoon, for the following purposes:

To bring in their votes to the Primary Officers for the Election of Candidates of Political Parties for the following offices:

- 4 Delegates at Large to the National Convention of the Republican Party.
- 4 Alternate Delegates at Large to the National Convention of the Republican Party.
- 12 Delegates at Large to the National Convention of the Democratic Party.
- 12 Alternate Delegates at Large to the National Convention of the Democratic Party.
- 2 District Delegates to the National Convention of the Republican Party. 13th Congressional District.
- 2 Alternate District Delegates to the National Convention of the Republican Party. 13th Congressional District.
- 2 District Delegates to the National Convention of the Democratic Party. 13th Congressional District.
- 2 Alternate District Delegates to the National Convention of the Democratic Party. 13th Congressional District.

The Polls will be open from 4 o'clock P.M. to 9 o'clock P.M.

And you are directed to warn said inhabitants qualified as aforesaid to meet at the times and places and for the purposes herein mentioned by posting attested copies of this warrant in each of the Post Offices of said Town at least fourteen days, and by leaving printed copies thereof at the dwelling houses in the town at least four days, before the day of said meeting in said several precincts.

Hereof fail not, and make due return of this warrant with your doings thereon to the Town Clerk, on or before said April 26th next.

Given under our hands at Milton, this seventh day of April, nineteen hundred and thirty-two.

GEORGE S. MURRAY
JOSIAH BABCOCK
WM. B. THURBER

Selectmen of Milton.

Milton, Mass., April 12, 1932.

This is to certify, That I have this day posted attested copies of this Warrant in the Post Office in Milton and the Post Office in East Milton.

(Signed) JOHN B. SHIELDS,
Constable of Milton.

Commonwealth of Massachusetts

Norfolk ss.

Milton, Mass., April 21, 1932.

Pursuant to the within warrant I have notified the inhabitants of the Town of Milton as within directed to meet at the time and places and for the purposes therein mentioned by leaving attested copies of the same at the dwellings of the inhabitants.

(Signed) WILLIAM B. LADD,
Constable of Milton.

MAY SPECIAL MEETING

1932

WARRANT

COMMONWEALTH OF MASSACHUSETTS

NORFOLK, ss:

To any Constable of the Town of Milton, in said County,

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton qualified to vote in Town affairs to meet at the Town Hall in said Milton upon Saturday, the twenty-eighth day of May next, at thirty minutes past one o'clock in the afternoon, then and there to act upon the following articles, to wit:

ARTICLE 1. To see if the Town will authorize and direct the Board of Selectmen to favor the general plan at present being developed by the post office authorities in Washington and the Postmaster in Boston for a consolidation of the several post offices (Milton, East Milton, Mattapan, Hyde Park and Readville) through which mail matter (often delayed) reaches the inhabitants of the Town, and thus establish for all the inhabitants of the Town a single uniform post office address of "Milton, Massachusetts" and that an attested copy of this vote be sent to Hon. Richard B. Wigglesworth, M.C.

Voted, The Special Town Meeting held on May 28, 1932 authorizes the Board of Selectmen, on behalf of the Town, to impress upon the post office authorities in Washington and the Postmaster in Boston the wish of the inhabitants of the Town that every economical effort be made to centralize postal delivery service in Milton, so that there may be established for all the inhabitants of the Town a single uniform post office address of "Milton, Massachusetts," but that the Town, although desiring such improved facilities, hereby declares that it does not urge the construction of a Federal Building in Milton in these days of serious economic depression, but rather it urges upon the Federal Government, through its Member in Congress, the adoption of every wise governmental economy and the speedy balancing of the Federal Budget to the end that the confidence of the people of this Nation may be restored, and that an attested copy of this Vote be sent to Hon. Richard B. Wigglesworth, M.C.

ARTICLE 2. To see what sum of money the Town will vote to appropriate for schools for unpaid bills of 1931.

Voted, To appropriate the sum of \$413.65 for schools for unpaid bills of 1931.

ARTICLE 3. To see what sum of money the Town will vote to appropriate for unpaid bills on account of Vocational Education under provision of General Laws, Chapter 74, and act upon anything relating thereto.

Voted, To appropriate the sum of \$202.26 for unpaid bills of 1931 and the sum of \$90.00 for unpaid bills of 1930.

ARTICLE 4. To see if the Town will vote to appropriate the sum of Five Hundred Forty-two Dollars and Sixty-two Cents (\$542.62) for unpaid bills of the Board of Public Welfare for 1931, and act upon anything relating thereto.

Voted, To appropriate the sum of \$542.62 for unpaid bills of the Board of Public Welfare for the year 1931.

ARTICLE 5. To see if the Town will appropriate the sum of Two Hundred Eighteen Dollars and Fifty-nine Cents (\$218.59) for the balance due for construction and equipment of East Milton Library, and act upon anything relating thereto.

Voted, To appropriate the sum of \$218.59 for the balance due for construction and equipment of East Milton Library.

ARTICLE 6. To see if the Town will vote to accept Parkway Crescent and its extensions from Audubon Road to Blue Hills Parkway as a Town way as laid out by the Selectmen under the laws authorizing the assessment of betterments, and to raise and appropriate money for the same, and act upon anything relating thereto.

See Vote under Article 11.

ARTICLE 7. To see if the Town will vote to accept a part of Audubon Road running from the west line of Harold Street to the west line of Grove Street as a Town way, as laid out by the Selectmen, under the laws authorizing the assessment of betterments, and to raise and appropriate money for the same, and to act upon anything relating thereto.

See Vote under Article 11.

ARTICLE 8. To see if the Town will vote to accept Pilgrim Road as a Town way as laid out by the Selectmen under the laws authorizing the assessment of betterments, and to raise and appropriate money for the same, and to act upon anything relating thereto.

See Vote under Article 11.

ARTICLE 9. To see if the Town will vote to accept Milton Street as a Town way as laid out by the Selectmen under the laws authorizing the assessment of betterments, and to raise and appropriate money for the same, and to act upon anything relating thereto.

See Vote under Article 11.

ARTICLE 10. To see if the Town will vote to accept Johnson Street as a Town way as laid out by the Selectmen under the laws authorizing the assessment of betterments, and to raise and appropriate money for the same, and to act upon anything relating thereto.

See Vote under Article 11.

ARTICLE 11. To see if the Town will vote to accept Bradford Road as a Town way as laid out by the Selectmen under the laws authorizing the assessment of betterments, and to raise and appropriate money for the same, and to act upon anything relating thereto.

Voted, To accept the following streets as town ways, as laid out by the Selectmen under the law authorizing the assessment of betterments, and that the amounts appropriated at the Annual Meeting held in March 1932 be reappropriated for use for the same streets, as now accepted, as follows:

Parkway Crescent	\$11,456 60
Audubon Road	5,253 90
Pilgrim Road	2,805 57
Milton Street	1,236 06
Johnson Street	2,423 93
Bradford Road	4,940 47
	<hr/>
	\$28,116 53

And that the sum of \$28,116.53 be raised as follows:

(a) In the Tax Levy of the current year the sum of \$16,413.58.

(b) By transfer of the following Street Construction balances now available for this purpose, the sum of \$11,702.95.

Aberdeen Road Construction	\$1,687 79
Audubon Road Construction	1,098 64
Brae Burn Road Construction	1,016 63
Cary Avenue Construction	492 65
Cedar Terrace Construction	772 00
Hillcrest Road Construction	1,730 40
Meagher Avenue Construction	1,865 05
Petersburg Avenue Construction	1,777 51
Pond Street Construction	47 09
West Street Construction	877 48
Windsor Road Construction	337 71
	<hr/>
	\$11,702 95

ARTICLE 12. To see if the Town will vote to accept the relocation and alteration of Granite Place and Adams Street at their junction, as laid out by the Selectmen, and to raise and appropriate money therefor, and to act upon anything relating thereto.

Voted, To accept the relocation and alteration of Granite Place and Adams Street at their junction, as laid out by the Selectmen, and ratify the appropriation of \$1400 for

the construction of said way as relocated and altered as voted under Article 26 of the Warrant, March 1932 Town Meeting.

ARTICLE 13. To see if the Town will vote to accept the relocation and alteration of Brook Road and Adams Street at their junction, as laid out by the Selectmen, and to raise and appropriate money therefor, and to act upon anything relating thereto.

Voted, To accept the relocation and alteration of Brook Road and Adams Street at their junction as laid out by the Selectmen, and ratify the appropriation of \$282 for land damages as voted under Article 28 of the Warrant, March 1932 Town Meeting.

ARTICLE 14. To see if the Town will vote to accept Thompson Lane, running from Brook Road to Reedsdale Road, as a Town way as laid out by the Selectmen, and act upon anything relating thereto.

Voted, To accept Thompson Lane, running from Brook Road to Reedsdale Road, as a Town way as laid out by the Selectmen. This vote was passed to ratify the Vote under Article 30 of the Warrant, March 1932 Town Meeting.

ARTICLE 15. To see if the Town will vote to appropriate the sum of One Hundred Eighty-two Dollars and Forty Cents (\$182.40) for unpaid Highway Department bills of 1931, and act upon anything relating thereto.

Voted, To appropriate the sum of \$182.40 for unpaid Highway Department bills of 1931.

ARTICLE 16. To see what further sum of money the Town will vote to appropriate for Laborers' Pensions (Sec. 77, Chapter 32, G. L.) the present year, and act upon anything relating thereto.

Voted, To appropriate the sum of \$3,050.23 for Laborers' Pensions (Sec. 77, Chap. 32, G. L.) the present year.

ARTICLE 17. To see what sum of money the Town will appropriate for the payment of damages to Lavina Magee in connection with land taken and construction in connection with Bassett Street as laid out by the Selectmen and accepted by vote of the Town.

Voted, To appropriate the sum of \$200 for the payment of damages to Lavina Magee in connection with land taken and construction in connection with Bassett Street as laid out by the Selectmen and accepted by vote of the Town at the annual meeting in March, 1928.

ARTICLE 18. To see whether the Board of Water Commissioners shall be authorized and requested to reduce materially the water rates by retiring the Milton Water Loan Bonds due in 1932, by applying a portion of the balance of the water receipts accumulated as of December 31, 1931, the aforesaid balance having been voted to the use of the Water Department at the Town Meeting on March 12, 1932, and act on anything relating thereto.

Voted, To refer the subject matter of this Article to the Special Committee appointed by the Moderator under Article 53 of the 1932 Annual Town Meeting Warrant.

ARTICLE 19. To see if the Town will vote to amend the Revised By-Laws substantially as follows to wit: by inserting in Chapter 4 at the end thereof, the following, to be known as Section 16 of said chapter, to wit:

Section 16: (a) The collector of taxes shall collect, under the title of Town Collector, all accounts due the Town, excepting interest on investments of sinking or trust funds.

(b) If it shall seem advisable to the Town Collector that suit, or suits, should be instituted and prosecuted in the name of the Town, in connection with the collection of an account, or accounts, due to the Town, he shall so advise the Board of Selectmen who shall have authority as agents of the Town to institute and prosecute the same.

(c) All accounts due the Town when this section takes effect and all accounts coming due thereafter shall forthwith be committed by the several boards and officials of the Town to the Town Collector for collection hereunder.

(d) This section shall take effect on March 6, 1933.

Boston, Mass., June 29, 1932,

The foregoing amended By-Law is hereby approved.

(Signed) JOSEPH E. WARNER,
Attorney General.

Voted, To amend the Revised By-Laws as follows to wit: in inserting in Chapter 4 at the end thereof, the following, to be known as Section 16 of said chapter, to wit:

Section 16: (a) The Collector of taxes shall collect, under the title of Town Collector, all accounts due the Town, excepting interest on investments of sinking or trust funds.

(b) If it shall seem advisable to the Town Collector that suit, or suits, should be instituted and prosecuted in the name of the Town, in connection with the collection of an account, or accounts, due to the Town, he shall so advise the Board of Selectmen who shall have authority as agents of the Town to institute and prosecute the same.

(c) All accounts due the Town when this section takes effect and all accounts coming due thereafter, except as mentioned in (a), shall forthwith be committed by the several boards and officials of the Town to the Town Collector for collection hereunder.

(d) This section shall take effect on March 6, 1933.

ARTICLE 20. To see what sum of money the Town will vote for the relief of unemployment the present year, and act upon anything relating thereto.

Voted, To appropriate the sum of \$15,000 for the reserve fund for extraordinary or unforeseen expenditures during the current year, it being understood that this amount is appropriated to cover extraordinary expenses which may be incurred by any Town Board in an effort to lessen unemployment in the Town or by the Board of Public Welfare; and it is further voted that there be paid a maximum wage of not over \$3.20 per day for eight hours when any part of this sum of \$15,000 is used for relieving unemployment in the Town.

ARTICLE 21. To see if the Town will vote to instruct the Moderator to appoint a committee of five citizens to proceed with remodeling and other changes in the Vose School, as recommended by the committee on additional school-house accommodations, to provide not less than five additional class rooms, and appropriate money therefor, and act upon anything relating thereto.

Voted, That the Town do not so vote.

REPORT OF SPECIAL COMMITTEE ON SCHOOL ACCOMMODATIONS TOWN OF MILTON

SPECIAL MEETING OF MAY 28, 1932

A request was made by vote of the town, at the March meeting, for the appointment of a committee of five citizens to study the need for additional schoolhouse accommodations, and the further request was made that a preliminary report be made at a special meeting to be held in May. The personnel of the committee as appointed by the Moderator included three citizens who have been in intimate contact with the school situation in Milton for one or more years, and thus your committee found itself in a particularly fortunate position to proceed with little delay to a study of the situation as it now exists.

Your committee has held two formal meetings and three members of the committee have inspected the Vose School for the purpose of studying the possibilities for providing additional elementary accommodations in that building.

The report of the special school committee of last year has been carefully reviewed with particular reference to its bearing upon the present problem. Data with reference to present enrollment, increases in enrollment at the several schools has been considered.

It appears obvious to your committee that two serious situations confront the Town in the matter of additional schoolhouse accommodations. The first, and in our opinion the most pressing of these, is the present overcrowded condition of the Tucker School.

Second, and of almost equal importance, is the crowded condition of the High School building.

It is the preliminary decision of your committee that some action leading to the relief of the Tucker School should be taken, and that any action so taken should provide relief for the elementary schools, for a period of not less than five years. This decision is based upon the opinion of your committee that such relief may be given at comparatively small expense by alterations in existing buildings. By providing much needed immediate relief for the elementary schools in this manner, your committee feels that it may then proceed to the study of Junior or Senior High School accommodations and in the event that it should see fit to recommend to the town the building of additional accommodations of this class, the elementary problem will have been deferred until

such time as any new building which may be required for High School purposes shall have been completed.

Your committee has given serious consideration to the recommendation of last year's committee that six additional classrooms be added to the Tucker School at an estimated probable cost of \$40,000. Your committee feels that the Tucker School as it now stands is entirely adequate to care for the natural population of the area in which it is located. Your committee believes that a school must ultimately be provided on the Eliot Street lot, which school will very materially reduce the enrollment at the Tucker School when and if built. Certain territory lying between the Vose and the Tucker Schools is now served by the Tucker School, although geographically it might well be served by the Vose School if accommodations were available. The Vose School is now operating as an inefficient unit because of considerable space being unsuitable for school purposes. An inspection and study of the building revealed the fact that five classrooms could be provided in this building at an estimated total cost of \$25,000, including school equipment at an estimated cost of \$2,500, and painting and rehabilitation of lighting system of the entire building. This painting and improvement of the lighting system while not absolutely necessary is very much needed, particularly if improvements are made in certain sections of the building.

At the request of the committee an article was inserted in the warrant for the special May Meeting asking that the Town vote to instruct the Moderator to appoint a committee of five citizens to carry out the improvements recommended by this committee, and that the sum of \$25,000 be appropriated for the use of the committee in carrying on this work.

Your committee recommends favorable action on this article.

HOWARD E. MURPHY
THOMAS M. GIBBONS
JESSICA M. SCAMMELL
ARTHUR W. VOSE
DONALD C. WATSON

For the committee by: (signed) HOWARD E. MURPHY, *Chairman*.

ARTICLE 22. To see if the Town will vote to reduce the compensation or salaries of such town officers as hold elective office, and to recommend a reduction in the compensation or wages or salaries in Departments and Boards of the Town in which compensation, wages or salaries are fixed by the head of a Department or Board, and act on anything relating thereto.

Voted, (1) That the pay of all appointed Town officials and all Town employees whose compensation is fixed by boards or heads of departments be reduced as of July 1, 1932, and that the several boards or heads of departments in charge of these officials and employees be requested to effect reductions as follows:

If the pay is at a rate which amounts to less than \$1500 per year, that the rate be reduced 5%.

If the pay is at a rate which amounts to from \$1500 to \$1999 per year inclusive, that the rate be reduced 7½%.

If the pay is at a rate which amounts to \$2000 or over per year, that the rate be reduced 10%.

(2) That all elected Town officials be requested voluntarily to accept a reduction in their compensation as of July 1, 1932, on the basis described above.

Roll Call Vote on above Article: Yes, 95; No, 79.

The above Vote under Article 22 was annulled by the result of a Referendum Vote on June 23, 1932.

And you are directed to warn said inhabitants qualified as aforesaid to meet at the time and place and for the purposes herein mentioned by posting attested copies of this Warrant in each of the post offices of said Town fourteen days at least before said twenty-eighth day of May, and leaving printed copies thereof at the dwelling houses in said Town at least four days before said date.

Hereof fail note, and make due return of this Warrant with your doings thereon to the Town Clerk, on or before said twenty-eighth of May, next.

Given under our hands at Milton, the thirteenth day of May, nineteen hundred and thirty-two.

(Signed) GEORGE S. MURRAY,
JOSIAH BABCOCK,
WM. B. THURBER,
Selectmen of Milton.

COMMONWEALTH OF MASSACHUSETTS.

NORFOLK, SS.

Milton, May 24, 1932.

Pursuant to the within warrant I have notified the inhabitants of the Town of Milton as within directed to meet at the time and place and for the purposes therein mentioned by posting attested copies of the same in the Post Offices and by leaving attested copies at the dwellings of the inhabitants.

(Signed) WILLIAM B. LADD,
Constable of Milton.

May 29, 1932 at 4:08 P.M. Voted, That the Meeting be dissolved.

G. FRANK KEMP,
Town Clerk.

SPECIAL TOWN MEETING

JUNE 23, 1932

REFERENDUM ON THE WAGE QUESTION

NORFOLK, SS.

*To any of the Constables of the Town of Milton, in said County,
Greeting:*

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton qualified to vote in Town affairs to meet at the several designated polling places in their respective precincts in said Milton, to wit:

In Precinct 1, Polling Place, Town Hall, Canton Avenue,
In Precinct 2, Polling Place, Tucker School Hall, Blue Hills Parkway,
In Precinct 3, Polling Place, Milton Police Station, Central Avenue,
In Precinct 4, Polling Place, Belcher School, Church Street,

on Thursday the 23rd day of June 1932, at two o'clock in the afternoon then and there to vote upon the questions involved in the votes of the Town in the representative town meeting held May 28th, 1932 under Article 22 of the Warrant for said meeting, said questions when finally presented to said meeting being substantially, in language and form, as follows:

Question 1. Will the Town vote:

That the pay of all appointed Town officials and all Town employees whose compensation is fixed by boards or heads of departments be reduced as of July 1, 1932, and that the several boards or heads of departments in charge of these officials and employees be requested to effect reductions as follows:

If the pay is at a rate which amounts to less than \$1500 per year, that the rate be reduced 5%.

If the pay is at a rate which amounts to from \$1500 to \$1999 per year inclusive, that the rate be reduced 7½%.

If the pay is at a rate which amounts to \$2000 or over per year, that the rate be reduced 10%.

Question 2. Will the Town vote:

That all elected Town officials be requested voluntarily to accept a reduction in their compensation as of July 1, 1932, on the basis described above.

The polls will be open from two o'clock P.M. to nine o'clock P.M. And you are directed to warn said inhabitants qualified as aforesaid, to meet at the times and places, and for the purposes herein mentioned, by posting attested copies of this warrant in each of the post offices of said Town, fourteen days at least before said 23rd day of June 1932, and leaving printed copies thereof at the dwelling houses in said Town at least four days before said date.

Hereof fail not, and make due return of this warrant with your doings thereon to the Town Clerk, on or before said 23rd day of June, 1932.

Given under our hands at Milton, the 9th day of June, Nineteen hundred and Thirty-two.

(Signed) GEORGE S. MURRAY

WARRANT

SEPTEMBER PRIMARIES

COMMONWEALTH OF MASSACHUSETTS.

NORFOLK, SS.

*To any of the Constables of the Town of Milton in said County,**Greeting:*

In the Name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton qualified to vote in elections and town affairs, to meet at the several designated polling places in their respective precincts in said Milton, to wit:

In Precinct 1, Polling Place, Town Hall, Canton Avenue,
 In Precinct 2, Polling Place, Tucker School Hall, Blue Hills Parkway,
 In Precinct 3, Polling Place, Milton Police Station, Central Avenue,
 In Precinct 4, Polling Place, Belcher School, Church Street,

on Tuesday, the twentieth day of September, 1932, at 12 o'clock Noon for the following purposes:

To bring in their votes to the Primary Officers for the nomination of Candidates of Political Parties for the following offices: Governor, Lieutenant Governor, Secretary, Treasurer and Receiver-General, Auditor, Attorney-General; all of this Commonwealth. Representative in Congress for the Thirteenth Congressional District, Councillor for the Second Councillor District, Senator for the Norfolk Senatorial District, One Representative in General Court for the Seventh Norfolk Representative District, Two County Commissioners for the County of Norfolk, Sheriff for the County of Norfolk, One County Treasurer (to fill Vacancy) for the County of Norfolk; and for the Election of the following officers; District Member of State Committee for each political party for the Norfolk Senatorial District, Members of the Republican Town Committee, Members of the Democratic Town Committee, delegates to State Conventions of the Republican Party, and Delegates to State Conventions of the Democratic Party.

All the above candidates and officers are to be voted for upon one ballot.

The Polls will be open from 12 o'clock Noon to 9 o'clock P.M. And you are directed to serve this warrant by posting attested copies thereof in each of the Post Offices of said Town fourteen days at least before said meeting and leaving printed copies thereof at the dwelling houses of said Town at least four days before said meeting.

Hereof fail not and make return of this warrant with your doings thereon to the Town Clerk before said meeting.

Given under our hands at Milton this third day of September, Nineteen Hundred and Thirty-two.

WARRANT

NOVEMBER MEETING

COMMONWEALTH OF MASSACHUSETTS

COUNTY OF NORFOLK, SS.

*To any of the Constables of the Town of Milton in said County,
Greetings:*

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton qualified to vote in elections and in town affairs, to meet at the several designated polling places in their respective precincts in said Milton, to wit:

- In Precinct 1—Polling Place, Town Hall, Canton Avenue,
- In Precinct 2—Polling Place, Tucker School Hall, Blue Hills Parkway,
- In Precinct 3—Polling Place, Milton Police Station, Central Avenue,
- In Precinct 4—Polling Place, Belcher School, Church Street,

on Tuesday, the eighth day of November, 1932 at 6 o'clock in the forenoon, then and there to bring in their ballots for Presidential Electors for President and Vice-President; Governor, Lieutenant-Governor, Secretary, Treasurer and Receiver-General, Auditor, Attorney-General, all of this Commonwealth; Representative in Congress for the thirteenth Congressional District; Councillor for the Second Councillor District; Senator for the Norfolk Senatorial District; Representative in the General Court for the Seventh Norfolk District, Two County Commissioners for the County of Norfolk; Sheriff for the County of Norfolk; and County Treasurer for the County of Norfolk to fill vacancy; also to vote on the acceptance of the following questions:

QUESTION NO. 1

LAW PROPOSED BY INITIATIVE PETITION

Shall the proposed law which defines and legalizes the practice of chiropractic; establishes a board of registration of chiropractors and defines the number, mode of appointment, tenure, qualification and compensation of its members, and its powers and duties; provides for the preliminary qualifications, examination, certification, original registration and annual license of chiropractors and regulation of their practice, and defines the mode, subjects of and fees for examination, the mode of practice and penalties; and other matters related thereto, which are chiefly as follows:

That chiropractic be "the science or practice of locating and adjusting by hand the malpositions of the articulations of the human spine."

That any person, with one preceding year's residence in this Commonwealth and with degree from a qualified chiropractic school received at least one year prior to the date when this law takes effect, may, within ninety days after such date, be certified by the board at its discretion without examination.

That otherwise no person, except a member of the board of registration, shall practice chiropractic unless, being over twenty-one years of age, of good moral character and graduated from a reputable chiropractic school after personally attending courses of at least twenty-two hundred sixty minute daylight hours given to persons qualified to graduate from a public school, he shall qualify by examination, pay a fee of twenty-five dollars and be registered and certified; except that any person licensed in another State maintaining standards equal to those of this Commonwealth may be registered without examination.

That the examination be scientific and practical in character in subjects including anatomy, physiology, symptomatology, hygiene, sanitation, chemistry, histology, pathology, chiropractic analysis, and the principles and practice of chiropractic.

That the board may, after hearing, revoke a certificate for cause.

That the board shall make an annual report and shall keep public records of its proceedings and of the names of persons examined or registered by it and of the names and addresses of all registered chiropractors, who shall pay an annual license fee, promptly notify the board of any change in address and furnish such other information as the board may require.

That the board consist of three members, residents of the Commonwealth for three years, graduates of a chartered chiropractic school having power to confer degrees in chiropractic, to be appointed by the governor, with the advice and consent of the council, for a term of three years.

That the board have authority to administer oaths, summon witnesses and take testimony and adopt reasonable rules and regulations pertaining to their duties, and that they pay into the state treasury fees received by them, and that they receive compensation and reimbursement for expenses in such amounts as may be annually appropriated therefor not exceeding the amount of such fees.

Penalties are provided for practicing chiropractic without holding a certificate or for using the words "Chiropractic Practitioner," the letters "D.C.," or any title or letters indicating engagement in such practice, or for buying, selling or fraudulently obtaining any diploma or record of registration.

It is further provided that the present law relating to the registration of physicians and surgeons and providing penalties for the unauthorized practice of medicine, shall not be held to discriminate against registered chiropractors; but no chiropractor, unless registered as a physician or surgeon, may practice obstetrics, or administer drugs, or perform surgical operations by the use of instruments, or hold himself out as and for other than a chiropractor, which was disapproved in the House of Representatives by a vote of 50 in the affirmative and 151 in the negative and in the Senate by a vote of 13 in the the affirmative and 21 in the negative, be approved?

Yes

No

QUESTION NO. 2

LAW PROPOSED BY INITIATIVE PETITION

Shall the proposed law which provides for an additional method of nominating candidates for nomination, at the state primaries in September, by members of political parties, for those offices to be filled by all the voters of the Commonwealth at a state election.

It provides that the state conventions of the political parties in each state election year, shall be held before and not after the state primaries, as now, namely, not later than June 15. In order to elect delegates to such party conventions, party primaries are established to be held on the last Tuesday in April. Among other things, these state conventions may endorse candidates for offices to be filled by all the voters and to be voted upon at the state primaries. Such endorsement places a candidate in nomination, at such state primaries, without the necessity of filing nomination papers. The name of the endorsed candidate is to be placed first on the ballot and against his name is to be placed the words "Endorsed by (the name of political party) convention" in addition to the eight-word statement now authorized by law. Candidates endorsed by a party convention may accept said endorsement within ten days, and having so accepted may not withdraw.

It also provides for the election of district members of state committees and members of ward and town committees at the proposed party primaries in April, as well as delegates to the state party conventions, instead of at the state primaries in September, as now.

It also provides for the election of Delegates to national conventions (to nominate candidates for President) at the proposed party primaries instead of at the primaries, now specially held for that purpose, and which existing law requires to be held on the last Tuesday in April (the same day proposed for the proposed party primaries).

It also provides for certain other new provisions of law and certain changes in existing laws, relating to holding state conventions and party primaries, the number and election of delegates to state convention, the number of members at large of a state committee, and other matters, which in more detail chiefly are as follows:

State Conventions are to be composed solely of delegates elected at the party primaries, and the number is to be one from each ward and town and one additional for every fifteen hundred votes or major fraction thereof above the first fifteen hundred votes cast at the preceding state election in such ward or town for the political party candidate for Governor, instead of a number now fixed by the state committee of each party (not less than one from each ward or town) and certain members designated by existing law.

The time, for notice to the State Secretary by aldermen or selectmen of their determination to hold primaries by wards, precincts or groups of precincts, to be March 1, instead of August 1, as now.

The names of candidates for election for delegates to a state convention and for district members of a state committee to be arranged individually by alphabet instead of in groups arranged by lot, as now.

Vacancies in the office of delegate to a state or national convention not to be filled except in case of a tie vote, and then by delegates from the same district, within ten days, and if no other delegate or if not so filled, then by a state committee, rather than solely by the remaining members of the delegation; and statement of filling of such vacancy to be filed with the State Secretary.

Seating of delegates at state conventions to be in groups by senatorial districts, and order of business at said conventions defined.

Voting on candidates, by a convention, to be by roll call, if more than one candidate for the office, or by groups of delegates unless any member of such group objects.

The number of members at large of a state committee of a political party to be fixed by the state convention of a party instead of by the state committee, as now.

The existing provisions as to preparation and filing of nomination papers, objections to nominations, preparation, number, substance, arrangement and form of ballots, hours during which polls shall be open, opening of ballot boxes, canvass and return of votes, return and certification of votes, now applicable to state primaries, to be applicable to the proposed party primaries.

The power of a state committee to fix the number of district delegates to a national convention to be continued, but the date, of giving notice to the State Secretary, of such fixation to be March 1 instead of on or before the third Wednesday in March, as now.

The power of city and town committees to fix the number of members of ward and town committees to be continued, but the date, of giving notice to the State Secretary, of such fixation to be March 1 instead of August 1 as now, which was approved in the Senate by a vote of 21 in the affirmative and 17 in the negative and was disapproved in the House of Representatives by a vote of 62 in the affirmative and 138 in the negative, be approved.

YES

NO

QUESTION NO. 3

PROPOSED AMENDMENT TO THE CONSTITUTION OF THE UNITED STATES

Is it desirable that the proposed amendment to the Constitution of the United States

"ARTICLE—

"Section 1. The terms of the President and Vice-President shall end at noon on the 20th day of January, and the terms of Senators and Representatives at noon on the 3d day of January, of the years in which such terms would have ended if this article had not been ratified; and the terms of their successors shall then begin.

"Sec. 2. The Congress shall assemble at least once in every year, and such meeting shall begin at noon on the 3d day of January, unless they shall by law appoint a different day.

"Sec. 3. If, at the time fixed for the beginning of the term of the President, the President elect shall have died the Vice-President elect shall become President. If a President shall not have been chosen before the time fixed for the beginning of his term, or if the President elect shall have failed to qualify, then the Vice-President elect shall act as President until a President shall have qualified; and the Congress may by law provide for the case wherein neither a President elect nor a Vice-President elect shall have qualified, declaring who shall then act as President, or the manner in which one who is to act shall be selected, and such person shall act accordingly until a President or Vice-President shall have qualified.

"Sec. 4. The Congress may by law provide for the case of the death of any of the persons from whom the House of Representatives may choose a President whenever the right of choice shall have devolved upon them, and for the case of the death of any of the persons from whom the Senate may choose a Vice-President whenever the right of choice shall have devolved upon them.

"Sec. 5. Sections 1 and 2 shall take effect on the 15th day of October following the ratification of this article.

"Sec. 6. This article shall be inoperative unless it shall have been ratified as an amendment to the Constitution by the legislatures of three-fourths of the several States within seven years from the date of its submission,"—be ratified by the General Court?

YES

No

All to be voted for on one ballot.

The polls will be open from 6 o'clock A.M., to 8 o'clock P.M., and you are directed to warn said inhabitants qualified as aforesaid to meet at the times and places and for the purpose herein mentioned by posting attested copies of this Warrant in each of the post offices of said Town fourteen days at least before said meeting and leaving printed copies thereof at the dwelling houses of said town at least four days before said meeting.

Hereof fail not and make due return of this Warrant or a certified copy thereof with your doings thereon to the Town Clerk as soon as may be and before said meeting.

Given under our hands at Milton this 24th day of October, nineteen hundred and thirty-two.

GEORGE S. MURRAY
JOSIAH BABCOCK
WM. B. THURBER

Selectmen of Milton.

COMMONWEALTH OF MASSACHUSETTS.

NORFOLK, SS.

Milton, Mass., November 3, 1932.

Pursuant to the within warrant I have notified the inhabitants of the Town of Milton as within directed to meet at the time and places and for the purposes therein mentioned by posting attested copies of the same in the post offices of the Town and leaving attested copies at the dwellings of the inhabitants.

(Signed) WILLIAM B. LADD,
Constable of Milton.

November 18, 1932.

Nov. 18, 1932.—The Board of Registrars met at the Town Hall upon the petition of George A. Sullivan and others for the purpose of holding a recount of the ballots cast for the office of Lieutenant Governor. Upon opening the box containing the ballots cast in Precinct 2, the Town Clerk discovered that there was 1506 ballots missing; and as there was no representative for Mr. Swift present with credentials, upon a motion made by Mr. George S. Murray, representative for Mr. Bacon, the recount was postponed until Monday, November 21, 1932 at 10 A.M.

(Signed) PATRICK F. MAHONEY,
JOSEPH A. REIN,
FRANK L. RICHARDS,
G. FRANK KEMP,
Board of Registrars.

1932

RECOUNT OF VOTES CAST FOR LIEUTENANT-GOVERNOR ON NOVEMBER 8, 1932

COMMONWEALTH OF MASSACHUSETTS.

NORFOLK, SS

Milton, Mass., November 21, 1932.

At a meeting called and held at the Town Hall in said Milton on the above date, November 21, 1932, as per order of the Chairman of the Board of Registrars (a recount of votes cast at the State Election held on November 8, 1932 for Lieutenant Governor having been petitioned for by George A. Sullivan and others), said recount was held upon the above date with results as follows:

	PRECINCTS				TOTAL
	1	2	3	4	
Gaspar G. Bacon	1209	1762	763	1610	5344
Morris I. Becker	7	11	0	13	31
James W. Dawson	2	4	0	5	11
Walter S. Hutchins	8	24	7	18	57
John E. Swift	572	1220	281	944	3017
Blanks	64	85	36	82	267

All the above votes after being counted were delivered to the Town Clerk.

In Precinct 2 we recounted 1600 ballots out of a total of 3106 ballots cast as the other 1506 ballots had been destroyed by mistake.

The Count on the 1600 ballots was Bacon 1030, Becker 3, Dawson 0, Hutchins, 8, Swift 514, Blanks 45 and the figures turned in by the Precinct Officers for the missing 1506 ballots were added to our count of 1600 ballots and made no change in the original figures as compiled by the Election Officers on the day of election.

(Signed) PATRICK F. MAHONEY,
FRANK L. RICHARDS,
JOSEPH A. REIN,
G. FRANK KEMP,
Registrars of Voters.

THE COMMONWEALTH OF MASSACHUSETTS OFFICE OF THE SECRETARY

1932

November 30, 1932.

To City and Town Clerks and Election Commissioners:

Whereas, petitions have been filed with the State Secretary, in the interest of Gaspar G. Bacon of Boston, Republican, and of John E. Swift of Milford, Democratic, candidates for the office of Lieutenant-Governor,—and in the interest of John F. Buckley of

Boston, Democratic, and of Frederic W. Cook, of Somerville, Republican, candidates for the office of Secretary,—for state-wide recounts of ballots cast at the election held November 8, 1932 for the offices of Lieutenant-Governor and Secretary, under the provisions of General Laws, chapter 54, section 135, as amended; and

Whereas, after the official tabulation of votes by the Governor and Council it appears that the difference in the number of votes cast for the two leading candidates for each of said offices of Lieutenant-Governor and Secretary is less than one per cent of the total number of votes cast for such offices;

Therefore it becomes my duty to, and I do hereby, order the clerk of each city and town of the commonwealth to transmit forthwith, and said clerk shall so transmit, the envelopes containing the ballots, sealed except in the case of those containing ballots which have already been recounted in respect to said offices, to the registrars of the city or town who shall, without unnecessary delay, open the envelopes, recount the ballots cast for said offices and determine the questions raised.

(Signed) F. W. COOK,
FREDERIC W. COOK,
Secretary.

1932

RECOUNT OF VOTES CAST FOR SECRETARY OF STATE ON NOVEMBER 8, 1932

COMMONWEALTH OF MASSACHUSETTS.

NORFOLK, SS.

Milton, Mass., December 9, 1932.

At a meeting called and held at the Town Hall in said Milton on the above date, December 9, 1932, as per order of the Chairman of the Board of Registrars (a recount of votes cast at the State Election held on November 8, 1932 for Secretary of State, as per notice received from the office of the Secretary of State dated Nov. 30, 1932), said recount was held upon the above date with results as follows:

	PRECINCTS				TOTAL
	1	2	3	4	
John F. Buckley	573	1240	277	904	2994
Frederic W. Cook	1172	1701	750	1615	5238
Albert S. Coolidge	12	30	11	26	79
Max Lerner	2	3	2	6	13
Albert L. Waterman	3	9	0	7	19
Blanks	100	123	47	114	384

Of the above, 7221 votes after being counted were delivered to the Town Clerk. In Precinct 2 we recounted 1600 ballots out of a total of 3106 ballots cast as the other 1506 ballots were missing.

The count on the 1600 ballots was: Buckley 518, Cook 1009, Coolidge 11, Lerner 0, Waterman 3, Blanks 59; and the figures turned in by the Precinct Officers for the missing 1506 ballots were: Buckley 722, Cook 692, Coolidge 19, Lerner 3, Waterman 6, Blanks 64.

PATRICK F. MAHONEY,
FRANK L. RICHARDS,

6. Frank P. Dillon of Milton and Mary A. Gouthro of Belmont.
7. Edward Fairbanks and Lorraine C. Kmito, both of Milton.
8. Allan L. Dow of Boston and Margaret L. Corey of Milton.
8. Irving G. Lunt and Ruth Stavert, both of Milton.
10. Joseph C. Devine of Boston and Helen E. McCurdy of Milton.
12. Malcolm A. Morgan of Milton and Ethel M. Code of Boston.
12. Sidney Williams and Annie Wells, both of Boston.
12. John A. McMahon of Milton and Beatrice M. Vining of Somerville.
12. Robert L. McIntosh of Dorchester and Catherine J. Fairweather of Milton.
16. Walter E. Dow, Jr. of Milton and Frances L. Loughlin of Concord.
30. John J. O'Brien of Cambridge and Mary M. Halloran of Milton.
30. Alexander L. Gillis of Watertown and Mary J. MacIsaac of Milton.
- Nov. 1. Edward J. Jackson and Margaret E. Sadler, both of Milton.
2. James A. Daniels of Wakefield and Grace M. Cutter of Milton.

- Nov. 2. Robert W. Fairbanks of Milton and Edna Minor of Macon, Georgia.
7. William A. Brown of Milton and Catherine MacDonald of Brookline.
17. Robert C. Knowles of Cohasset and Gretchen Bremer of Milton.
22. Proctor Wells of Milton and Ella Cook of Quincy.
23. Bernard Flynn of Boston and Margaret Clougherty of Milton.
Dec. 6. George E. Mears of Essex and Harriet T. Brierly of Milton.
24. James T. MacDonald of Milton and Barbara Munn of Stoneham.
28. William C. Flaherty of Georgetown and Rosemary F. Lydon of Milton.

DEATHS

The whole number of deaths registered in the Town of Milton for the year 1932 was 178, as follows:

Date	Name	Age		
		Years	Months	Days
Jan. 3	Daniel J. Lorden.	89	—	—
5	Catherine T. Murphy.	77	—	—

REPORTS OF SPECIAL COMMITTEES

Appointed at the

ANNUAL TOWN MEETING

MARCH, 1932

REPORT OF THE SPECIAL COMMITTEE APPOINTED TO STUDY FIRE PREVENTION MEASURES IN THE TOWN OF MILTON

To the Board of Selectmen:
Town of Milton,
Milton, Massachusetts.

Gentlemen:

At the annual Town Meeting held March 19, 1932 there was passed, under Article 65 of the Warrant, the following vote:

"Voted, that the Moderator appoint a Committee of three citizens to study the general question of fire protection in the Town, particularly with respect to the necessity for a new fire house in East Milton and additional fire fighting equipment, the installation of sprinkler systems in Town buildings, and other details; said Committee to report its findings to the Board of Selectmen and the Warrant Committee not later than December 1, 1932 and to appropriate the sum of \$100 for the uses of this Committee."

In accordance with the terms of the vote above set forth, the Moderator appointed the following citizens to serve as a Committee—Frank N. Eshleman, Ernest E. Erickson and Howard S. Patterson.

Your Committee met shortly after its appointment and organized with Frank M. Eshleman as Chairman and Howard S. Patterson as Secretary.

In pursuing its studies of fire department matters and related subjects, your Committee have inspected your fire stations and apparatus as well as those of other municipalities. They have conferred with the Chiefs of departments of other communities and the Chief of your own Department. They have had made an inspection by a competent engineer, of the various Town buildings with reference to the installation of a sprinkler system besides making a detailed personal inspection of their own. During this period of investigation, the New England Insurance Exchange made an independent survey of the fire protection facilities of Milton and have rendered a detailed written report of their findings to you, and this report has been carefully studied by your Committee.

In considering the subject matter of this vote, your Committee have constantly had in mind that expenses be kept at a minimum, especially so while the present economic conditions continue—and they are also fully aware of the need and importance of keeping taxes as low as is consistent with the proper and efficient functioning of the various departments of the Town.

They also realize that the present is not an appropriate time for any unnecessary expenditures and that for each dollar spent, the Town must have the equivalent of value received. So in presenting their report, it must be borne in mind that their recommendations have been influenced both by the desire and ability of the Town to pay for them if adopted, and also while some of these recommendations may not seem to be essential, they feel that they are based absolutely on the facts which they have secured by careful investigation and study.

If the Town does not see fit to adopt their recommendations, or that they be not adopted at the present time, your Committee think that they have performed the duty assigned to them. Their recommendations of the specific needs of the Fire Department, both present and future, they feel sure merit the careful consideration of the Town and are made regardless of whether the Town wishes to adopt them now or at some future date.

Your Fire Department, due to the lack of sufficient numerical strength of its personnel, modern apparatus and equipment, adequate means of communication of alarms of fire and modern organization, **does not give to the citizens of the Town the protection to which they are entitled.** For the reasons above set forth, your Committee feel that the citizens of this Town should be fully informed so that the necessary steps to improve the Department be taken without delay if the Town so decides.

The recommendations are set forth below in what seem to your Committee the order of their importance.

Water Supply

Full particulars of the Town's needs in this connection have been submitted to you in the survey of the New England Insurance Exchange and your Committee understand that the Water Commissioners will make their recommendations to improve further the water supply for fire purposes.

Personnel

Your Committee's examination of the personnel of the Fire Department indicates that individually the men are capable firemen but they find that there is a lack of well directed co-ordination which is reflected in the efficient operation of the Department.

They believe that a greatly improved condition may be obtained by providing a series of activities to interest the members of the department—such as the establishment of a drill tower and smoke-house, that a sufficient number of the members take a course in the Boston Fire College and that one officer (a recent graduate of the Boston Fire College) be designated as Drill Master to instruct and train the members of the Department in modern methods of fire fighting, that drills be held at least once a week so that every man will be thoroughly familiar with the proper handling and use of all apparatus and equipment.

We find that in the Fire Departments of some neighboring towns, such active duties are welcomed by the men, keep their interest alive in their work, tend to keep them physically fit and to give a unified departmental spirit that is reflected throughout the entire Department.

These suggestions are made by your Committee because they are satisfied that they are worth while. They know that they have produced satisfactory results elsewhere and the expense connected with them amounts to practically nothing.

The present numerical strength of the Fire Department is as follows:

Permanent Men:

Chief	1
Deputy Chief	1
Lieutenants	3
Privates	16

Total Permanent 21

Call Men:

Captains	2
Lieutenants	3
Privates	10

Total Call Men 15

Total number of firemen available 36

Permanent Men:

This force of twenty officers and men (Chief excluded) is divided into two platoons of ten men each. One of these platoons is on duty at all times and is assigned to the several stations as follows:

<i>Stations</i>	<i>Number of Officers and Men</i>
Headquarters: Ladder 1—Engine 1	6
East-Milton: Hose 2	2
Brush Hill: Hose 4	2
	<hr/>
	Total 10

Age

One member is sixty years of age, two between fifty-five and sixty, five between fifty and fifty-five, four between forty-five and fifty, two between forty and forty-five, five between thirty-five and forty and one man is thirty-four. It is evident that within the next few years there will be several members who will be eligible for a pension and steps should be taken at this time to bring younger men into the Department in order that they may have the necessary experience when those who have long and faithfully served the Department find it necessary to retire from active duty.

Call Men

The call force of any Department cannot be classed as an effective fire fighting body. The value of a sufficient number of men leaving quarters with the apparatus is far superior to a large call force responding by their own means of transportation and arriving usually after the apparatus has reached the scene of the fire. Then again, call men cannot make the Fire Department their means of a livelihood and necessarily must be employed in other ways. Four of your call men have their place of employment out of town and can only be depended upon to be available during the night or Sundays and holidays. Others are busy in the Town and may be unaware of an alarm of fire. In short, to count upon any given number of call men at a fire is impossible.

The present organization of the call force into call companies, commanded by their own call officers, does not lend itself to efficient operation and should be changed.

Recommendations

Your Committee recommends that in view of the fact that the present permanent force is not adequate to properly operate the present apparatus to the best advantage, that four additional permanent men be appointed at once. These appointments to be made from the present call force wherever practical and that the four new men be stationed at East Milton.

It is further recommended that the present call companies be disbanded at once, the rank of call officers be abolished and as many of the call force as remain, after any appointments to the permanent force are made, be re-assigned to the various stations and apparatus in the Department under the command of the regular permanent officers. Any substitute call men should be honorably discharged from active duty and no additions to the call force should be made except to fill future vacancies.

Officers

At the present time the stations at East Milton and Brush Hill are commanded by one officer only. This means that one platoon is in charge of a senior man who is held equally responsible for the conduct of the station with a man who holds the rank of an officer. This is unjust and unfair to the senior man and tends to dampen the ambitions of other men in the Department who are eligible for promotion.

Your Committee recommend that two additional lieutenants be appointed so that one officer be on duty in each station at all times.

Apparatus

Nearly all of the present apparatus is old and somewhat antiquated. Outlined below is a schedule showing the date of acquisition as well as the station in which located.

Pumping Engine	Purchased 1916	Headquarters
Ladder Truck	" 1926	"
Combination Wagon	" 1919	East Milton
"	" 1915	Brush Hill
Brush Fire Wagon	" 1930	Headquarters
Chief's Car	" 1927	"

Your Committee are of the opinion that there should be in the Town eventually three pumping engines and two ladder trucks. Each of the two present combination wagons should be replaced by a combination pumping engine and hose wagon having a pumping capacity of not less than 750 gallons of water per minute and equipped with water tank and booster pump and ladders sufficient in number and length to reach the roof of the ordinary dwelling house. One of the present combination wagons should be placed in reserve for emergency use.

Ladder service should eventually be improved by the purchase of a new 55 foot city service type ladder truck for East Milton but is not necessary at this time if a new pumping engine and additional men are to be stationed there.

Recommendations

Your Committee recommend that a new combination pump and hose wagon of not less than 750 gallons capacity be purchased at once and placed in service at the East Milton station and that the present combination wagon now stationed there be placed in reserve at the Brush Hill station. They further recommend that in 1934 a new combination pumping engine and hose wagon of similar type be purchased and placed in service at Headquarters and that the present pumping engine be then rebuilt and stationed at the Brush Hill station.

Fire Alarm System

The present fire alarm system is not adequate to take care of all the demands that may be made upon it. There are times under the arrangement now in operation when all stations may be vacant and no telephone alarms of fire could be received because all members of the department are engaged elsewhere. Thus it is apparent that such a situation may at some time be responsible for either loss of life or serious property damage due to the delay in giving the alarm.

Your Committee recommend that there be established at once in Headquarters an office where all telephone calls to the Department can be received and that a fast and slow time transmitter be installed to dispatch alarms of fire.

It is further recommended that for the above duty there be one man (not a member of the fire fighting force) present at all times.

It is also recommended that the sounding of the whistle and outside bells be dispensed with unless in the case of a multiple alarm of fire or when an alarm is received while another fire is in progress.

It is recommended further that, that part of the Wire Department having to do with the fire alarm system be placed under the control and supervision of the Fire Department as to operation and appropriation.

New Fire Station

Your Committee is of the opinion that at the present there is no need for a new fire station in East Milton.

The new pumping engine and additional men recommended by your Committee for East Milton can be properly housed in the present station. If in the future a ladder truck be installed in East Milton with additional men to operate it, then would be the time to consider a new station.

Mutual Aid System

Under present arrangements, there exists Mutual Aid only with the City of Boston, as follows:

Brush Hill section receives aid from Engine No. 49 located at Readville,

Mattapan section receives aid from Engine No. 19 located near Mattapan Square.

Village section receives aid from Engine No. 16 and Ladder No. 6 located near Central Avenue.

In return, Milton sends Engine No. 1 from Headquarters to boxes located in or near the vicinity of Mattapan and Pierce Square and when necessary "covers" in at the station of Engine No. 16 during a large fire in Boston.

It must be borne in mind that this system does not involve the payment of money for services by either municipality but is purely a matter of agreement between Boston and Milton. It must also be understood that this aid from Boston is received automatically with the sounding of the alarm in Milton but only when the apparatus designated to respond is in its respective station. Your Committee believe that this system should not be a factor in reaching a decision regarding the increase of men and apparatus in your own Department.

Such a system should be established at once with the City of Quincy in order to improve fire protection in East Milton. However, such an arrangement should not be suggested unless and until this Town can send to Quincy in return a modern pumping engine with a sufficient number of men to properly operate it. This factor should be seriously considered in passing upon the question of new apparatus and additional men for East Milton.

Sprinkler System for Public Buildings

Your Committee has caused to be made a thorough detailed study of this question by competent engineers and they have themselves made a personal inspection of the several public buildings in the Town, and they have also had conferences with the Engineers and the Insurance Advisor of the Town.

Your Committee recommend that:

The following buildings be equipped with sprinklers in the manner and at a cost not to exceed the amounts as indicated.

Name of School	Part of Bldg. to Be Equipped	Type of System	No. of Heads	*Cost (Including Cost of Town Connections)
High School	Entire	Dry and Wet	1550	\$12,100
Colicott School	"	Dry	750	6,400
Belcher School	"	"	380	3,750
Vose School	"	"	1000	8,600
Tucker School	"	Wet	320	2,950
Glover School	"	Dry	184	2,200
Total Cost	.	.	.	\$36,000

*These costs are figured on a cash basis for 1933 installation and are estimates.

In arriving at the above recommendation, your Committee considered and discussed the following factors:

1. Saving of lives of children by sprinklers holding fire in check while building is cleared and awaiting arrival of fire department.
2. Saving of property damage and resulting inconvenience.
3. Loss of use of property if destroyed by fire.
4. Saving in insurance premiums over a period of time.

The first three factors are self-explanatory and need no further mention. The fourth and last is set forth in detail. Figures as compiled are furnished to your Committee by the Town's Insurance Advisor, Mr. Frank R. Forde.

Insurance in Force		Average Rate 5-Year Term	Five Year Premium
Unsprinklered	Bldg. Value \$1,636,125	1.68	\$32,274 90
Buildings	Contents 285,000		
If Sprinklered	Same	.80	15,369 00

Saving over a five-year period in premiums *\$16,905 90

Relative to the Town Hall, your Committee recommends that it be safeguarded from fire by installing an Aero automatic fire alarm system at once. This system would be leased from the American District Telegraph Company which would install and supervise it for a flat fee of \$375 per year on a five-year agreement, and would connect it over tamper-proof wires direct with fire headquarters. The Aero system operates on a rate of rise-of-temperature principle and in the opinion of your Committee, who have seen it demonstrated in the Brookline Town Hall, it would give an instant alarm in case of fire in any part of the Town Hall and would insure the safety of the important Town papers and documents stored therein. If a fire should get well under way without being observed for some time, it is a question of great doubt whether the present vaults could withstand the heat generated.

General Remarks

Your Committee think that it is in order to remind the citizens that the Town has gone along for a great number of years at a minimum expenditure for fire protection. The time has come, however, when this policy cannot be continued without serious danger to life and to property.

To support further your Committee's reasons in arriving at the various recommendations as outlined above, they submit the following comparisons:

	Population	Number of Dwellings	Number of Hydrants	Valuations	Fire Dept. Appropriation
1912	7,848	1,542	353	\$27,359,789	\$31,061 68
1922	10,630	2,230	434	22,508,030	56,050 00
1932	17,207	3,891	630	37,177,550	57,000 00

Your Committee wish to emphasize the fact that during this period of twenty years in which the Town has had a fairly rapid growth, the amount of money appropriated annually for fire protection purposes has not been in proportion to the growth of the Town.

Your Committee wish to state further that this program of rehabilitation should be spread over a period of five years so that the expense may not be too large in any one year and also that each step be taken after due consultation with experts so that eventually the Town may have a Fire Department which can give satisfactory service at all times.

Undoubtedly the whole Department reorganization can best be made by the appointment, by the Board of Selectmen, of some one competent to take entire charge of the Department, see to the carrying out of any of your Committee's recommendations if the town so votes and who would act as a liaison officer between the Board of Selectmen and the Fire Department, and who would serve without pay.

Respectfully submitted,

FRANK M. ESHLEMAN,
ERNEST E. ERICKSON,
HOWARD S. PATTERSON.

November 30, 1932.

*If sprinklers are installed and in operation as of September 1, 1933, there will be a return premium of \$7,600.00 revert to the Town Treasury available for general purposes. On the above basis, the sprinkler system would be paid for in about eight years out of premium savings.

Summary of Recommendations

	1933	1934	1935	1936	1937
4 Additional Men	\$ 5,400				
2 Additional Officers	266.66				
1 New Pumping Engine	12,500	\$12,500			
Rebuild Present Pump		2,000			
Fire Alarm Office:					
2 Men	2,200				
Equipment, etc.	2,500				
Automatic Alarm System					
for Town Hall	375				
New Fire Station			*\$45,000		
Additional Ladder Truck				\$10,000	
4 Additional Men				5,400	
2 Additional Men					\$2,700

*Less the amount secured from sale of present East Milton Fire Station.

REPORT OF THE COMMITTEE APPOINTED UNDER ARTICLE 53 OF THE WARRANT FOR THE MILTON TOWN MEETING OF MARCH, 1932.

Dec. 7, 1932

Board of Water Commissioners,
Board of Selectmen,
Milton, Massachusetts.

Sirs:

Your committee, appointed by the moderator in accordance with the vote of the Town under Article 53 of the Warrant for the meeting of March, 1932, respectfully beg to report as follows:

We have had a number of meetings and various conferences with the Board of Water Commissioners and their engineers.

We find that Chapter 307 of the Acts of 1902 was badly devised and badly drawn, containing provisions, not only inconsistent with each other, but provisions at wide variance with the General Laws and amendments thereof.

We find, in consequence, that the Board of Water Commissioners has been acting, or attempting to act, in accordance with the law which was uncertain, self-contradictory and entirely unsatisfactory, and we are inclined, on the whole, to think that they have managed under the circumstances with commendable judgment.

We annex to this report a draft of an Act to amend and make certain changes in the Act of 1902, Chapter 307, which we believe will remove the uncertainties and afford a proper guide for the future conduct of the department, because most of the matters, not covered at all by the Act of 1902 and which were, in consequence, uncertain, are quite definitely covered by the General Laws and amendments thereof.

We suggest that a Bill be seasonably introduced into the Legislature of 1933 so that this amendment, if desired by the Town, may be duly presented for enactment in the form suggested, or some modification thereof.

It will be noted that in the amendment which we suggest of Section 13, we propose a distinct authorization from the Legislature to the Town for the adoption of By-Laws and rules and regulations, not inconsistent with statutory provisions, to govern all matter of detail in the administration of the Water Department. Such items as the water bills, interest thereon, collection thereof, arrangements with contractors and non-residents, payment of water bills required before adjustment of disputed accounts, rebates to which water users may be entitled, the method of accounting, the form of bookkeeping and reports, minimum rates, leakages and services, and matters of such kind should not be controlled by permanent legislation, but rather by By-Laws and regulations subject to easy change as circumstances require.

We are not unmindful of the apparent feeling in the Town that the water rates heretofore and at the present time being charged are excessive. And it is true that these rates in Milton are higher than in nearly all of the other municipalities in the Metropolitan District. For this, however, there are very definite reasons, some of which are not easy to change or overcome, and they may be briefly stated as follows:

1. In the first place, the number of water services per mile of main pipe in Milton is 52.7, which is about 60 per cent of the average number in the municipalities of the District. This, in itself, necessarily means higher rates per service.

It is obvious that if one hundred dwellings are served by one mile of water pipe, the cost to each will be less than if only sixty dwellings be so served. This higher cost is one of the prices which we have to pay for the privilege of living in a sparsely settled town like Milton.

2. The water debt per mile of pipe is the highest, with one exception, in the District. This debt is, of course, a burden which lies heavily on the water user.

3. The cost of water purchased by the Town from the Metropolitan system is at the highest rate paid by any of the twenty municipalities in the Metropolitan District. This is owing to the fact that, under the law, the apportionment of the Metropolitan

Water Department charges for water is made, one-third on the basis of assessed valuation, and two-thirds on the basis of consumption. As the Milton valuation is high and our per capita consumption is the lowest in the District, the result is that our cost per hundred cubic feet is high.

We believe that this is an unfair distribution of the burden and that it would be proper for the Town to make an application to the Legislature for a revision of these provisions. We are unable to appreciate why, when a large supply of water is provided for a Metropolitan District, the cost of the water to the various inhabitants of that district should not be uniform. It is distinctly not uniform at the present time.

We suggest that our Representative in the General Court be requested to introduce a Bill in the Legislature of 1933 seeking a modification of the present law in this respect.

4. The rates during the last eight years have resulted in the accumulation, as of December 31, 1931, of a surplus of over \$50,000. We do not believe that the Commissioners, in the future, should undertake to accumulate any surplus, but should, on the other hand, figure the rates as nearly as reasonably may be so that, at the end of the year, they will have neither surplus nor deficit; because, under the law, if there should be a deficit in the Department, the Town is obliged to make it up by general taxation. If the accumulation of such surplus be hereafter avoided, the rates can be somewhat reduced in consequence.

We do not hereby intend any criticism whatever of the Commissioners, who have been dealing with a confused law and a new and complicated system of accounting put in by State authority.

5. The high rates in Milton are also in part due to the wages paid by the Department, viz., \$5.00 per day. If the wage was reduced to the present current rate for such labor, our study shows that the minimum charge for water might be reduced about \$2.00 per year.

The Town, however, in its recent referendum vote, determined that wages should not be reduced. So long as the Town insists upon paying its labor higher wages than current rates, the citizens cannot expect to avoid the resulting costs thereof.

It has been suggested to us that it is unfair to put the entire water burden on the water users, and that the general tax levy should bear a part.

There is some force in this suggestion. It is, we believe, answered by the fact that unlike the majority of the municipalities in the District, Milton pays a large sum annually in the form of "hydrant rental" (so-called) which is raised by general taxation.

We are not unmindful that the matter of Article 18 of the May 28, 1932, Warrant, was referred to us, but we feel that that Article was mistakenly inserted, the matter therein suggested having been fully disposed of by the vote of the Town in Article 15 of the March meeting, and, therefore that nothing further from us is required in that respect.

Respectfully submitted,

FELIX RACKEMANN

JOHN P. ILSLEY

WILLIAM B. CROSBY

Committee.

AN ACT TO AMEND AND MAKE CERTAIN CHANGES IN ACTS OF 1902, CHAPTER 307, BEING AN ACT TO SUPPLY THE TOWN OF MILTON WITH WATER

Be it Enacted as Follows:

Section 1. Chapter three hundred seven of the Acts of nineteen hundred two is hereby amended by striking out section six and inserting in place thereof the following:—

Sec. 6. Said town may, for the purposes provided by this Act, issue from time to time bonds, notes or scrip as provided by the General Laws, chapter forty-four and the amendments thereof and additions thereto. Such bonds, notes or scrip shall be in serial form, shall bear on their face the words "Town of Milton Water Loan," shall be signed, made payable and bear interest, and be used and disposed of by said town, all as provided in said General Laws, and amendments thereof and additions thereto, now or hereafter made.

Sec. 2. Said Act, chapter three hundred seven, is hereby further amended by striking out and repealing sections seven and eight thereof.

Sec. 3. Said Act, chapter three hundred seven, is hereby further amended by striking out and repealing section thirteen thereof and inserting in the place thereof the following:

Sec. 13. The prices or rates for the use of water in said town shall be determined in each year, from time to time, in accordance with the provisions of the General Laws, chapter ninety-two, section twenty-seven, and amendments thereof and additions thereto, now and hereafter in force. And said town may adopt such By-Laws, and authorize the Water Commissioners to adopt such rules and regulations, not inconsistent with statutory provisions, as may be convenient or proper for regulating all minor matters of business routine.

Sec. 4. Said Act, chapter three hundred seven, is hereby further amended by adding thereto the following new section:—

Sec. 18. Any surplus realized by the Water Department of said town from the rates and charges, may, from time to time, be disposed of or applied, either in the discharge of obligations of the town in connection with its water department, or for the extension or replacements of its works, as the Commissioners may determine.

REPORT OF THE COMMITTEE TO CONSIDER RETIREMENT SYSTEMS AND PENSIONS

In the 1932 Town Warrant, there appeared the following Article:

"Article 45. To see if the Town will authorize the Moderator to appoint a committee to consider retirement systems and pensions, especially in relation to contributory pensions, and appropriate money for the use of the committee."

On said Article, the town voted as follows:

"VOTED, to authorize the Moderator to appoint a committee of five to consider the subject matter of this Article, and that the sum of \$100 be appropriated for the purposes of said committee; the committee to report to the selectmen and Warrant Committee not later than January 1, 1933."

Pursuant to the foregoing vote, the Moderator appointed the undersigned committee. The committee met on May 13, 1932 and organized, electing Francis S. Moulton, chairman, and Marion F. Hall, secretary. The committee has now completed its consideration of the matters involved and reports as follows.

At the outset, it should be stated that the committee has been greatly hampered in its investigation by the lack of an adequate appropriation. The study of contributory pension systems as applied to a particular town, can be made only with the help of expert actuarial advice. Without such advice, it is impossible to determine the cost to the town of installing and maintaining such a system. So far as the committee has been able to discover, there are two recognized experts on the subject. Mr. George B. Buck, of New York, and Mr. E. E. Rice, of Boston. Mr. Buck did the actuarial work connected with the installation of the Newton and Somerville contributory pension systems, hereinafter referred to, and is at the present employed by these cities on an annual retainer. Mr. Rice did the work on the proposed Brookline system, hereinafter referred to, and will probably be retained by Brookline if the system becomes effective. The committee has been in touch with both of these men, and finds that to obtain the services of either of them would involve an expenditure from \$1,000 to \$1,500. On learning this fact, it became clear to the committee that it would be impossible to make an investigation which dealt fully with the cost to the town of a contributory pension system, without further funds. It, therefore, applied to the Warrant Committee for a transfer from the Reserve Fund. The Warrant Committee felt that such a transfer would be improper and, therefore, denied the application. As a result, the committee can not at this time embody in a report the actuarial data which would give accurately the cost to the Town of Milton of installing and maintaining a contributory pension system.

The committee has, however, considered with care the desirability of substituting for the present pension system, a contributory system. It has also considered the various systems now in effect, notably in Newton and Somerville, and the proposed system for the Town of Brookline. The Newton system went into effect in 1928; the Somerville system a year or so later. Both systems appear to be working satisfactorily. The Town of Brookline appointed a committee in 1929 to make an investigation of contributory pensions. This committee worked on the problem until 1931, when it submitted a report recommending the adoption of such a system. The report embodied the Act which it was proposed to have passed by the Legislature. That Act has not yet been passed, and Brookline is still without a contributory system.

It should be noted here that the existing Statutes contain provisions allowing cities and towns to establish contributory pension systems. These provisions are contained in General Laws, Chapter 32, Sections 26 to 31. This Statute, however, has not been considered adequate and most, if not all cities and towns establishing systems, have done so by special Act. If Milton should have such a system, it is believed that it should be established by special Act and not by acceptance of the above provision of the General Laws.

At the present time the Town pays the following pensions:

A. Police and Firemen.

The police and firemen are covered by Chapter 32, Section 85 of the General Laws, which provides for retirement after the age of sixty (60) of members of the Department having not less than twenty-five (25) years of continuous service to their credit at a pension equal to one-half of the annual compensation of the member at the time of his retirement.

B. Laborers.

Laborers are covered by Chapter 32, Section 77 of the General Laws, which provides for retirement at the age of sixty-five (65) of laborers having not less than twenty-five (25) years of service to their credit, at a pension equal to one-half of the annual compensation of the laborer at the time of retirement.

C. School Janitors.

School janitors are covered by Chapter 32, Section 44 of the General Laws, which provides for retirement at the age of sixty (60) of school janitors having not less than twenty-five (25) years of service to their credit at a pension equal to one-half of the annual compensation of the janitors at the time of retirement.

All of the foregoing pensions are non-contributory and the entire cost of the same must be borne by the Town.

D. School Teachers.

School teachers are covered by Chapter 32, Sections 6 to 19, which contain elaborate provision setting up a contributory pension system. School teachers' pensions are the only contributory pensions provided for by the existing Statutes.

Any contributory pension system adopted by the Town of Milton should, it is submitted, be established substantially along the lines followed by the cities of Newton and Somerville in their respective Acts. Such Acts in substance provide for the following set up:

I. Administration.

The system would be known as the Milton Retirement System and would have the powers and privileges of a corporation. The management of the system would be vested in a Retirement Board, the membership of which would be constituted as follows:

- (a) The treasurer of the Town for the time being.
- (b) One person appointed by the Selectmen who would serve for a term of three (3) years commencing on the date when the retirement system becomes first operative and until the qualification of his successor, and
- (c) One person who would be a member of the retirement system and who would be appointed by the Selectmen to serve for a term of one year commencing on the date when the retirement system becomes first operative and until the qualification of his successor.

As the terms of office of the appointed members expire, their successors would be appointed for a term of three (3) years each and until the qualification of their successors.

The members of the Retirement Board would serve without compensation, but would be reimbursed for any expense or loss of salary or wages which they might incur through service on the Retirement Board.

II. Membership of the System.

Membership would be open to all employees who receive their compensation from the Town of Milton, excluding school teachers, and elected employees. Employees who are covered by any other pension or retirement law who elect to be members, must waive all present and prospective pensions under such laws. Employees in service on the date the system became effective may elect whether they want to join. If they are not covered at the present time by any other pension or retirement law and wish to be excluded from the system, they must file a non-election blank before a certain date. If police, firemen or other employees who are covered by any pension or retirement law, wish to join the new system, they must make a written application to the Retirement Board. All employees who enter the service of the Town may join the system immediately if they desire, but if they enter after the date the system becomes effective, they are required to join the system after completing one year of service.

III. Service Retirement.

Any member who has attained the age of sixty (60) may retire on his own application regardless of the number of his years of service. Retirement is compulsory at the age of seventy (70), except for policemen or firemen who must retire at the age of sixty-five (65), and except for department heads who, under certain conditions, may be retained in service after attaining the age of compulsory retirement.

Each member will have a savings account in the system, to which he will contribute 4% of his salary. Interest will be credited regularly to his savings. When the member reaches the age of retirement, if he retires he will receive

- (a) an annuity which shall be the actuarial equivalent of his contributions at the time of his retirement, and
- (b) a pension equal to the annuity computed on the basis of contributions made prior to the attaining of the age of sixty.

If the member has rendered service prior to the date the Act becomes effective, he would receive additional pensions from the Town so that his total allowance is about equal to that which he would receive if he had made contributions during the entire time of his service.

IV. Ordinary Disability Benefit.

If as a result of permanent disability an employee becomes unable to work before he reaches age 60 but after he has 20 or more years of service he may retire regardless of age on a disability allowance payable for the remainder of his life, unless a medical examination shows him to be able to work, in which case his retirement allowance may be reduced or discontinued. Upon ordinary disability retirement the employee receives the annuity which can be provided by his contributions with interest and a pension of 9-10 of the pension which he would have received had he remained in service to age 60 without change in compensation.

V. Accidental Disability Benefit.

If an employee meets with an accident in the performance of duty which renders him incapable of continuing his work he may retire on a pension of 50 per cent of his regular annual compensation for his last year of service if he is under age 60. If he has attained age 60 he will receive the pension which he would have received had he retired on account of service. In addition he will receive the annuity which can be provided by his contributions with interest.

VI. Ordinary Death Benefit.

If an employee should die from ordinary causes before retirement all his contributions with interest are payable to his legal representative.

VII. Accidental Death Benefit.

If an employee dies as a result of accident occurring while in the actual performance of duty a pension of one-half of his regular annual compensation at the time of death is payable to his widow or to his children, who are under eighteen years of age, or to his dependent parents. In addition his legal representative is entitled to receive all his contributions with interest.

VIII. Withdrawal Benefit.

If an employee leaves the service for any reason other than by death or retirement his contributions with interest compounded at 4 per cent per annum will be returned to him.

IX. Optional Benefits.

If the employee receives the ordinary retirement allowance all payments are discontinued at his death. But if at retirement the employee wishes to arrange to have a benefit paid upon his death in case he dies before receiving the amount of his own contributions he may elect to take instead of a regular allowance a reduced retirement allowance with a provision that if he dies before receiving from the payments of the annuity provided from his own contributions an amount equivalent to the amount of his contributions as they stood at retirement, the balance will be paid to his legal representatives or to the person whom he has designated as beneficiary. Or if he prefers he may elect to take a smaller retirement allowance for himself and provide that at his death the allowance or one-half the allowance will be continued to his wife or other dependent as he may designate at retirement.

From the foregoing summary, it will be seen that a contributory pension system offers definite advantages in that

(1) It affords a comprehensive scheme for covering all employees in the Town, except school teachers and elected officials.

(2) The cost of the retirement allowance is shared by the employees and eventually the cost to the Town for providing pensions for all deserving employees would be less than under non-contributory system.

On the other hand, the cost of adopting a contributory system may be high, because of the fact that the Town must give credit for periods of prior service when no contribu-

tions were made by the members of the system. As has been pointed out, this cost cannot be determined without a detailed actuarial study and until it is known, this Committee does not feel that it can recommend the adoption of a contributory system. But the Committee is unanimously of the opinion that provided the cost of amortizing prior service is not prohibitive, such a system would be highly desirable for the Town of Milton.

It, therefore, recommends that an Article be inserted in this year's Warrant to see if the Town will authorize the appointment of a new committee with an appropriation sufficient to permit it to employ an actuary to determine the cost to Milton of adopting a contributory system, said committee, when said cost has been determined, to recommend to the Town whether or not such a system should be adopted and if its recommendation is in the affirmative, to prepare the necessary Act for submission to the Legislature.

Respectfully submitted,

WALTER H. NEAVES,
WALLACE D. DEXTER, JR.,
GEORGE A. SULLIVAN,
MARIAN F. HALL,
FRANCIS S. MOULTON, *Chairman*.

December 9, 1932.

DEPARTMENT REPORTS

REPORT OF SELECTMEN

December 31, 1932.

To the Citizens of the Town of Milton:

At the March Meeting George S. Murray, Josiah Babcock and William B. Thurber were elected Selectmen for 1932-1933. The Board organized with George S. Murray as Chairman and William B. Thurber as Secretary.

Although we regret the passing of time, the Selectmen greet the New Year with a small sigh of relief that 1932 and its problems are now behind us. The duties and responsibilities of the Selectmen's office have presented increasing problems in recent years and more than the usual difficulties this last year. We have made every effort to conduct the Town's business in a way which we thought was for the general good of the whole Town. The continuing economic depression influenced the Selectmen, unanimously, to decide to reduce so far as practicable all salaries and wages 10 per cent for those receiving \$2,000 per year and less, and 12½ per cent for those receiving over \$2,000 per year, such reductions becoming effective January 1, 1933. This decision was reached with great reluctance but in the conviction that sympathy and friendship must bow to the public need.

The decision concerning reduction of pay for our Civil Service Police and Fire Departments occasioned hearings and the red tape alleged to be required by Civil Service laws. A hearing for the Police Department reduction was held on the contemplation to reduce, and for the Fire Department on whether the Selectmen would affirm their original decision to reduce. On the original vote, the decision of the Selectmen was unanimous. After the hearings, Selectman Babcock favored a ten per cent "Contribution Agreement" to run for one year, proposed by counsel for the men. Selectmen Murray and Thurber rejected the proposal as unsound in principle and not in the public interest. The final decision to effect the reduction was made by Selectmen Murray and Thurber. Selectman Babcock voted against the reduction for these two Departments upon the failure of his motion for the "Contribution Agreement." The Attorney for the Policemen and Firemen, during the hearings, threatened court action if we attempted to make the reduction effective. Pending judicial review therefore, further discussion at this time is undesirable.

Late in December, the Chairman of the Board called the attention of the Selectmen to the fact that 25 per cent of the total personnel of the Police and Fire Departments are receiving Federal Government Veterans' Disability Compensation or Disability Allowance for physical disabilities claimed by these individuals. The ordering of physical examinations for all members of these two Departments to determine their physical fitness to perform satisfactorily their respective duties is now under consideration.

The large amount of annual expenditures for which the Selectmen are directly or indirectly responsible has always required careful supervision. The present vital necessity for sound economy now demands better supervision by the Selectmen's office than has been necessary in recent years. The Selectmen have been actively engaged this year in reorganizing the office in order to provide better departmental administration.

The Selectmen's vault has been cleaned and all its contents of papers and correspondence have been read and classified. Mr. Frank R. Forde, our Insurance Adviser, gave generously of his experienced judgment in the filing of records, so that the Selectmen's files are now carefully classified by subjects. This has simplified and greatly improved the work of the office and increased the ready availability of the recent history of individual subjects, of which there are some 150 under the direct jurisdiction of the Selectmen. The present personnel of the Selectmen's office is now able to do all necessary stenographic work.

The reorganization of the Selectmen's office has demanded much time and thought, and the necessity for regular daily morning conferences of the Chairman and Secretary, extending over the last six months, forced one member of the Board to remark, that meeting in the Selectmen's office was equivalent to meeting "at the corner of Washington and Summer Streets in Boston." This condition has been improved by the assistance of the Employment Committee in helping to provide by its efforts and the assistance of private funds, a conference room in what was previously a dark and dirty corner of the basement adjoining the Selectmen's office. This room will be of great help to the Selectmen and improve their administrative efficiency.

New forms for detailed departmental budget estimates have been prepared and have met with the hearty approval of the Town Accountant and the Warrant Committee. It is anticipated that these estimates will now provide much helpful information, which has previously not been readily available and will, therefore, tend to improve the conduct of the public business. In addition there has been developed a form of record,

which the Selectmen for want of a better name have called Expense Control Sheets, which it is planned to require to be submitted monthly by the Selectmen's department heads for monthly advance approval of contemplated expenditures. By this method, it is hoped economies and better financial control will result.

It is the opinion of the Board of Selectmen, based on its experience and full appreciation of the many complexities of the office, that Milton should quickly adopt a three-year term for Selectmen. One year is hardly sufficient time to learn to realize that there are so many problems, let alone to gain enough experience to solve them wisely.

The increasing seriousness of unemployment in the Town since 1929 caused successive Boards of Selectmen to assume responsibility for its alleviation. Although this is not one of the Selectmen's official duties, it seemed unavoidable that the Selectmen should take the initiative. The Employment Committee was appointed by the Selectmen to undertake the responsibility and solution of all the details of that great problem. It has continued to render service for which the community can never express enough thanks and is discharging its task in a manner which has earned the confidence and gratefulness of the Selectmen to a degree that we can never express in words. Its work has become so important that we have asked the Committee to write its report to the Town for the year to be included in the Town Report.

The enlarged activities of the Town's departments have finally forced certain changes in the Town Hall, which have been discussed in one form or another since before the beginning of the century. As the result of the action of the Town at the last March Meeting the small Town Hall has been partitioned off to provide an office for the Town Treasurer, an office for the Board of Public Welfare, and the remaining space has been arranged for hearings and small gatherings. With the co-operation of the Employment Committee the Town Hall basement, halls and corridors have been subjected to a house-cleaning and repainting, such as has not before been experienced. We are sure that all those who have occasion to visit the Town Hall appreciate the improvement which has taken place. There is none more appreciative than our greatly beloved James Sangster, who served as Superintendent of the Town Hall and Lot so many years, and who now is enjoying the benefits of a pension which the Selectmen were very happy to vote him during the past year. He is succeeded by his son, Roger Sangster, who for many years has been a janitor in the School Department, and who has assumed his new duties with an attitude which speaks well for the future.

Other appointments made by the Selectmen, during the year, appear elsewhere in the Town Report. Departmental Reports contain departmental history for the year and other records of the year are available in the Selectmen's records and files for those who are interested.

The Selectmen's attitude toward next year's policies is reflected in the budget estimates which will be presented for 1933. There is included in the Town Report, and incorporated in this report by reference thereto, a statement of financial facts and figures, which is self-explanatory.

Although there have been a few matters of important policy on which opinions differed, there has been a very agreeable harmony in personal relations among the members of the Board of Selectmen and in our relations with the various departments, our appreciation of which we should like to record publicly at this time.

GEORGE S. MURRAY,
JOSIAH BABCOCK,
WILLIAM B. THURBER,
Selectmen of Milton.

Town of Milton

ELEVEN YEARS
1922 - 1932

FINANCIAL FACTS AND FIGURES

POPULATION—TAX RATES—VALUATIONS—TAXES
UNCOLLECTED TAXES—OTHER INCOME—APPROPRIATIONS
FUNDED DEBT—and VARIOUS OTHERS

TO THE WARRANT COMMITTEE, TOWN MEETING MEMBERS, AND ALL TOWN OFFICERS:

The New Year's problems of the Town are now before us and promise to be the most serious that have faced the Town in this generation. Those who have worked conscientiously to conduct the Town's affairs for the good of the whole Town can appreciate what that may mean.

In order to predicate my judgment of the problems of 1933 on a sound basis of financial fact, with the assistance of Miss Berni, the Town Accountant, Miss Maxwell and Miss Johnson of the Assessors' Office and others, I have prepared these Financial Facts, and Figures. They do not pretend to be exhaustive. The Selectmen thought them of sufficient interest and importance, however, to order them published for your use, as part of our report to the Town this year.

Our fellow citizens trust us to administer their affairs wisely in their interest. That trust calls for sound economy now as never before! That trust calls for a recognition of, and insistence upon equitable, sensible relations between the public employee and the public employer! The one's demands must not be allowed to threaten the security of the other by over-zealous insistence on unreasonable preference. That trust also calls for reasonable recognition of the pressing obligations of the community to those who are unemployed because of the maladjustment of our economic machinery!

1932 has gone and carried with it disappointed hopes of a year ago, for an early improvement in affairs which would have avoided many of the problems which face us this year. 1932 brought and left with us lower incomes and lower realizable property values. Our municipal income for 1933 depends on these two fundamentals. We must remember, the power to tax still is the power to destroy!

Respectfully yours,

GEORGE S. MURRAY,
CHAIRMAN,
BOARD OF SELECTMEN.

October, 1932.

Revised, Dec. 1932 and Jan. 1933

GEORGE S. MURRAY

CHART I

MILTON'S ANNUAL INCOME FROM ALL SOURCES
(Detailed figures on Page 2)

Chart I shows the amount of income from various sources and presents a clear picture of the way in which Real Estate and Personal Property is taxed to provide the total income necessary to meet the expenditures shown in Chart II.

CHART II

MILTON'S ANNUAL EXPENDITURES
(Detailed figures on Page 2)

Chart II shows the great magnitude of Town appropriations in proportion to all other annual expenditures and indicates that substantial reductions in our cost of Town government can only be made by reductions in appropriations.

It is interesting to note that of the Town appropriations of \$1,215,000.00 in 1932, \$700,000.00 was spent for salaries and wages of which something over \$310,000.00 was for salaries in excess of \$2,000.00. In other words, 57½ per cent of the Town's Departmental appropriations was for salaries and wages. This figure compares with \$700,000.00 spent in 1931 out of appropriations of \$1,316,000.00 or 53 per cent. About 3,900 people paid the real estate taxes in 1931, and the average bill was about \$212.00. The figures for 1932 would show a somewhat higher average. Real Estate has carried the load of increased expenditures. The average man who pays the average tax bill is going to get substantial relief only by reducing appropriations.

CHART III

MILTON'S POPULATION VS. VALUATIONS
AND EXPENDITURES
(Arithmetic Scale)

CHART IV

MILTON'S POPULATION VS. VALUATIONS
AND EXPENDITURES
(Logarithmic or Ratio Scale)

Equal percentage changes on this chart are of equal height, so that proportionate changes are not exaggerated as they appear to be in arithmetic plotting.

Both Charts show that from 1922 to 1929 assessed valuations increased more rapidly than population (60% against 46%). From 1929 to 1932 valuations grew less rapidly than population (5.5% against 11%). For the 11 years, valuations grew 74% and population 62%. In the meantime, funded debt grew by leaps and bounds from \$288,500 to \$1,131,000, an increase of \$843,000 or 290%! Taxes assessed increased \$490,000 from \$554,857 to \$1,044,476, or 88½%. In other words, valuations grew 1.2 times faster than population; annual expenditures grew 1.4 times faster than population; and funded debt grew 4.7 times faster. The line representing taxes assessed has shown a steady, rapidly rising trend to an amount in 1932 of \$1,044,476, the highest amount ever assessed on real and personal property in Milton. It is high time to change the trend.

CHART V

CHART VI

CHART V—TAXABLE INCOME AND INCOME TAX IN MASSACHUSETTS

Chart V shows the total individual income in Massachusetts subject to the income tax and also the income tax derived from that total income. Taxable income rose rather rapidly in the eight years from 1922-1929 from about \$425,000,000 in 1922 to close to \$1,000,000,000 in 1929. The very sharp drop in 1930 and 1931 is estimated by the Commissioner of Corporations and Taxation to have continued through 1932 so that in three years the drop has been from about one billion dollars to four hundred million dollars, an amount less than the taxable income of 1922. The income tax as assessed is, of course, based on the previous year's income and shows a corresponding rise and fall. The Tax Commissioner estimates that the total income tax to be distributed to cities and towns in 1933 will not exceed \$12,000,000.

CHART VI—MILTON'S STATE INCOME VS. STATE OUTGO

"The Income Tax law which went into effect in 1917, deprived municipalities of the right to tax intangible personal property, such as stocks and bonds, and substituted an income tax which is collected by the State and distributed to the local municipalities. The State distributes . . . on a somewhat complicated basis under which Milton . . . will continue to receive until the year 1928 a smaller proportion each year."—(Donald Report, 1924.)

In 1922, Milton received through various State sources slightly over \$200,000 and was required to pay assessments imposed by the Legislature of slightly under \$80,000, an advantage to the Town for the relief of real estate taxes of \$120,000. The State tax and other legislative assessments of \$116,000 in 1932 was the highest ever assessed. Surplus of income from State sources over State's expenses was about \$30,000. Income for 1933 is estimated to come somewhere in the range of bracket No. 1 and estimated State tax, increased Elevated deficit and other Metropolitan assessments are expected to come in the range of bracket No. 2, so that Milton can expect to receive from the State something between \$20,000 and \$75,000 less than will be assessed upon it. Compared to the \$30,000 excess of last year, this means that Milton starts the financial year 1933, \$50,000 to \$105,000 worse off in its relations with the State than in 1932. In other words, continuously increasing State expenditures have acted to offset the relief which the income tax was supposed to provide for real estate and this year real estate taxes must provide funds with which to meet State and Metropolitan District expenses. Therefore, the difficulty of Town officials in reducing the cost of local government is made doubly great for not only must we reduce appropriations to maintain or reduce recent annual taxes, but we must reduce appropriations still further if we are to avoid increased taxes on account of increased State assessments.

PUBLIC EXPENDITURES in MASSACHUSETTS

The Massachusetts Legislature, in 1932, created a most important Committee, the Joint Special Committee on Public Expenditures, . . . "to investigate and study the entire problem of Public Expenditures with a view to alleviating the burden thereof." In its report dated December 1, 1932, the Committee says much which deserves the serious thought and consideration of all citizens of Massachusetts and particularly officials of municipal governments. It says:

" . . . At the outset of its investigation, the Committee was confronted with the realization that the Commonwealth and its political sub-divisions are facing, in 1933, the most trying financial situation in their history. . . . With little hope that 1934 would be any better, (financially than 1933) it set to work to find means by which State, county and municipal expenditures might be brought down to the level of estimated income."

" . . . The need for a general reduction in all public expenditures is not merely an economic theory to be preached by all and practiced only in a few isolated instances, under the moving factor of compulsion. If this principle is not voluntarily accepted now, it is only a question of time when it will force itself upon us, with attendant circumstances that will be little short of disastrous."

" . . . We have found . . . that with a few exceptions of this kind, the solution of municipal problems rests directly upon the municipalities themselves."

" . . . Unusual times and conditions have placed unprecedented burdens upon municipal governments. These have been multiplied by the fact that the same conditions that have reduced the circumstances of the individual have been reflected in reduced income from channels through which large contributions to the public treasury ordinarily are received. . . . Necessity exists and must be satisfied."

" . . . The emergency is more pronounced this year than before. It is entirely reasonable to say that it is twice as great as it was a year ago."

" . . . His Excellency the Governor, in his annual message at the beginning of the legislative session of 1932, advocated a 10 per cent reduction in the salaries of all state employees receiving \$2,000 or more. It has become obvious that such a course is the inevitable consequence of the inability of the people to support their government on the same scale as that which obtained at the peak of prosperity. . . . It is inconceivable that the compensation of public employees be maintained without regard for the declining values of all other commodities.

"There appears to be a general misconception, however, regarding the salaries paid to state and county employees. This Committee believes that few of them are overpaid for the work they do. In the main, they are conscientious and capable. But the status of a public employee is no different from that of an employee of private enterprise, with this exception: That the private employee not only is subject to a reduction in compensation when his employers are unable to realize a profit from the operation of their business, but may lose his job entirely as a result of a continued unprofitable operation; whereas the public employee is always reasonably certain that the business in which he is engaged must be carried on without regard for the element of sustaining profit."

"The position of the public employee is therefore of much greater security than that of the employee of private enterprise, and employment at reduced wages is preferable to no employment at all."

His Excellency, Governor Joseph B. Ely, sent the State Budget for the year 1933 to the General Court on January 24, 1933 together with his Budget Message. His Excellency has the advantage of much of the best advice and opinion available today in the Commonwealth of Massachusetts. His well considered opinions and judgments are those of a man in high office charged with responsibilities affecting four and one-quarter million people in Massachusetts. In the course of his Budget Message, he said the following:

" . . . Like every other institution requiring financial consideration, the effect of this depression has been to lower the revenue available for the expenses of government. The collections of ordinary revenue for the last three years are conclusive evidence of the effect of depressed business conditions upon the finances of the State."

" . . . We cannot afford to over-estimate seriously our expected income and remain upon the pay-as-you-go policy. It is absolutely essential for the preservation of that idea of government to indulge in conservative estimates."

His Excellency incorporated in his Budget the plan of the Joint Special Committee for reduction of all State salaries and in submitting his recommendation for such reductions said:

" . . . The necessity for these reductions needs no argument beyond the recital of the figures (reduced income) to which I have made reference. The taxpayer has a right to expect such action. It is consistent in principle, although much less in amount, with the general reduction of incomes in the field of business and industry. It is an essential part of the process of bringing the cost of government to the new scale of economic values."

" . . . When the recommendations contained in this Message are adopted, it will be possible to balance the Budget. . . . We have balanced the Budget quite satisfactorily, so far as the State is concerned, but we have not aided in the relief of the burden for the cities and towns. . . ."

The Governor concludes his Budget Message with a very apt characterization of the situation which confronts municipal government throughout Massachusetts as well as here in Milton. It fairly characterizes the point of view which your Selectmen have tried consistently to hold throughout the year in the actions which we have taken.

" . . . We do not fear the future; it is only the present that causes us anxiety. I am not one of those who holds any doubt concerning the future prosperity of Massachusetts and this great country of ours. The wealth of our nation, the ingenuity of our people, the sound base upon which our civilization rests, and above all, the faith which we hold and the courage which we display, guarantee the future. The present times create our problem. This is a period of universal change. It is our duty so to legislate that the transition may be made with as little discomfort as possible. It is required of us that we bring the cost of government at once to the new level of economic values. Such action upon the part of the States and the Federal government, as well as the cities and towns, favorably establishes one element upon which is predicated practically every business venture. Such action, therefore, tends to promote our economic life and to bring it back to a more normal flow. . . ."

Concerning the Cost of Living

" . . . The tendency . . . to estimate wages solely in terms of dollars frequently leads to serious economic error. The real significance . . . is not the dollar in hand, but rather what the dollar will buy. Wages are always comparative. Cheap money means dear commodities and dear money means cheap commodities. . . . Attention . . . is too frequently directed toward the dollar instead of the buying power of the dollar. . . ."

The cost of living in Massachusetts^a, prepared by the Bureau of Labor and Industries, and shown in Chart IV, fluctuated moderately above and below 160 from 1922 through 1929. During that entire period, taxes assessed and funded debt in Milton rose constantly. From 1929 to 1932 there has been a steady, pronounced decline in the cost of living from around 160 to 123. Is it any wonder that the Taxpayer asks why the cost of his local government should not go down in keeping with all other costs of living?

Chart IV clearly shows that \$123.00 in December 1932 would buy the goods and services which required \$160.00 in the period from 1922 to 1929; or, in other words, \$1.00 in December, 1932 would buy as much as \$1.30 in the period from 1922 to 1929; therefore, one could suffer a reduction in income of 23% and still be able to maintain his standard of living of 1922 to 1929; or, in different words again, one who today receives 10 to 12½% less than in 1922 to 1929 is able to buy 14 to 17% more than was possible in 1922 to 1929. A weekly pay envelope containing \$40.00 today is worth as much as \$52.00 was in the 1922 to 1929 period; \$37.00 per week is the equivalent of \$48.00 then, and \$27.00 per week will buy what required \$35.00 in those days.

ONE OF THE BEST WAYS TO INCREASE A FAMILY'S INCOME IS
TO REDUCE GOVERNMENT EXPENDITURES.

REPORT OF THE BOARD OF APPEAL

December 31, 1932.

To the Citizens of the Town of Milton:

Chapter 40, Section 27 occasioned the appointment, by the Town Moderator, of a Board of Appeal to succeed the Selectmen in Zoning By-Law matters because of the adoption of the new Building and Plumbing Laws by the Town Meeting in March, 1932.

Mr. Oscar W. Haussermann was appointed to serve until the March Meeting of 1935. Fred N. Russell to serve until the March Meeting of 1934 and George S. Murray until the March Meeting of 1933. The Board of Appeal met on November 17, 1932 and organized with George S. Murray as Chairman and Oscar W. Haussermann as Secretary. No appeals of importance have been presented since organization.

Respectfully submitted,

GEORGE S. MURRAY, *Chairman*
FRED N. RUSSELL,
OSCAR W. HAUSSERMANN.

REPORT OF TOWN ENGINEER

Milton, Mass., January 12, 1933.

To the Honorable Board of Selectmen:
Gentlemen:

I present the following as my annual report of the Engineering Department for the year ending December 31, 1932.

This department has had an unusually busy year, due to the problems brought about by the unemployment situation. Never has the Engineering Department been more necessary to the tax payer than this past year. The uppermost thought in the minds of the town officials has been to make work for the unemployed citizens where the maximum amount of money could be spent for labor, and the minimum amount for material.

It has been found that drainage work is one of the jobs where labor can be used to the best advantage to all concerned, therefore much has been expended for that purpose to keep men at work. About 60% of all money spent for drainage has gone for labor and 40% for materials, that is, during the seasons of no frost. When there is frost in the ground, the percentage of labor on all excavation is much more, depending on how deep the frost is and the ground conditions.

DRAINAGE

From January 1st to May 1st drainage work was carried on in the Unquity Brook section. On January 1st there were one hundred men of the Highway Department working on two sections of this brook, described in the 1931 Engineer's report.

The drainage in this section was completed as planned in 1932. The brook is now widened and deepened from Brook Road to tide water below Squantum Street except for a portion between Adams Street and Otis Street where easements are now in the process of being procured. An 18-inch pipe line was laid from the culvert at what was the locus of Brook's Pond to Churchills Lane along the north side of Brook Road. Openings were left at various low points to allow the ground and surface water to enter this line.

Brook Road Valley, from Randolph Avenue to Squantum Street, is well drained and the low areas are now dry during most of the year. Many people have remarked about the absence of the mosquitoes in this district.

Milton has had much more drainage installed during the year, cost of same being charged to the Special Employment Appropriation as well as from funds provided for the purpose by private individuals. Both Mr. Arthur O. Allen of the Tree Warden Department and Mr. C. Fred Joy, Jr. of the Sewer Department have cooperated in handling the so-called unemployed gangs in opening up water ways in marshy areas and deepening and widening the brooks. During the latter part of the year about ninety men have been kept busy installing drains and digging ditches. The Engineering Department ran the lines and gave grades for all of such work.

Drainage has been installed and other ground improvements made on the Belcher and Collicot School properties at the request of Mr. Horace Turner, Superintendent of the School Department. Plans and estimates of all this work have also been supplied from this department. We have made plans relative to improving the grounds around the Vose School and High School. The work, now in progress, is being done by crews of the unemployed.

Drainage has also been installed in certain public streets of the town, which have not been re-surfaced for some time because of the lack of adequate drainage systems. All areas and streets where drainage is installed have required much study and planning, especially so that all pipe lines be of sufficient size to care for possible future extensions and connections where developments of real estate, such as sub-divisions, might affect the volume of water to be conducted to the main outfall points.

The main trunk line drains in the populated areas have now been completed. Of course it will always be necessary to install drains as long as there are private ways to be constructed, but I cannot see how such large appropriations will be necessary for this type of work in the future.

CONSTRUCTION

This department made all estimates and plans for construction work, such as making surveys, running levels for making the plans, setting the bounds where necessary, staking out for drainage, and lines and grades for curbing. The actual construction work was followed daily. Many problems arise while construction is in progress, such as caring for an abutters private drain of which there had been no record, ground water appearing after the old road surface has been removed, entrances to driveways to be remodelled to fit the new grades, and many others too numerous to mention.

Every effort is made as far as practicable to give the new surfaced street a rural appearance after the work is completed, every effort is made not to injure the trees growing along the street and curbing is omitted except where it is considered necessary for the benefit and safety of pedestrians.

The following plan shows cross sections of various widths of streets which apply to our varying roadway widths. This sheet was made shortly after the engineer's office was established so that we would have a standard from which to work, when giving locations for pole lines, hydrants, catchbasins, service gate boxes, etc.

TOWN SURVEY

The town survey was carried on as planned and as reported last year is completed as far as the outside surveying work is concerned. The plotting of the large rolls, on a scale of forty feet to one inch, is about 95% complete. These plans are and will always be Milton's most valuable records. Every square foot of Milton territory is accounted for on these thirty-four sheets, each being five feet wide and fifteen feet long. A steel cabinet on wheels, with pigeon holes that hold most of these rolls, is run into the engineer's vault every night. This is necessary because of the crowded condition of the vault which was referred to in my last year's report. Record books of all the traverses run, with all the coordinates figured, are being made in case the rolls should be destroyed. Others could then be produced without having to do the field work all over again. All the note books used on the town survey are indexed and filed for future reference.

MAPS FOR ASSESSORS USE

The town map has been divided into fourteen sections and of these sections tracings are being made to give the Assessors copies of the entire town for the purpose of assessing. On these plans will be shown the section, block, and lot number, also every building and the house number. Except for the large open areas, all plans will be to a scale of forty feet to one inch, the large areas being scaled, but at a reduced size to fit the sheets, which are 21 x 30 inches. These sheets will require changes to be made in the future as property is subdivided and new streets are laid out.

WORK FOR OTHER DEPARTMENTS

For all fatal accidents, surveys are made and plans filed in this office. Blue prints of same are supplied the Police Department for their records.

Center lines have been spiked out for the Police Department on main thoroughfares for the purpose of painting traffic lanes.

Lines have been run for the Water Department for the purpose of laying water mains and many plans have been made and descriptions furnished for easements through private ways and lands. All of the new water mains, house connections, service gates, etc. have been located and plotted. Record plans of same were made and kept up to date.

Much work is required of this department by the Town Counsel for minor accident plans, checking up land court plans and many other minor plans that are necessary to a Town Counsel.

We can truly say that there are but few departments in Milton that do not call on the Engineering Department for service.

We have furnished house numbers to thirty-five applicants, issued one hundred sixty permits for street occupancy and openings during the year and made cash collections for the sums where necessary.

The Engineers Office requires the entire time of a draughtsman making plans for other departments, answering questions and phone inquiries that come to this office. Many lawyers, real estate men, public utility employees and citizens come here for information.

A financial statement of this department will be found in the Town Accountant's report. Reductions of the appropriations for the Engineering Department have been made during the past three years and a still greater reduction is made in the 1933 budget.

RECOMMENDATIONS

I recommend the completion of the widening and deepening of Unquity Brook between Adams Street and Otis Street, also the construction of new culverts at Rowe Street and Reservation Road.

I recommend the taking of land for the rounding of corners for the safety of pedestrians and motorists as follows:

Two corners at the intersection of Church Street and Church Place.

Two corners at the intersection of Otis Street and Edge Hill Road.

Two corners at the intersection of Brook Road and Canton Avenue.

The northwesterly corner of the intersection of Canton Avenue and Thacher Street.

The southeasterly corner of Huntington Road and Edge Hill Road.

I also recommend the installation of drainage in the Brush Hill section of the town. Metropolitan Avenue and that part of Brush Hill Road between Brush Hill Lane and Robbins Street should be cared for as this section is rapidly developing and storm water from the public streets does considerable damage to private lands. Smith Road is inadequately drained and Robbins Street between Trout Brook and Blue Hill Avenue should also have drainage installed.

I would recommend the Board of Survey regulations be printed so that applicants wishing to develop property in Milton would know just what the requirements are to build a street and obtain public utilities.

In conclusion, I wish to thank the Board of Selectmen and all other Boards and Departments for their cooperation with this department. The men working in this department have not only done their work well, but have made every effort to give prompt and cheerful service to all.

Respectfully submitted,

FORREST J. MAYNARD,
Town Engineer.

REPORT OF ASSESSORS OF TAXES

December 31, 1932

To the Citizens of the Town of Milton:

The Assessors of Taxes herewith submit their report for the year 1932.

At the annual election of town officers for 1932, Mr. Robert Bowie was elected for the three year term, and on March 7th the Board voted to organize as follows for the ensuing year: William W. Churchill, Chairman; Robert Bowie, Secretary. Miss Dorothy L. Maxwell was appointed Clerk of the Board, and Miss Bertha M. Johnson was appointed Secretary to the Board.

21,910 tax bills have been rendered by this office during the past year, their classification being as follows: 4,999 real estate taxes; 437 personal property taxes; 6,158 Motor Vehicle Excise taxes; 5,158 poll taxes; 5,158 Old Age Assistance taxes. The total shows an increase of 410 over the number of taxes committed in 1931.

As a result of new legislation, necessitated by a demand for Old Age Assistance which has far exceeded the estimates of the Welfare authorities, the Assessors have been notified that the Old Age Assistance tax will continue in effect in 1933.

The Town of Milton was obliged to pay this year to the Commonwealth approximately \$11,000, as the Town's share in the deficit of the Boston Elevated Railway Company. This assessment was caused by legislation which provides that any deficit shall be assessed upon the cities and towns in which the company operates, in proportion to the number of persons using the service of the company.

Owing to the delay in accurately ascertaining Milton's share in this deficit, the Assessors were unable to determine the tax rate until a much later date than usual. The rate was announced on August 4th as \$26.30 per thousand, an increase of \$.70 over that of 1931 (\$25.60).

The following figures were used by the Assessors in determining the tax rate for 1932:

1932 Expenses

To State:

State Tax	\$48,652 50	
Auditing Municipal Accounts	1,208 83	
Metropolitan Parks Tax	21,710 58	
Metropolitan Planning Board	173 77	
South Metropolitan Sewer Tax	25,357 00	
Charles River Basin	3,070 52	
Boston Metropolitan District	237 96	
Canterbury Street Highway	532 07	
Broadway, Revere Beach Parkway Crossing	220 19	
West Roxbury, Brookline Parkway	2,361 22	
Ways in Malden, Braintree, Weymouth, Hingham	28 06	
Southern Traffic Route	89	
Public Health in Valley of Neponset River	1,125 39	
Abatement of Smoke Nuisance	421 05	\$105,100 03
<hr/>		
Boston Elevated Railway Deficiency	\$11,294 71	
Interest on money borrowed	52 56	11,347 27

County Tax	31,566 21	
Town appropriations, March, 1932 (Tax levy)	1,212,398 87	
Town appropriations, March, 1932 (Unexpended balances transferred from 1931 accounts, by vote at town meeting)	*66,153 01	
Town appropriations, May, 1932	19,899 75

Respectfully submitted,

W. W. CHURCHILL,
ROBERT BOWIE,
CARL R. HORNE,
Assessors of Milton.

REPORT OF BIRD WARDEN

Milton, Mass., December 31, 1932.

To the Citizens of the Town of Milton:

I beg to submit to you my report as Bird Warden for the year 1932.

There was no appropriation and there are no accounts to be submitted.

I regret to report that there is again a noticeable diminution in the number of common wild birds in various sections of the town, and a number of less common birds which could usually be found in certain localities, are disappearing entirely. This is of course due in part to the increasing population of the town and the clearing away of the natural shelters resulting therefrom. It is inevitable that with such development as is going on in Milton, the woodland and meadow and pasture birds should move farther away from the proximity of so large a city as Boston.

I wish to repeat the appeal which I have made in recent years to those citizens who are interested, to aid in the fight against the European Starling which is a pugnacious bird and is very successful in driving away the native birds from the regions in which they congregate. Trapping and shooting are the only methods practical for lessening the Starling within the town.

I am glad to record that in various parts of the town the citizens are interested in maintaining feeding stations for the birds during the winter months and many people derive much pleasure from watching our winter residents at the feeding stations. I wish to encourage all who are interested in doing so, to continue this practice, and I hope that others may adopt it.

Respectfully submitted,

RALPH E. FORBES,
Bird Warden.

REPORT OF MILTON CEMETERY

Milton, Mass., January 11, 1933.

To the Citizens of Milton:

The Trustees of the Cemetery Department wish to report as follows for the year 1932:

There were one hundred seventy-nine interments in the Cemetery during the year, one hundred seventeen of which were from out of town.

Seventy-two new lots were completed. There were fifty-five lots taken by residents of the town and five single graves sold to residents.

Perpetual Care was placed on twenty-two lots and three single graves.

Forty-six cement foundations for monuments were made and twenty markers were set up on the different lots.

Twenty-two lots were filled to grade, regraded and reseeded.

One lot was sold back to Milton Cemetery and the amounts paid for the lot and for Perpetual Care were refunded to the former proprietor.

During the entire year the department assisted the Special Employment Committee in the town by taking on men as follows:

January . . .	5 men	July . . .	10 men
February . . .	5 "	August . . .	10 "
March . . .	10 "	September . . .	9 "
April . . .	10 "	October . . .	10 "
May . . .	4 "	November . . .	10 "
June . . .	7 "	December . . .	11 "

For the month of January, two weeks in February and for the month of December, the men sent by the Special Employment Committee were paid out of the Cemetery funds—a total amount of \$1,300.80.

Respectfully submitted,

PERCY E. SHELDON,
Chairman.

REGINALD L. ROBBINS,
Treasurer and Secretary.

THOMAS K. CUMMINS,
ASAPH CHURCHILL,
W. PRESCOTT WOLCOTT,
Trustees.

REPORT OF THE FIRE DEPARTMENT

Milton, Mass., January 4, 1933

To the Honorable Board of Selectmen, Milton, Massachusetts:

Gentlemen:

I herewith submit my report of the Fire Department for the year 1932.

ALARMS

There have been 389 alarms received as follows:
 141 bell alarms, 248 still alarms, 28 calls to Boston.
 Boston has responded to Milton 38 times.
 Alarms each month:

January	22	July	53
February	14	August	21
March	63	September	17
April	86	October	22
May	27	November	22
June	16	December	26

CLASSIFICATION

Automobile	29	Motor Boat	1
Awning	2	Needless calls	11
Blacksmith shop	2	Oil Burner	2
Bonfire	1	Old wagon	3
Brush	58	Overheated boiler	1
Dump	23	Pile lumber	4
Dwelling	20	Rubbish	18
False	28	Shed	8
Faulty electric wires	1	Smoke in building	3
Fence	2	Station platform	2
Foul chimney	15	Stable	1
Garage	3	Store	2
Gas oven	2	Tree	7
Grass	93	Woods	1
Leaves	4		

OTHER CALLS

Pulmotor, child locked in room, drowning, assist persons to enter house.

PROPERTY AT RISK

Value	\$542,700.00	Insurance paid	\$33,250.00
Fire loss	34,232.00	Per Capita loss	2.00

WORK PERFORMED

Feet of hose laid	31,350	Feet of ladder raised	1,342
Gallons of chemical used	1,758	Miles travelled	1,854.4

PERMITS ISSUED

Out-of-door fires	1,001	Explosives	26
Oil Burners	137	Fireworks	6
Range Burners	243		

INSPECTIONS

On Oil Burners	156	Stores, garages, filling stations,	
On Range Burners	276	bowling alleys, factories	360

103 inspections made of plans and locations of proposed garages and reports submitted to License Commission for private garages.

REPORT OF THE FIRE DEPARTMENT

PERSONNEL

One permanent man and one callman have been appointed to fill vacancies.

APPARATUS

The apparatus in service is the same as last year except that all is getting older and nearer the time when replacements should be made. All pieces are in fair working condition. Pneumatic tires have been installed on the front wheels of Hose No. 2, and the rear wheels will be equipped this year; new front tires have been installed on Ladder No. 1, replacing tires six years old. The Chief's car should be replaced this year (6 years old).

FIRE ALARM

Five new Fire Alarm Boxes have been purchased this year to replace boxes of old type (these being over thirty-five years old).

BUILDINGS

All of the buildings are in fair condition. Hose house No. 4 has been reshingled on the west side, and the outside has been painted. Minor repairs have been made at Headquarters and Hose No. 2.

RECOMMENDATIONS

Again I recommend that four new permanent men be appointed to the force; I recommend that a 750 gallon Pump Engine with booster tank replace Hose No. 2; I recommend that the practice of replacing the very old type Fire Alarm Boxes be continued until all are replaced (about 15 in all).

A year ago I recommended that a committee be appointed to study the needs of the Fire Department. That committee was appointed and they have rendered a report. During the past year the New England Insurance Exchange has made a reinspection of the Town with regard to fire protection. It is pleasing to note that both the committee and the Exchange have practically substantiated my recommendations of the past for more permanent men and apparatus.

I wish to thank your Honorable Board for your assistance during the year.

I extend to the Police Department my thanks for their cooperation.

To the officers and men of the Department, I think that a word of commendation is appropriate here for the wonderful spirit of cooperation and coordination shown during the past year. There have been several bad fires and thanks to this spirit the jobs have been well taken care of both in extinguishing and preventing the spread of these fires.

Respectfully yours,

J. HARRY HOLMES,
Chief of Department.

REPORT OF THE TREE WARDEN DEPARTMENT

Milton, Mass., December 31, 1932.

To the Honorable Board of Selectmen:

I beg to submit the following report of the work of the Tree Warden Department of this town, for the past year.

TRIMMING

There has been no damage to trees from storms during the past year. The regular trimming has required considerably more work than in the past two or three years.

PLANTING

We have planted 286 trees and have replaced a few trees that were struck by automobiles.

INSECTS

The infestation of the Elm Leaf Beetle is noticeably more than last year. We have been able to keep the Satin Moth and Tent Caterpillar under control. The Fall Webb Worm has been very noticeable during this year but we have been able by cutting the nests, to keep the street trees clean. This latter pest has increased noticeably during the year.

SAW MILL

The work done at the saw mill was about the same as last year.

PLANS FOR NEXT YEAR

We would like to plant as many trees as we did this year, during the coming year.

It is to be hoped that if the business depression improves, the requests for private work will return to normal. This year it showed a marked falling off, but I believe it would be a mistake to reduce the appropriation as the town loses nothing by making it large enough to cover any probable work desired, owing to the fact that the money not used reverts to the Town Treasurer.

APPENDIX A

Trees planted:									
Norway Maples	286
Trees removed:									
American Elms	9
Maples	3
Ash	4
									16

NOTE: An unusually large number of these planted trees died, although careful watering was given them.

APPENDIX B (GENERAL ACCOUNT)

Appropriation for Public Work	\$8,700 00
Expenditures	8,645 51
Balance reverting to Treasurer	\$54 49

APPENDIX C (PRIVATE ACCOUNT)

Appropriation	\$3,000 00
Expenditures	<u>1,525 05</u>
Balance reverting to Treasurer	\$1,474 95
Receipts from Private work	<u>1,556 70</u>
Total reverting to Treasurer	\$3,031 65
Receipts	\$1,556 70
Less Expenditures	<u>1,525 05</u>
Profit from Private work	\$31 65

SAW MILL ACCOUNT

Credits

17,000 feet of lumber sawed at \$10 per 1,000	\$170 00
Receipts from cord wood	70 00
Receipts from lumber sold	14 00
Receipts from saw dust	<u>15 00</u>
	\$269 00

Expenses

Cost of Electricity	\$38 00
Cost of Labor	<u>62 50</u>
	100 50
Credit Balance	\$168 50

Respectfully submitted,

RALPH E. FORBES,
Tree Warden.

MOTH DEPARTMENT

Milton, Mass., December 31, 1932.

To the Honorable Board of Selectmen:

I beg to submit the following report of the work of the Moth Department of this town, for the past year.

SUPPRESSION WORK

The infestation of the Gypsy Moth is noticeably less than last year, although we found nests scattered throughout the town; some in regions where they have not been found for a year or two.

No Brown-tail Moths have been found during this year.

The falling off of requests for private work must be attributed largely to the depression.

APPENDIX A. (GENERAL ACCOUNT)

Appropriation	\$4,700 00
Expenditures	4,679 29
Balance reverting to Treasurer	<u>\$20 71</u>

APPENDIX B. (PRIVATE ACCOUNT)

Appropriation	\$2,500 00
Expenditures	1,396 31
Balance reverting to Treasurer	<u>\$1,103 69</u>
Receipts from private work	1,408 35
Total reverting to Treasurer	<u>\$2,512 04</u>
Receipts	\$1,408 35
Less Expenditures	<u>1,396 31</u>
Profit on private work	\$12 04

Respectfully submitted,

RALPH E. FORBES,
Local Moth Superintendent.

REPORT OF BOARD OF HEALTH

Milton, Mass., December 31, 1932.

To the Citizens of Milton:

The number of contagious diseases reported to the Board of Health for the past three years has been as follows:

	1932	1931	1930
Anterior Poliomyelitis	0	6	0
Chicken Pox	66	60	70
Diphtheria	4	4	5
German Measles	11	27	25
Lobar Pneumonia	9	16	6
Measles	46	50	54
Mumps	84	24	45
Scarlet Fever	113	50	29
Tuberculosis (Pulmonary)	5	7	6
Tuberculosis (all other forms)	1	0	4
Whooping Cough	17	135	15
Dog Bite	13	19	14
Typhoid Fever	0	0	2
Septic Sore Throat	0	0	3
Malaria	0	1	0
Ophthalmia Neonatorum	1	0	0
Actinomycosis	1	0	0

The Board organized March 17th, 1931. Mr. Hervey W. King was elected Chairman and Mr. Philip Y. DeNormandie, Secretary. The following appointments were made: Agent, Dr. Paul W. Kimball; Inspector of Milk, S. R. Ramsdell; Inspector of Plumbing, L. E. Young; Deputy Plumbing Inspector, B. F. Murray; Agent for Issuing Burial Permits, G. F. Kemp; General Contractor, A. B. Snow; Inspector of Slaughtering, P. W. Kimball. The contract for collecting ashes and garbage was awarded to S. G. Craig.

73 permits for connecting houses with the common sewer were issued during the year. The report of the Milk Inspector indicates that a higher grade of milk is being furnished the Town than in former years as more of this milk whether raw or pasteurized is coming from Tuberculin tested herds.

The usual Schick test clinics were held this year and through the cooperation of the School Department we were able to have these clinics during school hours instead of in the latter part of the afternoon as in the past. The result of this change of time has been of great convenience to all of those taking the treatments. A total of 508 persons visited the clinic. 239 were given the Schick test and of these 219 proved to be immune. 289 persons were given the full course of three Toxin-Antitoxin treatments. A total of 1168 treatments were given at a cost of \$260.10 or slightly more than 22¼ cents per treatment. This shows a reduction of .2¼ cents per treatment from last year.

The report of the physician in charge of the Tuberculosis Clinic points out that one new case of Tuberculosis was discovered and treated at home with success. The successful treatment of this one case at home instead of at the Norfolk County Hospital practically saved the full expense of the clinic for the year. Six of the other cases admitted were definitely cleared of the suspicion of Tuberculosis and enabled to return to work.

Cases of Scarlet Fever during the year showed an increase of nearly 125% over the previous year. This however is in line with a similar general increase throughout the State.

A direct reflection of the prevailing economic conditions now existing is seen in the considerable increase in the cost of caring for cases of Tuberculosis and Contagious Diseases at Hospitals for the last year. At the close of the year the Board was caring for a larger number of cases of Tuberculosis in the Norfolk County Hospital than at any time in the last ten years. It now takes from two to three months to get a case admitted where formerly it took two or three weeks. The Board has also had to care for a larger number of cases of Scarlet Fever in the Hospital than at any time in the past.

An examination of the condition of Unquity Brook for possible pollution from sewage has been carried out with the cooperation of the State Engineers and the Board is taking steps to correct such pollution in the future.

Respectfully submitted,

HERVEY W. KING, *Chairman*,
PAUL R. WITHINGTON, M.D.,
PHILIP Y. DENORMANDIE, *Secretary*,
Board of Health of Milton.

REPORT OF THE MILTON TUBERCULOSIS CLINIC

To the Milton Board of Health:

I have the honor to submit the report of the Chest Clinic for the year ending December 31, 1932.

During this year, certain changes in the organization of the Clinic have occurred, notably in relation to our x-ray procedure. This is now done at the Norfolk County Hospital instead of at the Milton Hospital and is done for us free of charge.

The Clinic has been well attended and the details are given in the following table:

Clinics Held	12
Number of New Cases Admitted	28
Visits to the Clinic	77
Nurses Visits to Homes	209
X-rays at Norfolk County Hospital	15

Of the twenty-eight new cases admitted, eight were admitted because of suspicious findings in their own history by their own physicians or others. Of these, one active case was uncovered which has been treated at home with success. So far, the reports on the cases treated last year indicate that they continue to remain well. The other twenty new admissions were admitted because of contact with cases of known tuberculosis. No active tuberculosis was found in this group.

One of the important parts of the Clinic is the follow-up work on cases previously reported as contacts. We have checked all the children who had a negative intradermal tuberculin test last year and have applied the test to all children examined this year. We are now watching the ten children with negative tests and will repeat these annually. This is an important part of our work, as it is desirable to know at what time the children of the community acquire their immunizing tuberculous infection.

From an economic point of view, I wish to emphasize that in a number of cases we have been able, by means of our x-ray facilities especially, to determine whether or not various men should continue the employment which they then had. In times like these this is a particularly important decision for the individual and his family. The care of even one case of active tuberculosis with proper isolation and rest treatment is of distinct value in preventing the spread of this disease. It is in this same calendar year that we have been able to discharge as arrested, the cases previously treated.

It is a great pleasure to record my appreciation of the help and efficiency of the district nurses and officials of the Social Service League.

Respectfully submitted,

G. PHILIP GRABFIELD, M.D.
Physician in Charge.

REPORT OF COLLECTION OF ASHES AND GARBAGE

Dec. 31, 1932.

To the Board of Health:—

DEAR SIRs:—I herewith submit my report for the year ending December 31, 1932. There have been collected 1,146 truck loads and 6,004 double loads of ashes, and 387 cords of garbage.

Respectfully submitted,

SAMUEL G. CRAIG.

REPORT OF GENERAL CONTRACTOR

Milton, Mass., Jan. 9, 1933.

To the Board of Health:

GENTLEMEN:—I herewith submit my report for the year ending December 31, 1932.

2 vaults cleaned.

34 cesspools cleaned.

43 loads removed from same.

2 dead animals removed and buried the same.

Yours respectfully,

ALVAH B. SNOW.

REPORT OF INSPECTOR OF MILK

Milton, Mass., Dec. 31, 1932.

To the Board of Health:

GENTLEMEN: During the year ending Dec. 31, 1932, there were issued 58 licenses to sell milk and cream. Of this number 55 cover the sale of milk and cream that has been pasteurized and three are for the sale of raw milk and cream from cows that have been tuberculin tested and maintained in accordance with State and Federal regulations. It is of interest to note that an increasing amount of the pasteurized milk is also being produced from tested cows.

One dealer was registered to sell oleomargarine. Four Milton establishments were licensed to pasteurize milk. Two were licensed to manufacture ice cream.

The total daily consumption of milk in Milton is 6600 quarts of which 94% is pasteurized. Of the above total 32% is produced within the state and 19% is produced in Milton.

During the past year there were collected and chemical and bacteriological tests were made on 347 samples of milk.

Respectfully submitted,

SHERMAN R. RAMSDELL,
Inspector.

REPORT OF INSPECTOR OF PLUMBING

Milton, Mass., December 31, 1932.

To the Board of Health:

GENTLEMEN: Herewith I submit annual report for the Department of Inspection of Plumbing for the year 1932.

<i>Month</i>	<i>Permits Granted</i>	<i>Valuation as per Applications</i>
January	12	\$3,788 00
February	6	1,475 00
March	10	4,945 00
April	17	7,280 00
May	20	8,890 00
June	21	7,375 00
July	14	4,925 00
August	21	8,675 00
September	14	4,730 00
October	13	6,450 00
November	15	3,515 00
December	12	4,930 00
	175	\$66,978 00

Of the above permits 77 (44%) were for installation of new work in new buildings and 98 (56%) for new work and alteration work in old buildings.

As reference to my report for 1931 will show, the number of permits issued this year is less than 62% of the number issued last year. This falling-off is due to the prevailing inactivity in the building industry and in real estate operations.

The new Code of By-Laws became operative in the autumn, after approval of the Attorney-General, and the provisions of the Code are now being enforced. While, under the new Code, some changes in installation methods are required and, in fairness to the plumber, some explanations in detail at the scene of work are necessary, little difficulty is being experienced, as a very large majority of the plumbers to whom permits are granted show real interest in and a disposition to comply with the new By-Law.

I beg to thank you for your continued confidence and co-operation.

Respectfully submitted,

LORENZO E. YOUNG,
Inspector of Plumbing.

REPORT OF INSPECTOR OF SLAUGHTERING

December 31, 1932.

To the Board of Health, Milton:

GENTLEMEN: No animals were passed for food during the year 1932.

Respectfully submitted,

PAUL W. KIMBALL,
Inspector of Slaughtering.

REPORT OF INSPECTOR OF ANIMALS

Milton, Mass., December 31, 1932.

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report for the year ending December 31, 1932.

I visited and inspected 37 barns and premises where cattle are kept and found conditions pertaining to health and sanitation of animals generally satisfactory.

Physical examination was given to 369 cows and 8 bulls.

Five barns and premises were inspected for approved disinfection following the removal of reactors to the tuberculin test.

It was necessary to quarantine 33 dogs that had bitten people.

Interstate shipments of cattle have been complied with.

Respectfully submitted,

ROBERT H. SEWELL,
Inspector of Animals.

REPORT OF INSPECTOR OF BUILDINGS

Milton, Mass., December 31, 1932.

Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report for the Building Department for the year ending December 31, 1932.

<i>Month</i>	<i>No. of Permits</i>	<i>Permits for New Dwellings</i>	<i>Permits for Alterations</i>	<i>Permits for Garages</i>	<i>All Other</i>	<i>Valuation</i>
January	12	4	6	2	0	\$21,875.00
February	10	4	4	2	0	23,950.00
March	30	16	7	5	2	86,850.00
April	32	9	14	9	0	63,700.00
May	48	12	20	16	0	100,057.00
June	34	5	18	11	0	31,847.00
July	27	10	10	5	2	104,960.00
August	36	3	12	14	7	31,735.00
September	31	6	10	8	7	66,180.00
October	33	3	21	5	4	24,285.00
November	32	7	19	6	0	48,915.00
December	22	8	6	8	0	24,750.00
Totals	347	87	147	91	22	\$629,104.00

Making valuation as per applications \$629,104.00.

Respectfully submitted,

G. E. BURT,
Inspector of Buildings.

REPORT OF SUPERINTENDENT OF WIRES

Milton, Mass., December 31, 1932.

*To the Honorable Board of Selectmen,
Town of Milton, Massachusetts,*

GENTLEMEN:—I herewith present the report of the Wire Department for the year ending December 31, 1932.

This department has supervision of the Fire and Police Signal System, inspection of all buildings equipped with electric light service and all poles and wires on town streets.

Interior Wiring

	1931	1932
Certificates issued for light and power	224	297
Number of inspections	867	630
Number of incandescent lights wired for	7,942	5,155
Number of motors installed	34	24
Total horsepower	47	52
Number of electric heaters and ranges installed	12	23
Total watts	705,240	198,420

Radio

All outside antenna wires must be protected by a lightning arrester.

Fire and Police Signal System

(Overhead and Underground)

Emergency calls 222.

Have replaced arms on poles reset by different companies in town.

New construction from Brook Road and Central Avenue to Blue Hills Parkway, and on Randolph Avenue from Hillside Street to Box 351.

Changed wires on poles from top to bottom on Granite Place.

Ran 2,000 feet of cable to replace old wire on Central Avenue.

Care of signal lights.

Respectfully submitted,

E. E. CHOATE,
Superintendent of Wires.

REPORT OF PARK COMMISSIONERS

Milton, Mass., Dec. 31, 1932

To the Citizens of the Town of Milton:

The Park Commissioners herewith present their report for the year ending December 31, 1932.

The personnel of the department was as follows:

Superintendent	John L. Kelly
Playground director (2 months)	Aaron H. Yeaton
Assistants	Miss Helen Kelly
	Miss Ethel Hannigan
	Miss Barbara Hart
Supervisor of Academy Tennis Courts	Paul McPeake

The ordinary routine of the department was conducted as usual. Clearing of heavy underbrush both at East Milton Playground and Hollingsworth Field was accomplished with the assistance of the Forestry department.

Six hundred feet of chain-link fence was installed upon the playground along Brook Road. This fence is seven feet high and affords a much needed protection both to persons using the grounds and to the Playground itself from the trespassing of automobiles thereon. A field-stone wall, two hundred and fifty-seven feet in length, was erected in front of the field house and a chain-link fence erected thereon to match the almost completely fenced boundary of Brook Road.

Considerable filling was obtained from the highway department and used in grading the south end of the Brook Road Playground. It is the hope of your Commissioners to bring this section of the grounds up to the grade of the baseball diamond, thereby establishing an area which may be used for football or girls hockey.

The tennis courts at Brook Road enjoyed a tremendous use due in part to unemployment. The townspeople were again indebted to the Milton Academy Trustees who have so generously allowed them the use of the two courts upon their grounds near Brook Road the past three summers.

The baseball diamonds upon the Brook Road Playground enjoyed almost constant use. The Mattapan Baptist Church, Milton Police Department baseball team, Milton Ice Company baseball team and the Milton Town Team played their home games here. Football games were played every Sunday afternoon in the autumn by the Milton Athletic Association.

Large groups of older boys who on account of the depression were forced into unemployment were kept busy by the playground director during the summer months with baseball, horseshoes, paddle tennis and so forth. Altogether a very successful playground season was enjoyed by all.

Your Commissioners ask for a maintenance appropriation of \$5,300 to conduct the usual routine of the department in 1933. This is \$1000 less than the 1932 appropriation due to economy program put into effect by this department for 1933.

Respectfully submitted,

WM. G. RODD,
JOHN F. KERRIGAN,
GEO. OWEN, Jr.,
Board of Park Commissioners.

REPORT OF POLICE DEPARTMENT

Milton, Mass., January 10, 1933.

To the Honorable Board of Selectmen:

GENTLEMEN: I herewith submit my report of the Police Department for the year ending December 31, 1932.

Roster of the Department

Chief—James R. Travers

Deputy Chief—Timothy McDermott

Detective Sergeant

John J. Haley

Sergeants

Norman R. Bowman

Richard F. Chamberlain

John B. Shields

Patrolmen

George P. Bertram
Robert J. Blake
William H. Byrnes
Thomas J. Callahan
John A. Chamberlain
William H. Coghlan
John F. Condon
James J. Dalton
John W. Dalton
Andrew J. Donahue
Patrick H. Donahue
John P. Driscoll

Charles F. Duffy
Joseph F. Duggan
James J. Foley
William D. Kearney
Edward F. Lee
Francis J. Lynes
Thomas J. Lynes
Frank H. McDermott
Joseph J. Mulhern
Michael J. Murphy
James J. Parrell
Patrick H. Shanahan

Clerk—Anna Healy

Special Police Officer—Edith E. Stebbins

In Memoriam

Patrolman William S. Fallon
Appointed July 1, 1899
Retired July 1, 1932
Died September 5, 1932

Arrests

Total number of arrests	443
Males	427
Females	16
Residents	66
Non-residents	377

Causes of Arrest

Accosting female child	1
Assault and battery	6
Bastardy	1
Breaking and entering and larceny	14
Board of Health, violating	4
Drunkenness	49
Forgery	1

	\$3,098 00

Miscellaneous Work

Total number of automobile accidents reported	181
Automobile accidents reported (177 injuries and 6 deaths)	112
Automobile accidents reported (no injuries)	69
	<hr/>
	181
Accidental drowning	1
Animals reported lost	64
Animals found	46
Animals sent to Animal Rescue League	37
Animals killed	13
Automobiles found abandoned	46
Automobiles reported stolen in Town and recovered	19
Articles reported lost	26
Articles found	32
Buildings found open and secured or owner notified	194
Buildings broken into	74
Cases investigated by officers	3,181
Defective bridges	4
Defective hydrants and pipes reported	20
Defective poles	12
Defectives sidewalks and streets reported	97
Defective trees	21
Defective wires	41
Dead bodies found	3
Disturbances suppressed	7
Dogs ordered confined on account of biting people	23
Dog licenses collected	334
Fire alarms given by officers	16
Fires extinguished by officers without an alarm	12
Houses reported vacant and special attention requested	374
Insane taken to hospitals	9
Lost children restored	31
Lanterns placed on streets	49
Lights reported out	1,179
Milton writs served by other departments	234
Murder	1
Number of gallons of liquor delivered to claimant by Court order	1,807
Nuisances reported	9
Officers attending fires	242

Officers detailed for public service	140
Officers detailed at request of citizens	198
Solicitors driven out of Town	19
Street obstructions reported and removed	8
Suicides	2
Writs served for other departments	380
Amount of property reported stolen	\$27,406 18
Amount of stolen property recovered	6,395 10

Crime

Milton with its increasing population and situated as it is between two large cities has had comparatively few cases of serious crime.

Several schools were entered and recently two safes were broken open in the High School. Three young men have been apprehended in this case and one admitted being implicated in breaking the safes. Five juveniles were apprehended for breaking into houses in the East Milton and Mattapan sections of the Town.

Detective Sergeant John J. Haley is in charge of criminal investigations.

I appeal to the citizens to telephone the police station as soon as they observe any suspicious act of a person. With this help crime can be lessened.

Traffic

The motorcycle officers did good work in apprehending violators of the motor vehicle laws and helping to make the highways of the Town safe for everybody. The Department has co-operated with the Governor's Committee on Street and Highway Safety.

I recommend again the installation of automatic signal lights at Randolph Avenue and Reedsdale Road; overhead automatic flashing lights at Central Avenue and Eliot Street; and automatic flashing lights at Blue Hill Avenue, Bradlee Road and Atherton Street.

Police Alarm

The re-call system which was completed this year is an important utility and provides an effective way of getting in quick communication with officers on the streets.

The teletype makes communication possible within a few moments with neighboring towns and cities as well as those throughout the State and has been helpful in many instances.

Motor Service

Two small automobiles with two officers in each are used to patrol the Blue Hill, Brush Hill, Scott Woods, Milton Center and Milton Hill sections of the Town. The Town is also patrolled by a sergeant in another automobile.

New machines should be purchased to replace one motorcycle and the Chevrolet coach.

The station garage will not house all the equipment and I recommend that it be enlarged.

The increasing use of motor vehicles by criminals makes it more essential that the Department be equipped with adequate motor vehicle equipment and radio. I strongly stress the value of radio-equipped patrol cars. With this equipment reports are received as soon as a crime is committed.

Revolver Practice

There has been a marked interest shown in revolver practice. August 11, a revolver team was entered in a tyro match of the New England Police Revolver League and finished fourth. This was very pleasing as out of twenty-three teams competing, Milton was the only Massachusetts team outside of Boston that won a place. Sergeant Richard Chamberlain, Patrolmen John Dalton, James Dalton, John Chamberlain and William Coghlan were members of the team.

Two revolvers, gifts of former Selectmen Laurence B. Flint, were awarded Sergeant John Shields who made the highest score in the annual shoot held November 5, and Patrolman John Driscoll who had the highest yearly average. Six officers were given sharpshooter and marksman badges for having attained a yearly average of seventy-five per cent or over.

The Force

A police force is an important factor in any town, not only in the suppression of crime but also in a multitude of other ways.

Policing the Town to the best interests of its citizens has become a problem with the present number of officers. I recommend the appointment of two patrolmen to fill vacancies.

Patrolman William S. Fallon who was retired July 1, after thirty-three years of faithful service, died September 5.

September 15, Mrs. Edith E. Stebbins was appointed a Special Police Officer by the Selectmen.

Patrolman Frank H. McDermott was retired December 31, after thirty-three years and seven months of faithful and efficient service.

Officers are called on continuously to do extra work without any additional compensation. Night officers are called out daily to take care of school crossings and do so willingly but this practice should be discontinued as it is unfair to have them work day and night.

The conduct of the Department in general has been good. Several officers were reprimanded and given punishment duty for infractions of the Police Rules.

Conclusion

I thank the Selectmen and other Town Officials; the Justices of the Court and their assistants; and citizens for their helpful information and assistance. I appreciate the co-operation of the members of the Department.

Respectfully submitted,

JAMES R. TRAVERS,
Chief of Police.

REPORT OF PUBLIC WELFARE

January 14, 1933.

To the Citizens of the Town of Milton:

Twelve months ago your Board of Public Welfare faced the year with real anxiety. It did not seem possible at that time that we would be able to meet the problems that were ahead. That we have gone through this difficult year with such success is due largely to the work of the Employment Committee, which has provided jobs for all the able bodied men who applied to us for relief. In return this Board has been of very real assistance to the Employment Committee through our agent, Mr. Green. He has taken many case histories of the men who were applying for work and has always been ready to help the Employment Committee workers at the Town Hall with wise and sympathetic advice.

We are now well established in our new room, which was set apart from the small Town Hall. This is furnished with the necessary furniture, almost all of which we were able to purchase most advantageously at second hand. Mr. Green has been working hard over the records and files and is introducing a new and much improved system, which will make our records more complete and also easily available for reference. The regular monthly meetings of the Board are now held in our own office where we have all records at hand for consultation during the discussion of any problems.

The number of inmates at the Town Farm is the same as last year, two men and two women. We have had one death and one addition. The net cost of maintaining the farm is greater this year as the income from the sale of vegetables was less through the effect of the dry summer. We are satisfied however that we are acting wisely in caring for these people in this way and we are very grateful to both Mr. and Mrs. Dexter for their devotion and interest.

There are twenty three men and women who are receiving old age assistance, the sums varying from two to eight dollars a week. There are no Mother's Aid cases in the Town at present.

Respectfully submitted by Members of Town of Milton Board of Public Welfare.

H. N. PLUMMER,
HUGH McCUE,
JOHN TALBOT,
FREDERICK CHASE,
EDITH ENDICOTT STEBBINS.

REPORT OF THE PLANNING BOARD

Milton, Mass., January 15, 1933.

To the Citizens of Milton:

Turner's Pond

At the annual meeting last March the question of acquiring Turner's Pond for the Town was referred to us. Owing to a material difference of opinion as to the value of the property we regret to report that no progress has been made toward obtaining it.

Traffic Developments

The building of new roads and the improvement of old ones has been rapid in Massachusetts during the past ten years, and Milton has enjoyed its share of the benefits arising from the work done. It may be of interest to recall some of the recent changes:

Blue Hill Avenue—Now a State highway.

Randolph Avenue—From the Reservation to Reedsdale Road a State highway.

Granite Avenue—Improved from East Milton to the Boston line and beyond.

The Blue Hill River Road—Well under way as an outer belt line for the Metropolitan District.

The Southern Artery—From the junction of Blue Hill Avenue and Morton Street through Neponset and around Quincy.

The car tracks removed from our own streets and most of these rebuilt to carry an ever increasing volume.

Among the problems yet unsolved, Milton has a lively interest in the proposed extension of Reedsdale Road through the quarries to West Quincy. An expensive new bridge at Weymouth must probably come first, however.

Pierce Square is a center where traffic is rapidly growing and a good deal of it, including bus lines, is bound through Milton via Eliot Street and Central Avenue. The recent improvement of Central Avenue from Brook Road to Columbine Road has helped handle this traffic.

Respectfully submitted,

J. S. RUSSELL,
DAVID A. HEFFERNAN,
ALFRED J. ELLSWORTH,
JAMES F. BALLARD,
FRED N. RUSSELL,
Planning Board.

REPORT OF THE TRUSTEES OF THE MILTON PUBLIC LIBRARY

January 12, 1933.

To the Citizens of the Town of Milton:

The readiest measure of the usefulness of a public library is, of course, the circulation of its books. After the branch building at East Milton was opened (December 1, 1931) it would not have been surprising had that branch diverted some of the use from the Central Library, but the figures seem to show that such was not the case, as follows:

	<i>Central</i>	<i>Mattapan</i>	<i>East Milton</i>	<i>Russell</i>	<i>House- to-House</i>	<i>Total</i>
1931	71,876	42,227	35,061	3,408	14,046	166,618
1932	84,405	45,410	64,165	3,501	14,230	211,711

With such a showing it seems almost impossible to answer the demands of the times and cut expenses. Nevertheless the Trustees feel that they can maintain the system with an appropriation of twenty-one thousand two hundred seventy-eight dollars (\$21,278) against twenty-two thousand seven hundred fifty dollars (\$22,750) for 1932.

To further answer the demands, and as they understand that other Departments are doing, the Trustees are making a 10% reduction from all salaries at present of \$1,000 or over. Any reduction in salaries is made with very great regret as we appreciate the devoted services of the staff. Many of the salaries we would have recommended raising in a time of prosperity.

By the death of Frederic M. Stone, April 8, a valuable and congenial Trustee was lost. Mr. Stone was for a time Treasurer of the Board and served on important committees. His literary taste was of great assistance as was his general interest. He was first appointed a Trustee, June 25, 1909.

Ruth Eliot Pierce (Mrs. Roger Pierce) was unanimously appointed by the Selectmen and the Library Trustees sitting jointly May 26 to fill the vacancy until the March meeting, and her name will be placed in nomination to fill the balance of Mr. Stone's term. Mrs. Pierce is the first woman Trustee on the Board.

The bequest of Mrs. Mary E. Lamson, 153 books, was received. In each volume a plate has been inserted stating that it is a part of this bequest in memory of Joseph E., Barbara A., and Olive A. Whitcher.

The Milton Lions Club (now called Milton Town Club) presented Federal and State colors to be kept in the East Milton Branch where they are now displayed. The thanks of the Board have already been conveyed to the Club, but may well be here repeated.

The exterior of the main library building needs repairs, and unless these are attended to at once a much larger sum than we now ask will be required.

Respectfully submitted,

NATHANIEL T. KIDDER, *Chairman*,
FRANK E. LANE, *Treasurer*
STANLEY CUNNINGHAM, *Secretary*,
JAMES F. BALLARD,
VINCENT LEROY BENNETT,
RUTH ELIOT PIERCE,
ROBERT L. RAYMOND,
ROGER L. SCAIFE,
ROGER WOLCOTT,

Trustees of the Milton Public Library.

REPORT OF LIBRARIAN

Milton, Mass., January 12, 1933.

To the Trustees of the Milton Public Library:

GENTLEMEN: I have the honor to submit my report for the year ending December 31, 1932.

In January of 1924, when the report for 1923 was presented, we mentioned with considerable pride that our circulation had at last reached and passed the 100,000 mark, the figures for that year being 100,525.

Nine years later we report with equal pride the passing of our second centennial, for our circulation for the year just ended was 211,711, an increase of more than 100% in less than a decade. This is larger than 1931 by 45,093, a gain of 27%. Our per capita circulation was 12. Two factors contributed in a large degree to this increase, the opening of the new East Milton Branch and the widespread unemployment which has come to so many people.

I can remember no time during my 32 years association with the library when there have been such insistent calls for serious and worth while books. Our problem is no longer how we shall attract readers, but rather how can we satisfy the heavy demands made upon us each day.

People are evidently using their enforced leisure to good advantage, judging by the requests for books on business and technical subjects, and we are continually asked to assist those taking University and College Extension Courses.

In analyzing the figures for the year it was somewhat surprising to see that the largest gain in non-fiction was in the circulation of periodicals, the next largest was literature, with history and sociology coming next.

Strangely enough in this year when lack of employment is one of the major causes of a large circulation, we have collected \$1,269.45 in fines, an increase of \$127.89 over last year. Most libraries are reporting that their fines have fallen far below the figures of 1931.

There has been a proportionate increase in every phase of the work. We have answered more reference questions, sent more books to the schools, rebound more volumes, catalogued more books, and this has been done with no increase in the personnel of the staff.

As a matter of record, the library in 1932, with a circulation of over 200,000 functioned with the same number on the staff as were employed in 1923 when the circulation was only 100,000.

This of course means that every one connected with the system is working under pressure most of the time. There are days when the Branch assistants are deluged with the rush which comes to their desks and it is not an uncommon thing for the Central Library to circulate from 500 to 600 books on a Saturday.

In addition to the actual work of handing out books at the issue desks, there is always work to be done behind the scenes, work which is not visible to the public but which takes hours of time each day and which is so essential to the final passing out of a book to a borrower.

That this increased amount of work has been done cheerfully speaks volumes for the character of the eight members of the Staff.

A librarian in the Far West read a paper a few years ago at a library meeting in which she said the letters A.L.A. do not mean the American Library Association, but "Ask Librarians Anything". As we look back over some of the questions which came to the desk last year we know that there are many people in Milton who believe that statement. One person wanted to know how many votes were cast in Massachusetts from 1920 to 1926; someone else wanted old books to put on a table to give atmosphere in a stage setting; another inquiring mind wanted material on immigration laws following the Civil War and a telephone call on February 2, 1932 wanted to know if the ground hog was a wood chuck or a skunk.

When we began the New Year the East Milton Branch had been in its new home one month. The first complete year has more than justified our hopes of what this branch might do for the community. The circulation was 64,165, a gain of 29,104 over the pre-

vious year. We had expected a substantial gain but in our most optimistic moments we had not anticipated one of 80%.

The people of East Milton have from the beginning shown appreciation by their varied gifts. In the Spring an offer came from the East Milton Garden Club, to supply the Branch with flowers and at no time since April has the copper vase given by the East Milton Neighborhood Club been without its bouquet.

While the Mattapan Branch has not had such a spectacular growth as East Milton it has nevertheless had a very busy and useful year. The circulation of 45,410, a gain of 3,183, is also a gain of 14,000 since the completion of the building in November 1929. Miss Hills too reports a much greater use of books on serious subjects and her gain has been wholly from adult users.

The Branch has had two conspicuous gifts. Dr. Harris Kennedy gave the library a pastoral scene painted by Thomas H. Hinckley and it seemed quite appropriate that it should be placed on the walls of the Branch in that section of the town where Mr. Hinckley lived for so many years. In October Mr. Kidder planted shrubs and evergreens which add much to the beauty of the grounds.

For two years there was little use of the Assembly Room. Since September, however, it has been used on an average of two evenings a week. We would be glad if a similar use could be made of the East Milton room.

Russell Reading Room seemingly has a gain of only 93 in circulation, but the weekly deliveries have increased by 724, so in reality the people in the neighborhood served by our smallest branch have read over 4,000 books against 3,400 last year.

The Children's Room has been a busy place with its regular activities and with the work with the schools which is so closely allied to this department. The gain of 1,669 in circulation was small but throughout the system the adult gain has been far greater than the juvenile.

In closing I would remind you that this year marks the sixtieth anniversary of the founding of the library.

This was most fittingly observed by the publication of "The First Sixty Years of the Milton Public Library" written and gratuitously distributed by Mr. Nathaniel T. Kidder. Requests for it have come from all over the United States, and last week we were asked to send one to the Philippine Islands.

The town once more owes a debt of gratitude to Mr. Kidder for this valuable contribution to the history of Milton.

Respectfully submitted,

CARRIE S. ALLEN,
Librarian.

APPENDIX I.

Art Room Exhibits

Oil paintings by Virginia Pearsons; Washington Exhibit loaned by Miss Mary Bowditch Forbes; Water colors by Annette Tisch; Oils by Janina Federkiewicz; Paintings by Aimee Lamb; Paintings by Omer Lassond; Etchings from the James Henry Whitman Collection, owned by the Library; Paintings by Artists of Milton; Art work by pupils of the Milton Public Schools.

Gifts of Books, Magazines and Flowers

Mrs. Richard M. H. Harper; Mrs. M. Vassar Pierce; Miss Hilda Foster; Mrs. William E. Wyman; Mrs. Frederick Chase; Mrs. Charles M. Junkins; Mr. John W. Renard; Miss Emily A. Blanchard; Mrs. Walter S. Hinchman; Mr. John J. Moore; Miss Emma Tufts; The Hon. Richard B. Wigglesworth; Mr. Albert W. Hunt; Miss Eliza H. Burton; Mr. Albert H. Stonestreet; Mrs. Frank E. Harrington; Mrs. Holden McGinley; Miss Hester Cunningham; Miss Clara S. B. Pinckney; Mrs. Nathaniel M. Safford; Mrs. Charles S. Sheldon; Mrs. Wallace C. Tucker; Mrs. William S. Esau; Dr. Harris Kennedy; Mrs. Ernest W. Bowditch; Mr. Richard A. Fisher; Mrs. Walter H. Neaves; Mrs. Edwin O. Baker; Mr. Nathaniel T. Kidder; Mr. Horace I. Crane; Miss Ellen F. Vose; Mrs. Walter T. REPORT OF THE SEWER COMMISSIONERS

January 1, 1933.

The Board of Sewer Commissioners makes the following report of operations of the Sewer Department during the year ending December 31, 1932.

General

Population by the Assessors' census of 1932	17,207
Estimated length of streets of the town (miles)	85.14
Percentage of length provided with sewers	36.26
Method of disposal	Metropolitan system

Collection Mains

	FOR SEWAGE			For Sewage and Surface Water
	Town-built Sewers	Privately built Sewers	Total Town and Private	
Linear feet:				
Total, Dec. 31, 1931.	153,643.6	13,018.9	166,662.5	700. (storm overflow)
Extended, 1932	5,678.1	5,678.1	
Total, Dec. 31, 1932	159,321.7	13,018.9	172,340.6	700.

Number of manholes	844
Number of inverted siphons	2
Number of storm overflows	1
Number of emergency overflows	1
Number of automatic pumping stations	1
Linear feet of force-main (12")	960.6
Number of gate chambers on force-main	1

House Connections

Number made during the year	72
Number relaid during year	15
Number of stoppages coming to the notice of the department	44

Discharge of Sewers

Estimated population using the sewer system	12,780
Number of buildings connected	2,561

Financial

Total cost of collection mains to December 31, 1932 (including the East Milton sewer and drain through Babcock Park district)	\$619,073.30
Bonded debt at date (including East Milton sewer and drain bonds)	161,000.00
Average rate of interest on bonds	3.97%

For details of sewer construction and maintenance accounts, reference is made to the Financial Report compiled by the Town Accountant, as shown elsewhere.

The sewer extensions made during the year were as follows:

Street	Size of Pipe	Length (Feet)	No. of MH's.
Channing Street	8"	313.4	1
Elm Street	8"	946.3	4
Essex Road	8"	135.0	
Leslie Street	12"	268.9	3
Leslie Street	15"	392.5	2
Milton Street	8"	142.0	1
Wendell Park (West side)	10"	636.0	4
Wendell Park (West side)	12"	1418.0	6
Wendell Park (Brook crossing)	8"	150.0	1
Wendell Park (East side)	8"	1276.0	5
Total	—	5678.1	27

The Board took action in accordance with the vote to request the Sewer Commissioners and the Selectmen to cooperate in an endeavor to consolidate all Sewer Engineering work under the direction of the Town Engineer passed on Article 13, Section 5 at the Town Meeting, March 12, 1932, and, after a meeting held with the Selectmen, appointed a representative to meet with one of the Selectmen and a member of the Warrant Committee. The position taken by the Sewer Board at this meeting is embodied in a report to be made by the Board to the Warrant Committee early in January, 1933.

The Supreme Court of the Commonwealth having decided that, in determining the cost of Milton sewers for the purpose of making assessments under Acts of 1895, Chapter 304, the cost to the Town of assessments paid to the Commonwealth as Milton's share of the Metropolitan sewer, should not be included, this Board proposes to reassess those assessments which have not been paid in full or which have been paid under such circumstances that they can be recovered back, for the years in which assessments were similar to the assessment in the Mullen case, to wit: construction years 1927-1931 inclusive, and assessments made in 1928 to 1931 inclusive.

The Board is advised that it has no authority to deal with sewer assessments which have been paid in full or with amounts paid in part payment of sewer assessments (except to credit the latter on reassessment), but it recommends to the Town the adjustment of paid assessments, and it has instructed the Town Counsel to draft an enabling act for this purpose, to be presented to the Legislature at the coming session and to be voted upon by the Town at the March meeting.

In redetermining the assessments the Board has had to decide the question as to what share of the cost of Milton sewers the Town should pay. Taking into consideration that the general taxpayers have to pay the entire metropolitan assessment, the Board is of the opinion that it is a fair adjustment of the cost of town sewers that the Town shall pay 25% and the abutters 75%, and that the resulting assessments will not exceed the benefit which the abutters receive from sewers.

The total cost of the construction of the town sewers from 1895 to December 31, 1931, is, in round numbers, \$582,000. The total payments on account of the metropolitan sewer, in the same period, have been approximately \$541,000. The general taxpayers (who pay the metropolitan assessment) accordingly bear 48.2% of the total expenditure for sewers. If there is added to the amount which they shall bear, 25% of the cost of the town sewers, then the amount to be paid by the general taxpayers will be approximately 61.1% of the total expenditure on account of sewers, and the abutters will bear 38.9% of the total of such expenditure.

If the cost of constructing sewers should diminish in the future, both the general taxpayers and the abutters will receive the advantage of the lower cost.

J. W. ROLLINS,
S. CUNNINGHAM,
FRED Y. MARSHALL,
Board of Sewer Commissioners.

REPORT OF SEALER OF WEIGHTS AND MEASURES

Milton, Mass., January 14, 1933.

Honorable Board of Selectmen:

GENTLEMEN: I herewith submit my report as Sealer of Weights and Measures for the year 1932.

Number of Scales, Weights and Gas Pumps sealed	930
Number condemned	3
Number incorrect and adjusted	16
Number of inspections and re-weighings	350

Respectfully submitted,

JAMES SANGSTER,
Sealer of Weights and Measures.

REPORT OF HIGHWAY DEPARTMENT

Milton, Mass., December 31, 1932.

Honorable Board of Selectmen, Milton, Massachusetts:

GENTLEMEN: I herewith submit my report for the year ending December 31, 1932. The work of the Highway Department has been carried on during the year as planned.

Highway—General

Walnut Street, Maple Street, a portion of Blue Hill Terrace Street, Capen Street and Central Avenue were roads reconstructed out of the Highway—General Account.

Walnut Street was a narrow road with a rough surface and was used by the general public as an approach to the Public Buildings.

This road is 908 feet long, 24 to 32 feet wide, and contains 3,170 square yards of roadway. The cost of this roadway, exclusive of the sidewalk, was \$1.00 per square yard.

The construction consisted of the usual gravel base and stone penetrated top.

Maple Street has a ten inch gravel base and a four inch penetrated top.

This roadway is 960 feet long, 24 feet wide and contains 3,170 square yards.

The cost of this work was 95 cents per square yard.

Blue Hill Terrace Street was widened 10 feet. The widening was on the land abutting that of Mr. Martin Gibbons, at the corner of Blue Hill Terrace Street and Blue Hill Avenue. Part of the excavation done on this roadway was ledge.

The reconstructed area was 228 feet long and was connected with the work completed last year. The area built contained 647 square yards and cost 94.2 cents per square yard.

This road, from Blue Hills Parkway to Blue Hill Avenue, now has a good penetrated surface and is a much needed improvement.

Capen Street was reconstructed by leaving most of the old road bed intact and covering the surface with broken stone and penetrating with asphalt. It was necessary, in places, to widen the sides to make a uniform width of roadway. The sidewalks were shaped and covered with stone dust. The total cost of this work was \$1,638.79.

Central Avenue, from Brook Road to Columbine Road, has had a new penetrated surface. The old road surface had two crowns and gutters each side of the area where the street car tracks had been removed. Most of this area had a slight gradient causing water to settle in the low areas.

The road has been stoned from one old road crown to the other, with an average of five inches of stone at the center and running to a feather edge on each side. The work done on this road will eliminate the settling of water.

Due to the lateness of the season, and the lack of funds, it was considered advisable to discontinue work on this road for the year.

The total square yards of roadway is 5,570 and the cost per square yard is .7028 cents.

The Town expended \$11,245.93 during the year 1932 for sanding and the removal of snow and ice.

All our regular men, the Special Employment men and a few outside men were used on this work.

The regular road patching was carried on during the year and 528 individual requests were investigated.

The repair shop at the Town Yard has been moved into what was the steam roller shed. With the addition of a concrete floor, a few windows, and additional lights, this building gives space enough to work on two trucks at one time. In the old building there was scarcely room enough to work on one machine.

Other work done by this Department during the past year was the usual road oiling. Many of the streets were oiled with a heavy 85% asphaltic road oil and covered with stone chips.

The total expenditure for this work was \$7,475.01. This work has shown quite a decrease in cost during the past few years due to the fact that the streets treated with 85% asphaltic road oil and covered with pea stone do not need yearly oiling.

The expenditures from the Highway—General Account are grouped as follows:

Highway—General

Operation	\$55,846 36
Road repair	7,237 59
Sidewalk repair	3,177 50
Road oiling	7,475 01
Road construction	13,528 58
Total expenditure	\$87,265 04
Balance	34 96

Highway—General Appropriation \$87,300 00

The following is a list of the Appropriations, Expenditures and Balances from this Department as of December 31, 1932:

	<i>Appropriation</i>	<i>Expenditure</i>	<i>Balance</i>
Highway—General	\$87,300 00	\$87,265 04	\$34 96
Granite Avenue Bridge	4,898 69	4,106 20	801 80
Refund	9 31		
	<hr/>		
	\$4,908 00		
Drainage	35,489 00	35,484 12	4 88
Permanent Construction	20,565 00	20,230 18	334 82
Sidewalks	8,000 00	7,970 11	29 89
Audubon Road	5,253 90	3,618 79	1,635 11
Bradford Road	4,940 47	3,541 36	1,399 11
Johnson Street	2,423 93	1,956 66	467 27
Milton Street	1,236 06	1,137 24	98 82
Parkway Crescent	11,456 60	9,706 69	1,749 91
Pilgrim Road	2,805 57	2,061 20	744 37
Private Work	3,000 00	1,584 31	1,415 69
New Equipment	2,700 00	2,700 00	
Alteration of Granite Place and Adams Street Corner	1,400 00	744 03	655 97
Special Employment Account	25,459 09	25,459 09	

Betterment Streets

Audubon Road, Bradford Road, Johnson Street, Milton Street, Parkway Crescent and Pilgrim Road were the six Betterment Streets constructed during the year 1932.

No particular difficulties were encountered and the work was carried on as planned.

These roads have a ten to twelve inch gravel base and a four inch penetrated, broken stone surface. The sidewalks are of a gravel base with a topping of stone dust. The loam used on the planting spaces was purchased from C. A. Crowley and is of very good quality.

This Department has had quite a few requests regarding grading back of the street line on Betterment Streets. In some instances the work was necessary in order to give the street a better appearance when finished.

A tabulated list of these streets will be found in the Engineers' Report.

Drainage

During the year a great amount of drainage work was completed by this Department. A list of the drainage installed will be found in the Engineers' Report.

The drainage done in the Brook Road valley section, during the first three months of the year, was planned, not only because of the necessity of the drain, but to make work for many who were unemployed. There were about one hundred men used on this job; about fifty more than the regular Highway crew.

The Water Department's Excavator was used and did very efficient work.

Beginning in July about sixty extra men, hired through the Unemployment Committee, have been under the supervision of this Department in the laying of drains. These men are working under our own regular foremen who are thoroughly experienced in this work.

These extra men are taking an interest and doing very good work.

Sidewalks

All sidewalk work was carried on by our own men. The concrete was purchased and delivered by the Transit Mix trucks as needed.

Transit mixed concrete has proved to be the most economical method of handling this material.

The section of Brook Road where the new walk was laid, between Waldeck Road and Pleasant Street, required much excavation, and has made a much needed improvement to this part of the Town.

I recommend the purchase of two new $1\frac{1}{2}$ ton trucks for the Highway Department. These machines are inexpensive and pay for themselves in one season.

The Department now has two large dump trucks of 5 to 7 ton capacity, and four small dump trucks of $1\frac{1}{2}$ ton capacity and one 1 ton express body truck. There is hardly a working day of the year that all of these machines are not in use. There are two old dump trucks that should be junked and should not be on the road. These old trucks were put into commission when the Special Employment crews were added to this Department. The new trucks mentioned above are to replace these old trucks.

I recommend the redecking of the Town's part of Central Avenue Bridge. The present decking is of 2 inch spruce planking over a second deck of 4 by 8 inch planking. The lower decking is in good shape and the most costly. To save this decking I recommend the replacing of the top planking which has been in service about three years and is now worn out.

We regret the loss by death of Mr. Thomas J. Rodgers on January 27, 1932. Mr. Rodgers worked for the Town of Milton for over twenty years and held the position of General Foreman in the Highway Department for three years and was loved by all who worked with him.

Mr. Walter Bates was hired to take Mr. Rodgers' place. Mr. Bates came to this Department well recommended and has had much experience in handling men.

The regular employees of the Highway Department have worked faithfully and tried to give the Town a day's work for a day's pay. Most of the men have lived in Milton a great number of years and are as interested in seeing our highways kept in good condition as any other citizen.

In closing, I wish to thank the Board of Selectmen for their co-operation in carrying out the year's programme.

Respectfully submitted,

FORREST J. MAYNARD,
Superintendent of Streets

REPORT OF BOARD OF WATER COMMISSIONERS

Milton, Mass., January 14, 1933.

To the Citizens of the Town of Milton:

The Board of Water Commissioners submits its Annual Report for 1932:

Probably the primary interests of the citizens in their Water Department beyond its honest, efficient and economical operation, are its physical ability to supply enough good water, and the cost they pay for it. In this report we shall attempt to acquaint the citizens with both subjects in detail.

First, during 1932 the system has proved adequate, fortunately, for most demands made upon it. We say "fortunately" because we have before us a report on our system by the New England Insurance Exchange made at the request of the Board of Selectmen. This report discloses that in certain parts of the Town the supply of water for fire fighting is lower than it should be. Unless this deficiency is remedied, our citizens will be faced with higher fire insurance rates.

The reasons for the condition are two: growth of the Town, and certain deficiencies in the supply delivered to our system by the Metropolitan District Commission.

The Water Department promptly called in Messrs. Metcalf and Eddy, Consulting Engineers, who were familiar with our system from an earlier survey, and they recommend that the Town protect itself.

1. By erecting adequate storage tanks in the Blue Hills Reservation.
2. By inducing the Metropolitan Commission to improve their regular supply at Brush Hill.
3. By improving the emergency connection at East Milton. Several other improvements are planned, such as laying larger mains in certain streets and cleaning one of the East Milton feeder lines.

The Commissioners, believing that all the recommendations made are sound and prudent, and that these necessary improvements can never be made at a lower cost than now, are planning to proceed with them in 1933. They believe that our citizens should be spared an increase in insurance rates and hope that the recommended works can be completed without advancing the water rates, provided the Town grants the Articles in the Warrant prepared by the Commissioners.

Normal improvements and extensions of the system were made during 1932. Some work scheduled for later years was set ahead to provide employment. The Commissioners take pleasure in assuring our citizens that the Department was economically as well as efficiently operated.

Care will be taken that storage tanks where and as erected will be suitably landscaped and made as sightly as possible without extravagance.

Effective January 1st, 1933, the salaries and wages of all employees have been adjusted to a basis which the Commissioners, with Mr. McCluskey dissenting, believe fair to both employees and the Town, in accordance with general readjustment in other Town Departments.

In considering the amount our citizens pay for water it should be kept in mind that the *Commissioners are obliged by law* to fix rates and charges which will *yield annually* as nearly as may be *a surplus after paying*:

1. All expenses of Maintenance and Operation (including cost of Water).
2. All interest on Borrowed Money.
3. \$10,000.00 for Extension of Mains.

The above-mentioned surplus must be used for repayment of Borrowed Money.

So that our citizens may see that the Water Commissioners past and present have endeavored to assess rates and charges, as nearly as may be, as required by the law, we show below a complete schedule of the Revenue and Expenses which the law says shall be used in rate making.

The figures are from 1924 to date:

ACCORDING TO SEC. 13 OF ENABLING ACT THESE FIGURES SHOULD BE USED BY
WATER COMMISSIONERS IN RATE MAKING

	Revenue			Expenses					Excess of Revenue	Excess of Expenses	% of Excess
	Sale of Water and Hydrant Rental	Non-Operating	Total Revenue	Maintenance and Operating	Borrowed Money	Extension of Mains Chap. 307 Sec. 13 Acts of 1902	Total Expenses				
1924 .	\$68,644 29	\$ 5,069 33	\$73,713 62	\$41,648 17	\$13,220 84	\$10,000 00	\$64,869 01	\$ 8,844 61	12.0	
1925 .	73,143 16	4,775 35	77,918 51	44,501 38	18,251 96	10,000 00	72,753 34	5,165 17	6.6	
1926 .	75,179 08	4,604 85	79,783 93	50,431 91	25,433 32	10,000 00	85,865 23	\$6,081 20	7.6	
1927 .	80,344 63	5,652 80	85,997 43	52,737 93	29,005 25	10,000 00	91,743 18	5,745 75	6.7	
1928 .	92,966 55	7,425 56	100,392 11	55,284 69	34,499 31	10,000 00	99,784 00	608 116	
1929 .	106,853 27	6,904 79	113,758 06	57,331 71	40,138 87	10,000 00	107,470 58	6,287 48	5.5	
1930 .	113,460 36	4,555 32	118,015 68	66,673 11	38,990 01	10,000 00	115,663 12	2,352 56	2.0	
1931 .	121,794 95	6,811 15	128,606 10	68,439 98	41,405 32	10,000 00	119,845 30	8,760 80	6.8	
1932 .	139,503 28	3,864 99	143,368 27	72,134 43	43,252 80	10,000 00	125,387 23	17,981 04	12.4	

Some of the headings in the foregoing schedule may need explanation:

Hydrant Rental is money paid the Water Department from the General Tax Levy not only for the installation and upkeep of hydrants and the water used from them, but also provides in part for the carrying charges on larger mains installed principally for improved fire protection.

Non-Operating Revenue is money received from installation of water-services, miscellaneous jobbing, etc.

Maintenance and Operating Expense includes:

1. Cost of Water.
2. Salaries and Wages.
3. Cost of Materials.
4. Cost of Equipment.

Borrowed Money Expense includes the interest on all bonds or notes and repayment when due.

Extension of Mains Expense. The law *requires* the Commissioners to raise \$10,000.00 from rates each year for extending or relaying water mains.

The schedule clearly shows that during the last nine years the Commissioners have operated almost a million-dollar business with a margin of safety of only 4%. If operations had fallen short the Town would have been obliged by law to make good the deficit from the General Tax Levy.

The Commissioners hope that by continued prudent management the Water Department can reinforce the system to give proper fire protection and extend mains to care for any normal growth of the Town without being forced to increase rates and charges.

It is also apparent from the foregoing figures that our experience this year has been particularly fortunate and, being now relieved for the future from an annual payment on account of bonds issued for the original purchase of the system, the Commissioners for the first time feel warranted in considering a reduction in the current rates. Such a reduction amounting to \$1.00 in the minimum quarterly charge will be made on the next billing in April.

Respectfully submitted,

EDWARD L. HURD,
EDWARD E. FORD,
WILLIAM J. McCLUSKEY,
Board of Water Commissioners.

REPORT OF MILTON EMPLOYMENT COMMITTEE

Milton, Mass., January 24, 1933.

*The Honorable Board of Selectmen,
Milton, Massachusetts.*

DEAR SIRS:

The Milton Employment Committee, appointed by the Selectmen late in October, 1931, herewith submits its report from that date to December 31, 1932. The Committee has had no change in personnel since its appointment.

At the first meeting of the Committee held November 2, 1931, the general plan was formulated to handle the problem as it existed at that time, which did not appear then to be developing in any serious way. It was decided, however, at the start that the question of unemployment should be distinct and separate from all cases which required Welfare attention, and this policy has been pursued up to date.

It was further decided at that time that it was the chief duty of the Committee to find work for those in need and that a fair wage should be paid for services rendered. The Committee opened an office at the Town Hall for registration, having representatives of the Committee present for three days a week to tabulate the names of all applicants for work and to get all information possible regarding the condition of each individual and his or her previous occupation. With the exception of three months in the summer of 1932 this office has been in active operation, at first for three days a week, and later two days per week. The work of investigating each individual case and its needs has been laborious and required much patience, but we believe that our card files at present are complete in every detail, and the work in this connection of Mrs. Roderick Stebbins and Mrs. Henry E. Sheldon cannot be too highly commended.

In the effort to see that the most pressing and deserving cases were handled properly, the applicants were classified and those with dependents were given preference. Due consideration was given to the classification of each applicant and wherever possible he was assigned to work for which he was best qualified. The several Town departments have at all times been most helpful and cooperative, and the heads of these departments have put themselves to no end of trouble to help the Committee in its work.

It was not until February, 1932, that it became apparent that private funds must be solicited to help the situation, and a letter was sent out at that time. Through individual gifts, through churches, clubs, entertainments and allocation of funds from the Boston Employment Drive, the sum of approximately \$22,000 was received and has been ably handled by our Treasurer, Mr. Baxter. This money has been paid out in wages, to the extent of about 97% of the total amount received, at a maximum of \$3.20 per day, and the balance of the cash was used for incidental expenses, but no member of the Committee, or other person in charge of the work, has received any compensation.

The Fall of 1932 saw our funds diminishing so that the money appropriated by the Town for unemployment relief at their two meetings in the Spring was called upon. This amounted to \$30,000. Special drainage work was decided upon by the Selectmen as the best means of keeping men at work and giving the Town some real benefit from the money expended. This work was carried on until the end of the year and by careful planning the funds in hand were sufficient to meet the pay rolls.

Registration at the office ran as high as 850 during 1932, including men and women, those with, and those without, dependents. Besides the work provided as above described, every effort has been made to have our citizens give odd jobs to those so much in need and, although we have had some response to our repeated appeals, we believe that more help should come from this quarter. A group of ladies last autumn opened a small office in Milton Village, called "Opportunity Center" for the purpose of furthering this effort. Your Committee is most grateful to them for their work which is showing real results.

We regret that the outlook for the coming year is not as bright as we might wish. There are no signs of diminishing requests for work, and the number of those with dependents is increasing. The Committee must depend largely on such sums as the Town

appropriates for Employment Relief, but it must also ask the citizens of Milton for private subscriptions to take care of certain situations for which Town money is not available. We are perfectly aware that this method of providing work for the unemployed may run into a large sum of money, but until the number of persons effected grows to larger proportions, it seems the best method of handling the problem both for the individual and for the Town. This decision was arrived at after careful study of the methods used in other communities similarly situated.

Respectfully submitted,

PHILIP S. DALTON, *Chairman*
JESSE B. BAXTER, *Treasurer*
MRS. HENRY E. SHELDON, *Secretary*

MILTON EMPLOYMENT COMMITTEE

FINANCIAL STATEMENTS

REPORT OF TOWN ACCOUNTANT

Milton, Mass., January 19, 1933.

To the Honorable Board of Selectmen:

I herewith submit the report of the Town Accountant for the year ending December 31, 1932, arranged as follows:

1. Detailed accounts of all receipts as classified in accordance with the requirements of the Division of Accounts of the State.
2. Details of all departmental accounts showing appropriations, credits, expenditures and balances. The expenditures are classified in accordance with the requirements of the Division of Accounts.
3. Balance sheet as of December 31, 1932, showing debit or credit balances on all open ledger accounts.

All original bills and vouchers on which moneys have been paid from the treasury for the year ending December 31, 1932, and all Trust Funds in the custody of the Treasurer and Wadsworth Fund Trustees have been examined and found to be correct.

Respectfully submitted,

MARY A. BERNI,
Town Accountant.

REPORT OF THE TOWN TREASURER

To the Citizens of Milton:

Apparently, it has been customary for the Town Treasurer to include in his report only the financial statements, accounts for cash balances and Trust Funds. For the reason that 1932 was marked with circumstances of unusual nature, it occurs to me that a brief statement in addition to figures, may not be amiss.

In the death of Maurice A. Duffy, the Town lost a loyal citizen. Over a period of many years, he served his Townsmen, not only as a friend, in ways that only those who received his kindly acts can appreciate, but also at all times he stood ready to devote himself to public service, when called upon. The duties of office he carried out conscientiously, and with little thought of personal inconvenience. Citizens of such disposition, friendly, tactful and unselfish in readiness to serve their neighbors and their Townsmen, are rare.

Recommendations that I have made to the Warrant Committee in connection with the office of Town Treasurer, especially as regard reduction of the salary, has no reflection on my predecessor whatever. Undoubtedly, he, himself, would have made recommendations along similar lines, because 1932 has been a year of experimentation in the organization of this office. The establishment of the office at the Town Hall, together with the services of an assistant, a part of whose time was paid directly by the Town, simply marked the beginning of a change to new conditions in conformity with changes that have taken place in other departments in which the increase of business has required more organization, with assistants trained to the growing details of the department. Such growth necessarily requires more time than elected officials can be expected to devote to public office when the compensation cannot represent full time consideration of the abilities required. A department organization, with competent assistants should make it possible for the responsible elected officials to devote less time to routine detail and more time to matters requiring judgment. It is fundamentally inherent in public office, properly conducted, that service, requiring judgment, cannot be fully met by compensation. In other words, a large proportion of ability is contributed for the public welfare, regardless of compensation.

The recommendations that I have made, brings the conduct of the Treasurer's office further in line with modern practices, properly organizing the work of the Town Treasurer. This work is not arduous and affords an interesting public duty for men whose business experience qualifies them for such office. Furthermore, it is my belief there are ways of reducing the mechanical work of some of the routine to less proportions so that the office should not take undue time of any man having the necessary aptitude to fulfill the job.

In closing, I wish to express my gratitude for the co-operation that has been given me by all Town officials and employees during my term of office.

Respectfully submitted,

THEODORE T. WHITNEY, JR.,
Town Treasurer.

FUNDS HELD BY THE TOWN

Perpetual Care Fund

Amount held December 31, 1932. \$96,554 50

This fund is held by the Town Treasurer in accordance with Chapter 82, Sections 15-18, of the Public Statutes.

Jason Reed Fund

Amount held December 31, 1932 \$2,626 67

The Income of this fund is paid over to the Trustees of the Cemetery.

E. T. L. Reed Public Park Fund

Amount held December 31, 1932 \$7,044 48

Extract from the Will of Elizabeth T. L. Reed

"All the rest, residue and remainder of all the moneys remaining in the hands of said Executor or Administrator, I direct shall be divided into three equal parts.

"The Second of said parts shall be paid to and deposited with the Treasurer for the time being of said Town of Milton, the same to be received, held and invested by said town as a fund to be known as the 'Jason Reed Fund', and the income thereof shall be applied by the proper legal authorities to or towards laying out, improvement or ornamentation of a Public Park or Parks in said Town, in such manner as said authorities may deem advisable.

"I make the foregoing bequests in favor of First Parish, the Cemetery and the Parks in said Milton, both on account of the deep interest taken by my father, the late Jason Reed, deceased, in the affairs of said town, and of my own profound desire for the welfare of said town and of the citizens thereof."

Mary L. Peabody Fund

Amount held December 31, 1932 \$5,157 50

The clause under which this bequest is given as follows: "To the Selectmen of the Town of Milton, Massachusetts, \$5,000, to be invested and the income thereof to be distributed annually to the poor at Christmas."

Schools close on Friday, February 17, 1933.

Schools open on Monday, February 27, 1933.

Schools close on Thursday, April 13, 1933.

Schools open on Monday, April 24, 1933.

Schools close on Friday, June 16, 1933.

Report
OF THE
SCHOOL COMMITTEE
AND THE
Fifty-Third Annual Report
OF THE
Superintendent of Schools

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of Milton:

The School Committee herewith submits its report for 1932.

Continued economies, maintained teaching efficiency, accomplishment of most urgent repairs to buildings, and co-operation in unemployment relief work demanded the best effort of the Committee during the year. The outlook for 1933 is filled with uncertainties. One of the most serious problems is the badly overcrowded condition of the High School, the use to capacity of the Tucker School, and the rapid filling of other buildings. Your attention is invited particularly to enrollment figures contained elsewhere in this report.

Gifts

The School Committee acknowledges with pleasure the receipt of the following gifts to the several schools as indicated:

High School

Plaque—Washington at Trenton—Eue—Class of 1932.
Framed Picture—Amalfi—Constantin Gorbatoff—Class of 1932.
Two framed Washington Pictures—Mr. Frederick M. Haynes,
Black and Colored Inks for Printing—Mr. John R. Donahue,

Collicot School

\$100 47—Belcher-Collicot Association.
150 00—Milton Woman's Club.
122 00—Milton Public School Teachers' Association.
5 00—Proceeds from dance at Cunningham Gymnasium.
25 00—Vose School Association.
100 00—Mrs. Frederick Chase.
10 00—Mrs. Dwight Evans.
1 00—Mrs. George Winchester.
4 00—Thomas Howard and Frederick Young.
40 00—Neighborhood Club.

Tucker School

Picture—George Washington—Mrs. M. A. Perry.
Bulbs—Milton Garden Club.
Goldfish—Mrs. J. P. Merrill.
Two sample books of Wall Paper—Mr. Max Lowman.

Belcher School

\$25—Belcher-Collicot Association.
Bulbs—Milton Garden Club.
Map of Massachusetts—Mrs. James Park.

Vose School

Bulbs—Milton Garden Club.

Standing Committees Discontinued

For many years it has been the practice of School Committees in Milton to organize with Standing Committees of Finance, and Text-Books and Courses of Study. The bulletin upon Massachusetts Public School Administration states, "The practice of electing a number of subcommittees is inadvisable. In the interest of efficiency, school business should be transacted by the committee as a whole, and not delegated to subcommittees. When the transaction of a specific item of business is facilitated by reference to a special committee, such committee should be appointed temporarily."

This policy was adopted when the Committee organized in March and business during the remainder of the year has been transacted accordingly.

Economies

Strict economy was practised by the School Committee during 1932 in order to relieve the financial burden upon the Town due to unemployment. Total expenditures and per capita expenditures were reduced:

- (1) by withholding all salary increments.
- (2) by eliminating two teaching positions.
- (3) by replacing teachers who resigned with others at lower salaries.
- (4) by securing contracts for coal and transportation on more favorable terms.
- (5) by making minimum allotments for repairs to buildings.
- (6) by limiting expenditures for text-books and school supplies to lowest amounts permissible considering increased enrollment.

Appropriation for 1933

For 1933 the School Committee asks no increase in the number of teachers although a large increase in pupils to be enrolled is certain. The appropriation of \$299,631, which we ask, is fifteen thousand dollars less than voted last year, and will be possible only by a ten per cent release from all salaries in excess of \$1,000. Unanimous and prompt acceptance of the proposal leading to this reduction of appropriation for schools is most gratifying evidence of the fine spirit prevailing in the Milton Public School System.

Social Service

Throughout the year it has been our purpose to insure the highest quality of teaching service for the children in the public schools by maintaining the morale of the teaching staff. The spirit of service has prompted teachers in Milton to contribute generously to social welfare far beyond the requirements of their contracts. Cordial relations, large and enthusiastic membership, and virile programs of parent-teacher associations have been due largely to leadership within the schools. These organizations and the teachers' association have quietly and tactfully contributed to relief work for children. Generous effort has been given to promotion of recreational activities outside of school hours; and, as reported elsewhere, the maintenance of classes for unemployed young men and women through voluntary services of teachers has been a contribution of considerable significance.

Salaries and Enrollment

The pay roll of the School Committee lists 145 regular full time or part time employees, —teachers, clerks, caretakers of buildings, and others. The annual salaries are graded from \$270 (for part time work) upward as shown in the appendix. For many years it has been the practice of Milton School Committees to pay low initial salaries which are, in the majority of cases, increased by schedule to fixed maxima. The wisdom, justice, and advantages of this salary policy have always been recognized.

(1) Systematic advancement has been an inducement through which the Town has profited by contracts with excellent teachers at low pay for early years of service.

(2) Systematic salary adjustments have retained good teachers. They have been free from the dissatisfactions and uncertainties which would tend to keep them continuously searching for positions elsewhere at higher salaries.

(3) "Politics" and "pull" are eliminated as a means of securing promotion, thus avoiding one of the worst conditions that might effect the high standard of our schools.

(4) Provision of small increments (\$50) for completion of approved courses of professional study has stimulated advanced training in progressive methods of teaching.

(5) Maximum salary ratings, usually attained after approximately ten years of continuous service, provide an opportunity for moderate savings and decent retirement.

All provisions for annual and professional increments, and sabbatical leave privilege were cancelled for 1932 in order to effect a saving which amounted to \$4,000. As conditions of 1933 appear unfavorable, the School Committee has obtained releases of ten per cent of all salaries of \$1,000 or over. Adjustments have been made in salaries of eight teachers who completed professional studies already in progress in January, 1932, before the ruling of the Committee was made. Annual increments were automatically restored in 1933, as the suspension of that portion of the salary schedule was limited by

the Committee to 1932 only. The average salary for all full-time employees (ten per cent releases considered) is now \$1,736.42. Under the State law, a further deduction of five per cent is taken from salaries of teachers in contribution to retirement funds. Therefore, salaries of teachers listed in the table referred to in the appendix are reduced by approximately fifteen per cent. The saving to the Town by the ten per cent releases of school employees is estimated at \$27,324.80.

During 1931 the number of teachers in the schools decreased while the enrollment of pupils increased by 142. In September, 1932, a further increase of 162 in enrollment demanded the services of three additional teachers of so-called general subjects. As already stated two teaching positions for "special" subjects were abolished. The estimated 1933 pay roll for teachers, all adjustments, releases, changes in personnel, enrollment increase included, totals \$224,345, or \$13,394.68 less than actually expended in 1932.

Superficial examination does not reveal the great variation in responsibilities and duties of the large number of employees of the schools, but study of the table of salaries will give an idea of the complex nature of the salary problem.

School Enrollment

Increase of enrollment in our schools for 1932 was 162. The rapid growth of the Town continues, as shown by chart on Page 315 and in the following table:

MEMBERSHIP DECEMBER 31

<i>Schools</i>	1931	1932	<i>Increase</i>
Senior High	531	602	71
Junior High	686	739	53
Belcher	306	293	—12
Collicot	491	529	38
Tucker	668	668	0
Vose	280	269	—11
Glover	83	106	23
Totals	3,044	3,206	162

Building Needs

The Belcher and Collicot School buildings are adequate for present needs, but it appears that the enrollment in the Collicot School will reach the capacity of the building (600) in about two years under the existing rate of population increase within the district.

In the Glover School there are three classrooms, each accommodating two classes taught by one teacher. There are now about thirty-five pupils for each teacher and any larger enrollment in this building would make it more difficult to maintain proper standards.

The Wadsworth School has not been in use since the Collicot was completed. The building affords no possibility for relief of the High School, and it is not required for elementary pupils within the district east of Randolph Avenue. It is an old wooden building, a fire hazard, and expensive to maintain and operate. The relatively large expenditure needed to put this old building into condition would be considered a waste of money.

However, the Committee is unprepared to release the building until some definite progress is made in solving the present acute housing problem.

The Tucker School continues to be overcrowded. As registration in this district remained practically unchanged during 1932 no new problem has arisen. The congested condition of the Tucker School should be relieved as soon as the Town can undertake the expenditure necessary.

At the present time the School Committee does not recommend the construction of an elementary school on Eliot Street, although such extension of facilities would afford much-needed relief.

Alterations within the Vose School as recommended to the Town at the May meeting by the Special Committee on Schoolhouse Accommodations would afford a considerable increase in the seating capacity of the elementary schools at a minimum expense.

The High School was designed for one thousand pupils. Within this building classes are now maintained for 1341 pupils. All rooms are in use and two corridors have been converted into classrooms. It is probable that the office of the principal will be moved into a corridor, and the office of the Superintendent moved into another building in order to make room for additional classes in September, 1933. This will utilize the building to the absolute limit. Ten years' enrollment figures show constant or accelerated growth. Indications are that the school will number 1600 pupils in September, 1934, and 1750 the following year. It now appears inevitable that some form of platoon system will be forced upon the High School before new space is provided. This eventuality is most unfortunate and detrimental. Such a condition is sure to arouse justifiable criticism and protest over neglect or failure to provide schoolhouse accommodations for the growing population of the Town.

There are suitable building sites which may be acquired by the Town at reasonable cost. This step should be taken without delay.

Statistics

From statistics it is possible to make authoritative statements. Without the data compiled by the Massachusetts Department of Education reports upon matters of importance would at times be largely opinions.

In the appendix we submit a tabulation of expenditures for support of schools in terms of local tax rates. This table supplements the information upon school costs and municipal valuations included in the report of the Committee last year.

The Town of Milton received \$23,492.50 at the close of 1932 from the State in partial reimbursement for school expenditures. The amount of this credit is dependent upon the standard of school support by the Town, and is subject to forfeiture if the Town fails to comply with certain minimum requirements.

It will be noticed that fifty cities and towns, including Boston and surrounding localities, expended from local taxation for school support sums varying from \$4.82 per \$1,000 valuation for Brookline to \$15.22 for Revere. The portion of local tax allotted to schools varies from less than twenty per cent to more than forty per cent. The table shows conservative management of Milton public schools. The same indication is given in the costs per pupil reported by the School Committee in 1931. Comparison with State averages is as follows:

YEAR ENDING DECEMBER 31, 1931

	<i>Expenditure for School Support from Local Taxa- tion per \$1,000 Valuation</i>	<i>Rate of Total Tax per \$1,000 Valuation</i>
Milton	\$7 83	\$25 60
State Average	9 03	29 92

From these figures it is evident that a ten per cent reduction of school costs in Milton is equivalent to a difference of 78 cents in the tax rate, or a saving of \$7.83 to the owner of real estate assessed at \$10,000. Clearly our economic problem can be relieved to a scarcely appreciable extent through further curtailment of public school support.

For presentation of the real values from public schools we urge your thoughtful consideration of the report of the Superintendent.

Respectfully submitted,

ARTHUR W. VOSE, *Chairman*,
JAMES G. RUSSELL, *Secretary*,
FRANCIS C. BATES,
MARY MILEY,
GEORGE J. DESMOND,
LEONARD M. PATTON.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Milton School Committee:

Public school education is vitally necessary to maintain stability of our social order and sound democracy in government in Milton as elsewhere. Present conditions stress the need of placing supreme emphasis upon supreme values in our community life. Surely the education of our children is among the first of these.

Taxpayers assent to this as an abstract proposition, yet allow it to be defeated in practice by the undermining influences that attack the details essential to successful functioning of the whole. The schools belong to the people. It is imperative that the people understand the importance of these details to the complete educational service of the public schools.

Education At Ten Cents An Hour

Education of our children, unlike most other community responsibilities, is a large-scale undertaking that effects the life of all the people in a very vital way because children are a large and vital part of that life. Their development has to do with the present, but in an even larger measure with a generation or more of the future.

Statistical measurement cannot comprehend all the influences of public school education in the lives of children or in the life of the community that pays the bills. Tangible blocks of educational development cannot be set down as a column of figures in a financial report over against a column of expenditures of the annual appropriation for support of schools and a balance or deficit shown; the loss in children's education due to reading books several times instead of reading more books cannot be shown with a slide rule, yet it is plainly evident in the budgetary item for text-books; the influence upon children of attending school in a rundown building, or in an overcrowded room, or worse still with an inadequately trained, inexperienced, harassed teacher, cannot be reduced to figures, but will permit a so-called saving in the financial column of the annual budget. The return of a normal day will reveal the results of unwise retrenchments forced upon public school education in some communities as measures of expediency or compromise under pressure of various money-saving forces. Those who profit most in money are not the same as will lose most in education. The loss to the community is deferred to a later day. To foresee and avoid these conditions is the part of wisdom.

General education has been the greatest factor in the brilliant material progress in this country, yet its nature is such that it cannot be set forth on a financial sheet. "In education we invest money but we take out something vastly different. The product of education is character, personality, skills, and the abiding changes wrought in the child. The product of education is not dividend in money." Because of this, the public schools become the object of attack particularly in a time of financial stress. The total cost looms large when considered alone, it is quite different when other related facts are considered. **The cost from town taxes for support of schools in Milton for the year 1932 was less than ten cents an hour of school time per pupil. Can Milton, which ranks tenth in valuation among all towns in the Commonwealth with population over five thousand, afford to spend less?**

High School Accommodations

Your attention has been called month by month and year by year to the increasing number of pupils in the High School building. The rate of increase accelerates. Superior ability of the Principal to organize and provide for all of the complex activities of the school has made it possible for 1,340 pupils to attend school this year in the space originally planned for 1,000. Corridors and storage room have been converted into classrooms. At the beginning of the next school year the 259 pupils now of sixth-grade rank will come into the building to take the place of 132 of twelfth grade to be graduated at the close of the present school year. A net increase of 127 is expected. It will take several years to provide a new building. The parents of children now in school should know that money is being saved to the detriment of their children's education.

The report of the Principal of the High and Junior High Schools deals with the matter more fully.

Mass Education

In our schoolrooms the teachers are working faithfully to provide such educational development for each pupil that he will think things through for himself to a tolerant understanding of real values, and to preserve all of his growing individual characteristics that are worth while. These are necessary in the constant readjustment he is compelled to make to fast-changing conditions of living.

Mass-production methods are economical and may be efficient in some phases of school work such as the system of grades, standardized rooms, furniture, books, equipment, drill and chorus work, and class schedules. It must be noted, however, that the feature of mass-production that is the most valuable in industry is the most deadly in public school education. That is the principle of standardized product which requires that each unit produced must be like every other.

In every group of unselected school children there is a wide range of capacity for education just as there is great difference in height, weight, and other more noticeable characteristics. This is commonly recognized. Rigid application of the mass-production principle to public school education fails at this point. Even though it may be stated that it is not the children but their particular qualities that are standardized, the application is as objectionable as it is impossible.

Economic pressure may bring about crowded classrooms in which both the rate and content of instruction are gauged to the learning capacities of about three-fourths of the pupils with no further provision for the very slow or the brilliant, yet within the large group there remain unsatisfied a wide diversity of individual needs. Valuable personal traits of some are provided with no outlet for development. Pupils who learn at a slow rate build up attitudes of defense because they cannot keep up to the pace set for the group.

For several years we have studied the problem and encouraged measures to preserve and develop the desirable traits of each child. The special class, required by law, is providing constructive teaching for backward children who cannot profit by that given in the graded classes. This type of pupil has long been recognized as needing such attention. The fact that children endowed with exceptional capacities also need special opportunities for development, has not been so generally recognized.

In three of our elementary schools opportunity rooms are open to children in the intermediate grades who give evidence of capacity for more rapid and extensive development than is provided for in the regular graded classrooms. Increasing enrollment in the schools has made it possible to organize these groups without greatly increasing the cost. At the Tucker School no room is available. Our problem becomes more acute with the constant increase in number of pupils and lower appropriations for support of schools. And yet, "The most important fact about any population, as regards its potential wealth, industry, standard of living, and general culture, is the proportion of its members who grade above a certain high level of intelligence. Individuals of surpassing intelligence create national wealth, determine the state of industry, advance science, and make general culture possible."

The policy of providing for educational development according to individual capacity should not only continue in our schools, but should receive greater emphasis.

Provision should be made to determine more scientifically what each pupil is capable of doing. Advantages of opportunity rooms should be extended to more pupils. Self-education should be encouraged, not as home-study assignments, but as directed activities in line with the pupil's own interests and fostered by parents. These should supplement all the recognition a teacher can give to individual ability in the regular classroom. In this direction the path of progress is open.

REPORT OF PRINCIPAL OF HIGH AND JUNIOR HIGH SCHOOLS

My dear Mr. Turner:

My sixth annual report as principal of the high school and junior high school is herewith submitted.

Enrollment

The most urgent current problem that confronts the high school is the provision of available space for the rapidly expanding student body. The enrollment of the senior high school section has increased one hundred and thirty-two per cent during the past ten years. The size of the graduating classes has doubled. The total membership in the building has increased eighty per cent.

During the four months which have just elapsed thirteen hundred and seventy-two pupils have registered. The normal daily enrollment exceeds by more than one third the specified capacity of the building. The accession of new or additional pupils continues without diminution. The increase is caused primarily by the increase in the number of homes in the town. The constant absorption of extra pupils gives rise to a very pungent question. How crowded, dangerous, or intolerable must conditions be in the public secondary schools of Milton before tangible provisions will be made to remedy the situation? Unless constructive plans are quickly instituted to enlarge the space available for high school classes the school day for each child must be shortened to a few hours and the high school operate on a two-platoon system.

No Increase in Teachers

Additional teachers will not be needed during the ensuing year. The pupil teacher ratio during the current year is twenty-five pupils for each teacher. Of course a larger school enrollment will increase the pupil average for each teacher. However, there can be no relief from additional teachers next year. Extra rooms in the building will not be available. More pupils must be jammed into the present available quarters. Perhaps more seats can be placed in the front of some rooms. Perhaps aisles can be eliminated. Perhaps two pupils can share one seat. The question inevitably arises how flagrantly must the laws which concern fire hazards, health, and education be broken or ignored before individuals are denied the opportunity of enrollment.

Post Graduates

The number of post graduates has increased very perceptibly during the current school year. The causes of the increase are primarily economic. I do not believe that the post graduate tendency ought to receive permanent encouragement. Pupils have been accepted with as light or as heavy schedules as they wished. Leniency has been extended in order that these youths might be developing worthwhile interests during months of unemployment or adjustment. Many high schools make restrictions that post graduates shall take a complete schedule, or that their standard of work shall be passing in every subject, or that they shall maintain a college certificate grade average.

Unemployment Classes

Many special students who have not been registered as members of the school have received instruction during the autumn and winter. Specialized work has been carried on by some pupils. Extension courses under the guidance of a local instructor have been pursued by several. Teachers have freely contributed their services during late afternoon classes for unemployed young people. The greater part of this work is in the commercial field. Several youths have evinced remarkable interest in the opportunity.

Curriculum

The current extensive organized program of propaganda for wholesale retrenchment in public school opportunities occasions a scrutiny of the offerings of the program of studies. It is true that attention is focussed today on different subject matter than in the previous century. It is also true that many subjects have been supplanted by more modern courses. These changes have been inevitable. Some of the old courses would be as useful today as the town watering trough. Changes have been made in response to the new demands of life. Moreover, the high school of today is not a selective institution. It aims to offer education to all the children of all the people. Secondary school education as a step toward a professional career was once the primary function of high school. Today the minor positions of industry and business demand the equivalent of a high school education as an entrance requirement. The general educational place of economic and social life has advanced.

The growth of Milton High School in the past decade has been exceptional. The twenty-five hundred per cent growth of high school population in the entire country during the past few decades has been phenomenal. This marvelous increase necessarily has involved expense. It costs more to educate every boy in ten than to educate one boy in ten. The results, however, justify the expenditure. "Education is our only indispensable business." It is a debt to youth—an obligation of one generation to another. This obligation society cannot afford to default. High school education is a long-term investment by society. Is it mere coincidence that the national wealth increased enormously during the past four decades? The national domain or raw materials increased not at all. Is it mere coincidence that out of all the centuries of known history the greatest period of scientific discovery and invention followed quickly the adoption of a system of free public school education? How many youths of adolescent age can afford secondary education at a private school with a tuition many times the cost of the public school? Would our country benefit by lowering the level of general education? Would a system of secondary school education for a few youths of affluence be a solution for our social problems?

Opportunity for education accessible to all the children of all the people involves the problem of curriculum offerings. The education should be varied according to the capacity of the individuals and the needs of democracy. The public high school should provide education for living, whether the recipient enters industry, commerce, agriculture, or the professions. Some young people are able to master and absorb very little of educational value from Latin, French, or abstract mathematics. It is not only a waste of a child's time (a more valuable potential resource than any other I know) but it is a flagrant waste of public money for a child to be compelled to struggle towards an impossible accomplishment. This condition is already entirely too prevalent due to parental aspirations. Of high school pupils only the upper one third in intellectual ability or scholastic achievement derive any real benefit from a standard collegiate education.

Many young people at Milton High School intend to enter business life as soon as possible after graduation. It is essential not only for the welfare of these young people but also for the benefit of society of which they will be a part that they should have had opportunities to develop accurate clerical skills, to understand the broad principles of business, and to acquire the knowledge and inclinations which are the bulwarks of good homes and good citizens.

There is another group of pupils who are especially unfitted for courses with any form of abstract thinking. These young people are frequently endowed with personal attributes and qualities which are valuable assets. However, regardless of their innate abilities or social attributes they will intermingle with society in all phases of public and private life. It is not only to their personal advantage but the public welfare makes it imperative that opportunities commensurate with their abilities and in accord with their needs be provided.

It is my personal belief that, all factors considered, there is small difference in the school costs of various courses. The courses with a high degree of cultural and civic value cost neither more nor less than courses with a high degree of utility value. The subjects primarily designed for college preparation are neither more expensive nor less expensive than the commercial branches. Courses which pertain to foods, clothing, physical education, work with tools, or music cost neither more nor less than traditional academic studies. Specialized facilities in school are not expensive if they are kept occupied with pupils. Education—the patrimony of youth—the seed corn of democracy—must be protected.

Standing of the School

The determination of school standing as generally understood is an evanescent problem which cannot be solved at present. Frequently the statement is made that a certain high school ranks today or has ranked in the past first, second, tenth, or sixteenth in the state. Presumably the reference implies a scholastic rating or standing. There is no agency or institution—governmental, collegiate, or otherwise—that attempts to rank high schools upon any academic evidence. There are state reports which show how well various communities furnish financial support for their high schools. The Massachusetts state reports clearly show in statistics that the Town of Milton does not expend as much money on its high school as the position of the town in valuation and current resources warrants. This statement is not intended as a criticism of the Town. It is merely intended to show that in the sole available statistical ratings of high schools the scholastic results of the school are not measured. The sole factor rated is the willingness of the town to support education as attested by the financial support the town has rendered.

It is my opinion that Milton High School ranks high. This opinion is gleaned from direct investigations I have conducted concerning the records of individuals at higher educational institutions, from opinions of college deans, members of the Massachusetts State Department of Education, and members of the National Survey Commission; from reports contributed by employers, and from information from the graduates of the school.

It seems more than a coincidence that there are always Milton High School graduates in the large national universities who establish exceptional scholastic records. It evokes a sense of pride to know that year after year many graduates with wholesome and substantial scholastic backgrounds are making creditable records in the upper divisions of their classes at higher institutions of learning. The commendable showing of Milton High School is almost entirely attributable to devoted teachers who remained at their posts by the decade while pilots at the helm succeeded one another in rapid succession. These real lovers of growing youths have kept the ship true to the charted course while new principals have struggled to get their educational bearings.

Respectfully submitted,

GEORGE C. MARSDEN,
Principal.

January 5, 1933

REPORT OF SCHOOL PHYSICIAN

My dear Mr. Turner:

This report will cover the time from May, 1932, when I began my duties as school physician, to the present date. Prior to May, 1932, the school health work was in excellent condition under the supervision of Dr. Chester L. Glenn. When I assumed my duties I found there was little I could suggest in the way of constructive criticism to the well-functioning organization which was caring for the health of school children in Milton.

At this date the health work is being carried on efficiently with the able assistance of Miss Rogers, the school nurse, and the enthusiastic cooperation of the teachers and parents.

During the last part of the school year of 1931-32 the daily visits by the school physician to each school were continued. No matter of importance occurred. During the time covered by this report, however, several emergency calls have been received. I am glad to be able to report to you that they were answered promptly. The injured child in each case was cared for without delay and treatment was given by the child's own physician after the necessary first aid treatment had been done.

Our work during the first term of this year was concerned mostly with the yearly physical examinations. During the course of these examinations several cases of severe illness were discovered where there was no suspicion that trouble existed. These children were sent to their own physicians for advice and treatment at a time when their illnesses could be better treated than they might have been at a later date. The fact that we were able to offer this assistance was gratifying.

The yearly physical examinations have been completed and notices of defects have been sent to the parents. This year all the children except the girls of the high school were examined by the school physician. This is a change from the procedure followed last year when the school physician examined only the boys. The girls in the high school were examined by Dr. Janice Rafuse.

The results of these examinations are as follows:

	<i>Examinations</i>	<i>Defects</i>	<i>% Defective</i>
High School	1343	361	27
Vose School	269	44	16
Tucker School	665	138	21
Glover School	105	24	23
Collicot School	560	127	23
Belcher School	296	79	27

The defects noted above do not include teeth and minor defects of posture. On the other hand they are not all serious defects but merely represent conditions that should be called to the attention of the parents in order to promote the future welfare of the child. The defects in posture, except the most severe conditions, are cared for in posture clinics in the schools. These posture clinics, I believe, form an important part of the school health program.

The Fresh Air Room at the Collicot School is functioning well and provides an important link in the school system as it allows the children who have certain physical handicaps to continue their school work. Without this valuable service these children would, in many instances, lose many months in school.

The children who are mentally retarded and those who are unable to do the usual school work for their respective ages are also being excellently cared for at the Collicot School in a special class. The aim of this service is to give a child all the school training he has capacity to absorb. If he shows by trial that he cannot go on with school work, parents are so advised. If the child is merely slow to learn he is taught in a manner which allows him to learn within his capacity to absorb his school work. These children need this special attention as they would be unable to continue in the regular classes.

Both of these classes have a definite economic value to the school system and society. The Fresh Air Room enables children to continue their education at a time when they might have to postpone it indefinitely. In this manner they can take their respective places in society sooner than they would if valuable time were lost by absence from school. The special class for the backward children enables each child to find the place he is able to fill in society much sooner than he would without this special training. If one of these children is unable to continue at high school, it is a waste of parent's money and teacher's time to try to force him to do so. It is better to meet the facts and know that certain children can do so much at school and no more. In properly grading children according to their mental capacities actual dollars and cents can be saved.

In conclusion, I wish to thank Miss Rogers for her kind cooperation and express my appreciation of the enthusiastic help which has come from the teachers in charge of the children. It is only by working together that we shall succeed.

Very sincerely yours,

DAVID W. SHERWOOD, M.D.

January 2, 1933.

REPORT OF SCHOOL NURSE

My dear Mr. Turner:

It is sometimes well to view a "field of battle," so to speak in a new place, while one is in an unbiased and open frame of mind. While I am still in that frame of mind, I should like to say that Milton's School Health Department is workable, practicable, adaptable, and productive of results. The foundation laid by our predecessors is one of the finest that I have ever seen. Dr. Sherwood and I have been very busy carrying on the work involved in the wide-spread program of Dr. Glenn and Miss Robinson. We pay the highest tribute to them.

Speaking of the vastness of this program, I should like to outline the main features constituting health work from a nursing point of view, and to give a few statistics handed over to me by Miss Robinson, the former school nurse. School always opens in September with a tremendous amount of energy ready to be released in all departments. Teachers and pupils alike feel physically fit. Then physical health examinations begin and we discover just how fit everyone actually is and if not what can be done about it. These examinations, plus corresponding notices sent home, which list various defects and suggest a further check-up and treatment by family physician or dentist, take us through the Christmas vacation.

This period is necessarily punctuated by every-day routine such as First Aid, Clinics, Conferences, necessary home visits, and a careful check-up of Fresh Air Room applicants. These are mostly self explanatory except, perhaps, the State Ten Year Follow Up Clinic, originated as one of the most outstanding steps taken by the State in early detection and prevention of Tuberculosis. Every fall the State authorities send out an X-ray technician, followed by a doctor and Nutritionist to re-X-ray and re-examine those pupils still remaining in the clinic. There were thirteen left to be examined this fall. This dwindling number is a great source of satisfaction, considering that when the clinic started in 1927-28 there were sixty-seven candidates recommended for further follow-up. The Fresh Air Room, under the leadership of Miss Phipps, with an enrollment of nineteen pupils, is doing its best toward solving physical problems, and at the same time attempting to keep up the educational progress of each pupil. Milton has just cause to be proud of this room, with its record of results already accomplished. In this room are pupils who would doubtless be unable to attend school; some who would be able to attend for only part time; those who, because of extreme malnutrition, excessive nervousness, or some special handicap attributable to various causes would have great difficulty in keeping up with a regular classroom curriculum. It is very evident that the parents have co-operated and have manifested their active interest and are as pleased as we are with the results.

It might be well to mention immunization tests for Diphtheria. This year the Board of Health, in co-operation with the School Department gave tests during school hours. This should greatly facilitate keeping our records more accurately. I find that many people are confused regarding this test. Perhaps the following information furnished by the State may prove to be helpful.

1. All children under ten years of age should receive three doses of Toxin-Anti-Toxin. This should be followed in 6 to 12 months by the Schick Test, which test is merely a scratch on each forearm with a toxin and control. This is inspected by the doctor within three days and the results are either a negative reading, which means the child is immune from diphtheria for life, or a positive reading, which means the child is susceptible to diphtheria and should have the whole performance repeated.
2. All children over 10 years of age, as well as adults, should have the Schick Test first. This should be read within 3 days, and if a positive reading is made the person should have 3 doses of Toxin-Anti-Toxin followed in 6 to 12 months by the Schick Test, with its subsequent reading. Due to this preventive treatment, Diphtheria is becoming more and more a disease of the past.

The second stretch of work, extending through the winter months, is, with the exception of regular routine previously listed, devoted to defects. Compiling lists of defects for the various departments is necessary. This means that all examinations must be completed, i.e., physical, dental, eye and ear tests. Most important is the co-operation with the parents in securing correction of the outstanding defects.

Soon after this branch of the work is completed comes "May Day"—a day set aside all over the country, known more commonly as Child Health Day. On this occasion,

Physically Fit Tags are given to pupils who have no defects; Improvement Tags to those who are still in the process of having their defects corrected and Teeth Tags to those who have completed their dental work. The number of Physically Fit Tags given out last year was indeed a credit to the close co-operation between parents and the school.

Last, but not least, comes the Pre-School Clinic. This is best explained by the slogan "Enter your child in school in September 100% Physically Fit!" By having a physical examination in the early summer adequate time is allowed before school opens for a correction of defects if any are found. This saves loss of school time later on and insures a better start for the beginner. Last year the results were as follows: At the school clinic 85 Pre-School children were examined and found to have defects of major importance and the follow-up work on these cases was turned over to the Milton District Nurse Association. Information from the Metropolitan Life Insurance Company shows a greater improvement in Health in 1932 than in any of the past 10 years, due to co-operation and continuous efforts of combined Public Health Services. Let us continue so that there will be no depression in Health in 1933.

At this time I wish to express my thanks to all departments, organizations, and parents for the support they have given me during my first six months in Milton.

Very truly yours,

HILDA M. ROGERS,
School Nurse.

January 3, 1933.

THE FRESH AIR SCHOOL

The Fresh Air Room is located in the Collicot School in East Milton. It consists of a schoolroom, a sun porch and a kitchen. It is equipped with windows each of which open in two sections so that they can be tilted to keep the air fresh and cool without any draft blowing on the children. A door from the room opens on to a balcony where the children rest three times a day except in storms or extreme weather. Another door leads to a small, compact kitchen where the meals are prepared.

Each child has his own cot and blanket which he keeps for the year. The cots are the army, folding type. Each child also has an Eskimo suit consisting of a jumper, trousers, a hood and socks. This suit is worn in cold weather, for the temperature in the room is kept low as the name "Fresh Air School" implies.

The children begin school in the morning at the regular time and continue their school activities until ten o'clock. At ten they are served milk and crackers or cocoa and crackers. Then they lie on their cots for half an hour. School work is done until 11.45 at which time they rest until about 12.40. Then they get up and have a hot, hearty dinner. At 2.15 they have their final rest period, and may have crackers, or fruit or some such "snack" before going home. Thus the school day is shortened for them and the frequent rest periods keep them from getting nervously fatigued.

The supplies for this school are bought at wholesale and an effort is made to run the room economically and yet give each child plenty of well-balanced, nourishing food. Besides giving him at least a pint of milk to drink each day, he has dinner. The following are two typical menus:—Hamburg loaf, mashed potato, buttered beets, bran muffins, tomato juice, tapioca pudding; creamed salmon, baked potato, green peas, lettuce sandwiches, plum sauce. A child may have as much as he will eat and he is encouraged to eat heartily. We are fortunate in having a woman in the kitchen who takes a keen interest in the children's welfare and serves the meals attractively and economically. This winter, if sufficient money is raised, the children will be given cod liver oil under the direction of the school doctor.

Each child is weighed every week and individual charts are kept. A child at this age is expected to gain about half a pound a month. The average gain from September to December this year has been $4\frac{1}{2}$ lbs. per child, with a range of from $\frac{3}{4}$ lbs. to 7 lbs.

The children in the room are recommended for admittance by the school nurse, the school doctor, the State clinic, social workers and by local doctors. Many parents request that their children be admitted to this room and it is always used to its capacity of twenty children.

The children include those seriously underweight; those who need special care either following an illness or before an operation; tuberculosis suspects and contact cases; children who are excessively nervous, several asthma sufferers and a few who because of some physical handicap could not be in school otherwise.

Several times during the year the school physician meets each mother by appointment. At these private interviews the child is given a physical examination and the doctor discusses any problem of health. The consultations are welcomed by the mothers and

result in having defects such as enlarged tonsils and decayed teeth corrected and more attention given to diet and routine at home. That the parents are interested and feel that the work is beneficial is manifested in the following example of their co-operation.

We had found from experience that these children usually all lost weight during the Christmas holidays. In an attempt to minimize the losses we decided to write each mother before Christmas urging that the rest schedule be kept during the vacation. We were very gratified to find that all the children had either gained weight or held their weight except six. Of those six, two were ill and only four did not try to rest sometime every day.

It is very fortunate that the school has a well trained teacher with the disposition and temperament needed for working with this group of children. The regular school work is carried on and the children benefit from being in a small group.

The attendance of these children at school is usually better than when they were in the regular class rooms. Besides gains made in weight and in general health an improvement is noticeable in their social adjustment and in their attitude toward school and life. When children feel well and strong, they are happier, more enthusiastic and more normal in their reactions to their environment.

The cost per day for the food is twenty-five cents for those who can afford that amount. Some pay a part of that while others cannot pay at all. However, no child is refused admittance because of inability to pay and it is for these children who cannot pay and who need the care so much that money from outside agencies is needed.

The room may be visited at any time and the routine observed. A cordial invitation to visit is extended to those who have so kindly donated money in the past and to anyone interested in this work.

JESSIE L. BOYD,

Principal, Collicot School.

January 19, 1933.

REPORT OF SCHOOL DENTIST

My Dear Sir;

The annual report of the School Dental Clinic is herewith attached. There are several changes and recommendations that are mentioned here for your consideration and that of the School Committee.

Due to increase in the school enrollment and to the economic situation there has been a very large increase in the demand for services at the clinic. The applications that are being received at this time are coming from a new source, that is from home owners and business men who have never requested dental service for their children since formerly they were not eligible for treatment at the clinic. Because of this situation the clinic is very much overcrowded with work.

A recommendation is offered that the investigation of family incomes and resources, now made at the time of the first application, be made annually and filed upon a suitable card with the school nurse. The children so approved after this investigation should be treated some time during that year. The next year a new list of children eligible for the clinic may be made. This should correct any unequalities that arise during the year.

I would recommend that all children in the lower grades be treated and educational work on the care of the mouth and teeth be included, so that when the children advance into the Junior High and High Schools no demands of this kind would be made of the school clinic. The work at this stage should be done at the office of the private practitioner. If this recommendation were carried out, I believe that more children in the lower grades would be benefited. To do this work in its entirety more time would be needed at the clinic or a hygienist should be employed.

There were examined during the months of September and October 3,151 children.

Number of children treated at clinic	149
Number of appointments	332
Number of children, work completed	108
Number of extractions	190
Number of cleanings	119
Number of amalgam fillings	169
Number of cement fillings	139
Number one-half days at clinic	65

Respectfully submitted,

December 31, 1932.

DR. WILBER H. MORRILL.

REPORTS OF SUPERVISORS OF ATTENDANCE

Dear Sir:

I hereby submit my report as Supervisor of Attendance of Belcher-Collicot districts for the year ending December 31, 1932.

	<i>Belcher School</i>	<i>Collicot School</i>	<i>Senior High School</i>	<i>Junior High School</i>
Number of notices received	24	0	10	6
Number of pupils kept by parents	7	0	0	0
Number of pupils kept at home on account of illness	4	0	0	1
Number of pupils kept at home for want of cloth- ing	3	0	0	1
Number of pupils kept at home for other causes	11	0	0	0
Number of truants	6	0	4	3

Respectfully yours,

December 31, 1932.

HENRY F. BRIERLY.

Dear Sir:

I herewith submit my report as Supervisor of Attendance for the year ending December 31, 1932.

	<i>Tucker School</i>	<i>Vose School</i>	<i>Senior High School</i>	<i>Junior High School</i>
Number of notices received	0	0	0	4
Number of different pupils	0	0	0	2
Number of pupils kept at home by guardians	0	0	0	1
Number of truants	0	0	0	1
Cases taken to Court	0	0	0	1

Respectfully submitted,

January 3, 1933.

ARTEMUS MACQUARRIE.

Conclusion

This report places particular emphasis upon the importance of public school education in Milton, the need to maintain it at a high level of value to our children in order that their development may best meet the requirements of living conditions both in the present and in the months and years ahead of them, and the general policy underlying all school activities to provide for individual growth so far as that can be done in mass education. The basic activities in our educational program continue with such adaptations to changing conditions as the demands of conservative progress make necessary.

The fine qualities of all with whom I am working are even more noticeable this year than in a year of general prosperity.

More specific information in respect to activities in the school system in their charge is presented in the reports of the Principal of the High and Junior High Schools, Physician, Nurse, Dentist, and Supervisors of Attendance.

Respectfully submitted,

HORACE F. TURNER,
Superintendent of Schools.

January 16, 1933.

APPENDIX

SPECIAL REPORTS
AND
STATISTICS

QUOTATIONS FROM RULES AND REGULATIONS OF THE SCHOOL COMMITTEE

1. Admission to Kindergarten and to First Grade

Section 45. Children who will be five years old before January 1 of the following year may be admitted to the kindergarten during the month of September. Children who will be six years of age before January 1 of the following year may be admitted to the first grade during the month of September. Provided further that children mentally above the age requirement limit be admitted to school during the first month of the school year, or later if their residence in Milton began after the beginning of the school year.

2. Tuition Pupils

Section 69. Tuition fees at the rate of \$125 (One Hundred Twenty-five Dollars) per year in the High School, \$100 (One Hundred Dollars) per year in the Junior High School, and \$75 (Seventy-five Dollars) per year in the elementary schools shall be paid by non-resident pupils to the Town Treasurer at the beginning of each term. Pupils whose term bills have not been paid at the end of the second week from the time the bills have been rendered shall be required to discontinue their attendance at school.

3. No-School Signal

Section 61. The signal 2-2 sounded four times on the fire alarm at:

7:15 means no school sessions for all schools for entire day.

7:30 means no school sessions for all schools below the Junior High School for the entire day.

11:40 means no afternoon session for all schools below the Junior High School. This signal will not be sounded if the 7:15 or the 7:30 signal has been sounded. The session at the Vose School will not be affected by this signal.

The 7:15 signal will rarely be sounded, as it includes the closing of the High and Junior High Schools.

The widely varying conditions in the several parts of Milton make it difficult to reach decisions equally fair to all interests. Parents are, therefore, expected to exercise discretion in regard to their own children.

INCREASE IN NUMBER OF PUPILS IN MILTON'S SCHOOLS

COMPARISON IN PER CENT BETWEEN INCREASE IN NUMBER OF PUPILS IN MILTON'S SCHOOLS AND TOTAL EXPENDITURES FOR SUPPORT OF SCHOOLS 1922 - 1932

University of Alabama	1	Chamberlain School of Everyday Art	2
Lebanon Valley College	1	Atherton Hall	1
Hyannis State Teachers College	1		
Springfield Y.M.C.A. College	1		

The request for pupils' services the past year has decreased, as has all employment. However, we have succeeded in placing in temporary work, 26 different students. The work for most part was mother's helpers, and general work, such as raking leaves and washing windows. Of the 18 pupils who received permanent employment the Advisory Bureau placed 8.
